It also applies to all college personnel, faculty processes, academic offerings and matters.

City Colleges of Chicago Academic & Student Policy applies when approved by the Board of Trustees of the City Colleges of Chicago District No. 508 unless a new board rule has superseded the text in policy.

Board approved policy appears throughout this document in normal black font with section headings. Procedures (not board approved) appear at the end of the document in Appendix-Procedures (p. 76). Policies that have procedures are so indicated by the phrase, "Procedures: [name of the procedure]", which appears below the policy title. The name of the procedure hyperlinks to the procedures content in the Appendix where it will appear in a shaded box with italicized font and a heading that includes the policy title and the word, "procedures."

Students, faculty and staff are responsible for reading and understanding *City Colleges of Chicago Academic & Student Policy*. Students who have questions regarding their academic status should consult with a College Advisor (<http://www.ccc.edu/departments/Pages/Advising.aspx>) or the Office of Student Services (<http://www.ccc.edu/departments/Pages/Student-Affairs.aspx>) at their college. The rules and policies contained in this document align with and support the Board Policies and Procedures for Management & Government (<http://www.ccc.edu/departments/Pages/Board-of-Trustees.aspx>) of the City Colleges of Chicago.

However, students will not be permitted subsequent enrollment in courses which require a prerequisite without first completing a placement test or obtaining a placement test waiver.

a. *Students Placing in Foundational Studies Courses*

Only high school graduates or those who have successfully passed a high school equivalency examination may enroll in Foundational Studies courses. Admission to CCC does not guarantee entrance into a particular course or program of study. Assessment and placement tests are used to determine

the enrollment level in the program/plan of choice (in accordance with program/plan requirements).

Section 2.05 Assessment & Placement – International Students

All courses from other regionally accredited institutions (ope.ed.gov/accreditation/Index.aspx) previously attended where a final grade of “C” (including grades of “C-”) or higher was earned will be evaluated for transferability and reflected on the student’s academic record when the credit is accepted. If accepted as satisfying degree requirements, transfer credits will be counted towards graduation subject to certain limits (see Graduation Requirements for Degrees (p. 20)).

Section 2.08 Military Credit

Procedures: Military Credit – Procedures (p. 80).

a. *Process for Awarding Military Credit*

College credits may be granted for Armed Forces/military service experiences and Armed Forces schooling (Military Credit). American Council on Education (ACE) recommendations will be followed to the extent possible. ACE publishes evaluations and recommendations for credit for Ratings or Military Occupational Specialties (MOS) training. Decisions concerning acceptance of military credit as

equivalent to a CCC course will be reviewed and approved by a faculty member responsible for instruction in the appropriate academic discipline. Articulation decisions will be recorded in CCC's student information system to ensure evaluation consistently for all veterans. When the curriculum of an articulated CCC course is updated, the military equivalencies will be reviewed and updated accordingly. Factors such as currency of course content will be considered when making or updating articulation decisions, for example, with regard to technology or medical courses or training.

b. Graduation Requirements

Military Credit shall not exceed sixty-seven percent (67%) of the total credits required for the academic program or plan in which the veteran/student enrolls. Student recipients of Military Credit are required to fulfill all normal graduation requirements, including residency requirements, for their academic program or plan (see Graduation Requirements for Degrees (p. 20)). Nothing in this military transfer credit policy should be construed otherwise.

College credit may be granted for general education, specialized, or elective courses. Grades will not be awarded and credit earned will not be included in Grade Point Average (GPA) calculations. Testing fees may

Policy History: Academic Amnesty (p. 72)

Procedures: Academic Amnesty – Procedures (p. 82).

Effective January 1, 2018, academic amnesty provides a “second chance” for eligible students who earned “F” grade(s) earlier in their academic careers, but now wish to return to CCC to earn a degree or certificate.

a. Eligibility

- Students who have not enrolled and received a final grade in credit bearing coursework at CCC for five (5) or more consecutive calendar years (minimum 15 academic terms) may apply for academic amnesty.
- Upon their return, students must complete at least one (1) term of credit bearing coursework (minimum 6 credit hours, excluding any development education coursework) and earn a term grade point average (GPA) of 2.0 or higher calculated from their return to City Colleges. Academic amnesty will not be applied until this requirement is met. See Cumulative Grade Point Average (p. 11) for more information.

b. Effect of Academic Amnesty

If academic amnesty is granted, all college credit coursework (including development education coursework) with a final grade of "F" earned during the Amnesty Period (period prior to the five year break) will be removed from the student's grade point average (GPA) calculations.

c. Academic Amnesty Approval

The Registrar at the college where the application is submitted will process, approve, and retain applications and update the academic records of approved applicants.

d. Important Notes

- Academic amnesty applies only to courses completed at the City Colleges of Chicago.
- Courses for which academic amnesty is granted:
 - Remain a part of the student's academic record; courses are **not** removed from the student's record
 - Are marked with an academic amnesty indicator
 - Appear on the student's official transcript along with an academic amnesty indicator
 - May not be applied to satisfy requirements of a CCC degree or certificate
- The academic amnesty effective date will be recorded in the student's academic record.
- While academic amnesty benefits a student's GPA, it has no effect on SAP GPA, Pace or Timeframe measures. See Satisfactory Academic Progress (p. 27) for more information.
- Academic amnesty applies only to the City Colleges of Chicago. Students granted academic amnesty at CCC will be subject to the admissions policies of other institutions to which they may transfer after attending CCC.
- Once submitted, an academic amnesty application may not be withdrawn or cancelled by the student. However, applications not approved in one (1) year from the submission date will be cancelled by the college. Students may reapply.

Students enrolled in Adult Education classes should attend all scheduled days. Instructors/Adult Educators are required to record student attendance for each class meeting during the term. Students who do not attend regularly may fail class assignments and/or not achieve course objectives; such students may be administratively withdrawn from the class by the Adult Educator. Students who must miss more than three (3) days of class must contact their instructor or other Adult Education staff about missed assignments and their standing in class. Instructors and/or other Adult Education staff will attempt to contact students who have not communicated after three consecutive absences. Students who miss six (6) consecutive days of class shall be administratively withdrawn (ADW) by the Adult Educator and shall not be readmitted into that course for the remainder of the term.

Section 3.08 Grade Designations

Policy History: Grade Designations (p. 72)

Grades are awarded to students based on their academic performance (and attendance for Adult Education students) in each class. Official grades are maintained in CCC’s student information system. Extra Credit or consideration for grading based on any student-provided monetary or non-academic contribution is prohibited.

Grades issued for college coursework are recorded on a student’s permanent academic record and transcript, are used to calculate a student’s Grade Point Average (GPA), serve as the basis for a student’s Academic Standing (p. 11), and may apply towards graduation. Note: Satisfactory (S) and Unsatisfactory (U) grades are not included in a student’s GPA calculation.

(a) Grading Basis for Remedial, Credit and Skills Courses

The A-F grading basis is used for Remedial courses. Two grading bases are used for Credit and Skills courses:

- A, B, C, D, and F; and
- Satisfactory (S) / Unsatisfactory (U)

The grading basis is set for each Credit and Skills course.

- Students who enroll in A-F courses are graded using the A-F grading basis.
- Students who enroll in Satisfactory/Unsatisfactory courses are graded using the S/U grading basis.

A-F Grading Basis

Grade	Description	Grade Points
A	Excellent	4
B	Good	3
C	Average	2
D	Below average	1
F	Failure	0

The grading standard for Satisfactory/Unsatisfactory courses is as follows:

- Satisfactory grade: equivalent to “C” quality work and above (on an A-F grading scale).
- Unsatisfactory grade: equivalent to “D” quality work or below.

Satisfactory/Unsatisfactory Grading Basis

Grade	Description	Grade Points
S	Satisfactory	0
U	Unsatisfactory	0

(b) Grading Basis for Foundational Studies and Continuing Education - Professional & Personal Development Courses

Grade	Description	Grade Points
S	Satisfactory	-
F	Failure	-

(c) Grading Basis for Adult Education Courses

Grade	Description	Grade Points
P	Student has completed - all course and level requirements and should take a course at the next level.	-

R	Student has completed all course requirements; however, more work is needed at this level. The student should be placed in another course at the same level.	-
---	--	---

All academic transactions are recorded in a student's permanent academic record. All Credit courses and final grades earned appear on the student's transcript along with the following additional course statuses:

- ADH – courses from which the student was withdrawn due to a finding of academic dishonesty
- ADR – courses from which the student was withdrawn as a result administrative removal from college, if the withdrawal occurred after the Statistical Date
- ADW – courses from which the student was administratively withdrawn
- AUD – courses that the student audited
- MP - Making Progress. Student progressed in the class but did not meet all learning outcomes to move to the next level. (Remedial Credit Only)
- VMW – courses from which the student was medically withdrawn, if the withdrawal occurred after the Statistical Date
- WTH – courses from which the student withdrew or was withdrawn, if the withdrawal occurred after the Statistical Date

See Glossary of Terms (p. 55) for more information about the Statistical (STAT) Date.

Section 3.09 Eligibility for Course Enrollment

Procedures: Eligibility for Course Enrollment – Procedures (p. 82).

Students taking prerequisite courses must successfully complete the prerequisites with a grade of "C" or higher to advance to the next course level. Students taking selected general education courses must show proof of eligibility for ENGLISH 101 Composition.

Section 3.10 Graduation Grade Point Average

Graduation Grade Point Average (GRAD-GPA) is calculated on the basis of all credit hours and grades, "A" through "F", earned while enrolled in the Credit Career at the City Colleges of Chicago with the following exceptions:

- All credit hours and grades earned in Allowed Repeatable Courses (ARC) (p. 14) appear on the permanent academic record and transcript, but only the most recent credit hours and grades earned in an ARC repeat sequence up to the allowable maximum are included in the GRAD-GPA.
- All credit hours and grades earned in Retaking Courses (p. 14) appear on the permanent academic record and transcript, but only the last grade earned is included in the GRAD- GPA.
- Transfer Credit (p. 7) (including Military Credit (p. 7)), Credit by Assessment of Prior Learning (p. 8), and Credit by Standardized Examination/Testing (p. 8) are excluded from the

GRAD-GPA, although such credits appear on the transcript and may apply towards graduation.

- Credit hours and grades earned in pre-college level (remedial) coursework are excluded from the GRAD-GPA, although such credits appear on the permanent academic record and transcript.
- ADWs received from Fall 1982 through Spring 1988 will be counted as "F" grades in a student's GPA.
- Satisfactory/Unsatisfactory grades are excluded from GRAD-GPA calculations.

Section 3.11 Cumulative Grade Point Average

Cumulative Grade Point Average (CUM-GPA) is calculated the same way as GRAD-GPA, but includes credit hours and grades earned in pre-college level (remedial) coursework.

Section 3.12 Academic Standing

Procedures: Academic Standing – Procedures (p. 82).

A student must maintain a Cumulative Grade Point Average (CUM-GPA) of 2.0 or higher to remain in good Academic Standing.

Section 3.13 Non-Grade Designations

Policy History: Non-Grade Designations (p. 72)

Procedures: Non-Grade Designations – Procedures (p. 82).

Non-grade designations are recorded on a student's permanent academic record and appear on the transcript. Non-grade designations issued to degree-seeking students do not apply towards graduation and are not used in Grade Point Average (GPA) calculations.

- a. **ADH – Academic Dishonesty Withdrawal**
A student found to have engaged in academic dishonesty may receive an academic dishonesty withdrawal (ADH) designation. For more information, see Academic Integrity and Dishonesty (p. 33). CCC policies for class withdrawals and refunds apply (see Class Withdrawals & Refunds (p. 24) for more information).
- b. **ADR – Administrative Removal from College**
In situations where a student's presence at City Colleges constitutes a substantial and sustained threat to the health, safety and well-being of the college community, the President, in consultation with the College's Supportive Intervention Team (SIT), and with the approval of the District SIT Team, can elect to remove the student from the College or all City Colleges, for a definite or indefinite amount of time. For more information, see Administrative Removal from College (p. 33).

Prior to any removal being finalized, the student will be notified that a removal is being considered and the basis for the proposed administrative removal. The student will be given an opportunity to provide medical and other relevant information regarding the proposed removal to the Dean of Student Services for SIT review. See Supportive Intervention Team (SIT) (p. 33) for more information.

An administrative removal will result in an ADR indicator on the student's permanent academic record. CCC policies for class withdrawals and refunds apply (see Class Withdrawals & Refunds (p. 24) for more information).
- c. **ADW – Administrative Withdrawal**

Students are required to attend class. A student may be awarded an administrative withdrawal (ADW) at midterm if the instructor determines that the student is not actively pursuing completion of the course, based upon the instructor's active pursuit criteria. Instructors are required to publish their measures of active pursuit and distribute them to students via their class syllabus during the first week of class. Active pursuit may be measured by class participation, taking required examinations, quizzes, submission of papers, work assignments, class attendance, etc.

A student in an **ONLINE** class may be awarded an administrative withdrawal (ADW) **between midterm and the last day for student initiated withdrawal** if the instructor determines that the student is not actively pursuing completion of the class, based upon the instructor's active pursuit criteria. Instructors are required to publish their measures of active pursuit and distribute them to students via their class syllabus during the first week of class. Note: a student who logs into the learning management system (LMS, see Learning Management System (p. 53)) or another e-learning platform and engages in no other academic activities is **NOT** actively pursuing the class. That is, merely logging in to an online course does not constitute active pursuit.

Students who have been issued an ADW by the instructor may, at the request of the instructor, be reinstated (RNS) into the class. See RNS – Reinstatement (in a Class) (p. 11) for more information.

If a student receiving an ADW repeats that course, only the last grade received will be included in the Grade Point Average (GPA) calculations; however, both grades will appear on the permanent academic record, will appear on the transcript, and will be counted as registered hours to determine Satisfactory Academic Progress and Academic Standing status. **ADWs received from Fall 1982 through Spring 1988 will be counted as F's in a student's GPA calculation.** See Graduation Grade Point Average (p. 11) for more information.

CCC policies for class withdrawals and refunds apply (see Class Withdrawals & Refunds (p. 24) for more information).

d. **AUD – Audit**

Students may register for courses as auditees (that is, without receiving credit) if space is available in the class after all credit-earning students have been enrolled. Auditees must be eligible to enroll in the course, must follow all registration procedures, and must pay all tuition and charges associated with the audited course. Once registration has closed, registered students may not change their registration status from AUD to grade seeking (or vice versa). Students are required to attend and pursue the completion of all required assignments while attending the audited class. A student who audits a class will be issued the final grade of AUD. This grade will not be included in the student's Grade Point Average (GPA) calculation, or as registered hours for the purpose of academic warning or academically dismissed status. Financial aid and federal veterans educational benefits are not available for audited courses.

CCC policies for class withdrawals and refunds apply (see Class Withdrawals & Refunds (p. 24) for more information).

e. **I – Incomplete**

Incomplete "I" designations are non-grade designations received by students who have actively pursued a course and are doing passing work at the end of the course, but who have not completed the course's final examination and/or other specific course assignments due to extenuating circumstances. "I" grades (and a provisional final

grade; see Final Grading, Grading after End of Term (for Incomplete "I" Grades) (p. 52), and Glossary of Terms (p.) for more information) are awarded upon request of the student and at the discretion of the instructor, and must be supported by documentation that explicitly explains the extent of the extenuating circumstances. Students must:

- Have completed at least eighty percent (80%) of the course
- Be able to complete all remaining course requirements without further classroom instruction

"COVID I" incomplete designations are intended for students who actively pursued their Spring 2020 course until March 16, 2020 or beyond during the COVID-19 pandemic in courses included in the Spring 2020 COVID-19 policies appendix (p. 57).

All remaining course requirements must be satisfied and turned into the instructor (or Department Chair in the absence of the instructor) no later than the midpoint of the following term (excluding the Summer term). Otherwise, the "I" grade will lapse to the provisional final grade or an updated final grade based upon remaining coursework completed.

f. **NSW – No-Show Withdrawal**

Students are required to attend class. Students will be issued a no-show withdrawal (NSW) under the following circumstances (see No-Show Withdrawals (NSW) & Refunds (p. 25) for information about the NSW refund policy): Students who have been issued an NSW by the instructor may, at the request of the instructor, be reinstated (RNS) into the class. See RNS – Reinstatement (in a Class) (p. 11) for more information.

- Courses that meet more than once per week: students who do not attend the first two (2) class sessions will be withdrawn from the class by the instructor and issued an NSW.
- Courses that meet once per week: students who do not attend the first class session of a course which meets only once per week will be withdrawn from the class by the instructor and issued an NSW.

g. **NSW – No-Show Withdrawal from Online Courses**

Students registered in online classes will be issued a no-show withdrawal (NSW) if they do not pursue academic activities within the online environment of the course on at least two separate days prior to the statistical (STAT) reporting day of the class (see No-Show Withdrawals (NSW) & Refunds (p. 25) for information about the NSW refund policy). See Glossary of Terms (p. 56) for more information about the Statistical (STAT) Date.

Academic activities may include, but are not limited to, the completion of assignments, exams and quizzes or participation in online discussions. Academic activities do not include merely logging onto the course site (or learning management system – LMS, see Learning Management System (p. 53)), or acknowledging that you have read the syllabus.

Students who have been issued an NSW by the instructor may, at the request of the instructor, be reinstated (RNS) into the class. See RNS – Reinstatement (in a Class) (p. 12) for more information.

h. **RNS – Reinstatement (in a Class)**

- Students may not be reinstated after the last date (available on my.ccc.edu (<http://my.ccc.edu>)) for student initiated withdrawals (WTH).
- A student who is reinstated (RNS) by the instructor after having received a no-show withdrawal (NSW) may elect to withdraw

(WTH) from the class prior to or on the last date for student initiated withdrawal.

- A student who is reinstated (RNS) by the instructor after having received an administrative withdrawal (ADW) may not elect to withdraw (WTH) from the class at a later time.
- A student may not be reinstated (RNS) following an academic dishonesty withdrawal (ADH), an administrative removal from college withdrawal (ADR), a student initiated withdrawal (WTH), or a voluntary medical withdrawal (VMW).

i. **VMW – Voluntary Medical Withdrawal**

A student who is experiencing a physical or mental health issue that significantly interferes with the student's wellbeing, safety, or academic performance may request a voluntary medical withdrawal (VMW), which must be made for all classes.

The student will initiate a request for a voluntary medical withdrawal or a request to return from a voluntary medical withdrawal by notifying the Dean of Student Services. After consideration, the Dean of Student Services will make a recommendation to the President who will make the final decision to grant or deny the student's request.

CCC policies for class withdrawals and refunds apply (see Class Withdrawals & Refunds (p. 24) for more information).

j. **WTH – Class Drop or Withdrawal**

It is the student's responsibility to officially drop or withdraw from classes. A class drop or withdrawal (WTH) may be initiated by the student or by the college. Failure to drop or withdraw from a class may result in mandatory payment of tuition and charges (including book charges), forfeiture of financial aid eligibility, and/or a failing grade (see Class Withdrawals & Refunds (p. 24)).

A student may withdraw from an enrolled class prior to or on the Last Day for Student Initiated Withdrawal (available on my.ccc.edu (<http://my.ccc.edu/>)). Thereafter, the student may withdraw during the remainder of that term only with the approval of the College President or designee upon demonstration of extenuating circumstances. A student may drop or withdraw from a class (WTH) by visiting my.ccc.edu (<http://my.ccc.edu/>). The WTH will appear on the student's permanent academic record, but will be excluded from Grade Point Average (GPA) calculations. A class withdrawal occurring after the Statistical Date will be counted as registered hours (i.e., the class will appear on the transcript and will count as a course attempt for financial aid purposes). See Office of the Registrar (<http://www.ccc.edu/registrar/>) for more information. See Glossary of Terms (p. 56) for more information about the Statistical (STAT) Date.

Spring 2020 students who actively pursued their course as of March 16, 2020 who withdraw or receive an ADW will have the opportunity to retake the course in its entirety at no cost if they repeat the course prior to the end of the Spring 2023 term.

k. **NSW (No-Show Withdrawal) & ADW (Administrative Withdrawal) – Adult Education Students**

- **NSW.** A student enrolled in an Adult Education class who is absent for the first three (3) class meeting days will be withdrawn from the class and issued an NSW.
- **ADW.** After five (5) consecutive absences, if the student is absent on the next scheduled class day, the student will be assigned an ADW and shall not be readmitted into that class for the remainder of the term.

l. **NC (No Credit)**

For Spring 2020 courses, except for those in the first eight-week session, any student may elect for a grade to convert to NC (no

credit) in the event that a grade of D or F is earned. The student must opt for the NC designation prior to the end of the semester. A subsequent final grade of D or F will convert to NC. A subsequent final grade of C or higher will stand as a letter grade.

Section 3.14 Adult Education Program Enrollment Exclusions

Adult Education students who are unable to complete their course or coursework must officially withdraw from classes by completing withdrawal forms in the Office of the Registrar (<http://www.ccc.edu/registrar/>) or in the Adult Education Office (<http://www.ccc.edu/departments/Pages/Adult-Education.aspx>).

Section 3.15 Midterm Grades

Procedures: Midterm Grades – Credit Students – Procedures (p. 84).

a. **Midterm Grades – Credit Students**

Midterm grades are issued to students after the mid-point of the session and/or class. Note: midterm grades are not recorded for certain short duration classes.

b. **Midterm Grades – Adult Education Students**

At midterm, a non-grade designation or grade on the midterm class list, as appropriate, will be issued to each Adult Education student. The course instructor/Adult Educator is required to maintain on file documentation to support the basis of non-grade designations given.

Section 3.16 Appeal Instructional Grading, Academic Dishonesty, or Enrollment Status

Renamed: formerly Appeal Instructional Grading or Academic Honesty.

Policy History: Appeal Instructional Grading, Academic Dishonesty, or Enrollment Status (p. 72)

Procedures: Appeal Instructional Grading, Academic Dishonesty, or Enrollment Status – Procedures (p. 84).

a. **Appeals – Final Grade or Academic Dishonesty**

Students may appeal a final grade or a finding of academic dishonesty (see Academic Integrity and Dishonesty (p. 33)) following the prescribed process. Only the final grade or a finding of academic dishonesty for a course may be appealed (individual assignment or examination grades may not be appealed). An appeal may be initiated if the student:

- Is able to demonstrate that an inappropriate final grade was assigned as a result of prejudice, caprice, or other improper conditions such as mechanical error or assignment of a final grade inconsistent with those assigned other students
- Wishes to challenge a finding of academic dishonesty and/or a reduction of the final grade

b. **Grade Appeals Process**

Grade appeals must:

- Be initiated by the student within thirty (30) calendar days after the student's final grade is posted in the student information system
- Conclude within one term (excluding the Summer term) of the original final grade's assignment (one additional term will be allowed for Incomplete ("I") grades), and

- Follow the prescribed final grade or academic dishonesty appeal process.

c. **Appeals – Final Enrollment Status**

Beginning with the Spring 2018 term, students may appeal their final enrollment status within thirty (30) days of the end date of the term during which the non-grade designation was applied by contacting the Office of the Registrar (<http://www.ccc.edu/registrar/>) of the college where the class was offered. See Non-Grade Designations (p. 11) for more information.

A change will only occur when it is a documented error on behalf of the institution or for legitimate academic reasons. Changing student records solely for financial purposes (such as to reduce or eliminate a charge) is prohibited and a violation of CCC policy.

Note: questions regarding NSWs or ADWs issued to students during the term should be directed to the instructor. See NSW – No-Show Withdrawal (p. 11), NSW – No-Show Withdrawal from Online Courses (p. 11), ADW – Administrative Withdrawal (p. 11), and RNS – Reinstate (in a Class) (p. 11).

Section 3.17 Repeating & Retaking Courses

Renamed: formerly Repeating Courses.

Policy History: Repeating & Retaking Courses (p. 73)

Procedures: Repeating & Retaking Courses – Procedures (p. 85).

Students may repeat or retake credit courses for two reasons: (a) the course is an Allowed Repeatable Course (ARC) or (b) to improve a grade, as covered below.

Conditions under which students may retake an Adult Education or Continuing Education - Personal & Professional Development course are outlined in sections (d) and (e) of this policy. Note: although a student may be permitted or required to retake a course for graduation, there are limits as to how many times a course can be repeated or retaken and be eligible for financial aid and federal veterans educational benefits.

- For financial aid purposes, once a student receives a passing grade (D or better) in a course, financial aid can only be applied for one more graded attempt. Although withdrawals do not count as paid graded attempts, they can impact a student's Satisfactory Academic Progress (SAP) (p. 27).
- For the purpose of federal veterans educational benefits (see Veterans Education Benefits (p. 27)), a student may be certified for a repeated or retaken class if his/her program requires that the student retake the class to earn a higher grade. However, repeating or retaking a class more than twice may lead to a revision of the student's enrollment certification in a previous term which may create a debt for the student with Veterans Affairs. Veterans are advised to discuss the impact of repeated or retaken courses with the School Certifying Official (in the Financial Aid Office (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>)) prior to requesting that the repeated or retaken course be certified. Note: this paragraph also applies to Post 9/11 GI Bill (Chapter 33) tuition benefits (see Post 9/11 GI Bill (p. 92)[®] (Chapter 33) and Montgomery GI Bill (Chapter 30) (p. 92)).

a. **Allowed Repeatable Courses (ARC)**

Certain courses are considered Allowed Repeatable Courses (ARC) because the course content changes each term or from student

to student (for example art, music, physical education, student newspaper, and other special topics courses). All credit hours and grades earned appear on the student's permanent record and transcript, but only the **last credit hours and grades** earned in an ARC repeat sequence up to the allowable maximum are included in GPA calculations. Students who receive an "F" grade on an ARC course may repeat the course to improve the "F" grade, in which case the final grade of the next course attempt will be included in GPA calculations (instead of the "F" grade).

b. **Retaking Courses**

Students may retake a course to improve a grade as long as they meet the enrollment requirements for the course: students who earn a "D" or "F" grade in a course may repeat the course; students who earn a grade of "C" or better may repeat the course only once. All credit hours and grades earned appear on the student's permanent record and transcript, but only the **last credit hours and grade** earned (even if the last grade is not the highest grade earned for the course) is used in the student's GPA calculations. Note: transfer credit may not be used to exclude CCC grades in GPA calculations.

c. **Repeating Courses that are no longer offered.**

Students who earn a grade of "D" or "F" in a course that is no longer offered by any of the City Colleges of Chicago, can enroll in an appropriate replacement course, as long as they meet the enrollment requirements for that course, to replace the GPA calculation for the previous course. All credit hours and grades earned appear on the student's permanent record and transcript, but only the last credit hours and grade earned (even if the last grade is not the highest grade earned for the course) is used in the student's GPA calculations. Note: transfer credit may not be used to exclude CCC grades in GPA calculations.

d. **Retaking a Course – Adult Education**

A student may take an Adult Education course up to four times if required.

e. **Retaking a Course – Continuing Education - Professional & Personal Development**

Students may retake Continuing Education - Professional & Personal Development courses an unlimited number of times.

Section 3.18 Honors

a. **CCC Scholastic Honors**

Full-time students (those completing at least 12 credit hours within a term) are awarded scholastic honors based upon their term grade point average, as follows:

- Honor's List: 3.0 - 3.49
- Dean's List: 3.5 - 3.99
- Presidential Scholars List: 4.0

Graduates of Associate Degree programs are awarded scholastic honors based upon their Graduation GPA (prior to August 1, 2013, the requirement is based upon the higher of Graduation GPA or Cumulative GPA), as follows:

- High Honors: 3.5 or higher
- Honors: 3.0 - 3.49

b. **Additional Honors**

• **Phi Theta Kappa International Honor Society**

- Phi Theta Kappa (PTK) (<http://www.ptk.org>) is a two-year international honor society that has as its hallmark

scholarship, leadership, fellowship and service to the community. PTK is the two-year equivalent of, and is in international partnership with, Phi Beta Kappa. To join, students must:

 - Twelve (12) credit hours of college level coursework with a Graduation GPA of 3.0 or higher on a 4.0 grading scale
- **Sigma Kappa Delta**
 - Sigma Kappa Delta (<http://www.english2.org>) is the English Honor Society for two-year colleges. Students who join this honor society earn the recognition and prestige of membership in a national honor society. Students must meet the following eligibility requirements:
 - All English course grades must be a "B" or higher; and
 - Graduation GPA of 3.0 or higher on a 4.0 grading scale
- **Star Scholar**
Chicago based eligible high school students who graduate high school with a 3.0 GPA and who test completion ready in Math and English are able to pursue a degree or certificate at City Colleges of Chicago at no cost.

For additional information, please visit the CCC Chicago Star Scholarship site (<http://pages.ccc.edu/apply/star/>).
- **National Adult Education Honor Society**
To be eligible for the National Adult Education Honor Society (<http://www.naehs.org>), a student must obtain a qualifying score on the GED® or HiSET® examination and pass the Illinois Constitution examination. Eligible students should speak with the Dean of Adult Education (<https://www.ccc.edu/site/Pages/Adult-Education.aspx>) of their college for more information.

Section 3.19 Deceased Student

Procedures: Deceased Student – Procedures (p. 86).

When a student's death is verified by an official death certificate, CCC updates the student record, forgives CCC indebtedness, and settles the student's financial aid account in accordance with federal regulations. See Posthumous Degree Awards (p. 21).

Article IV. Understanding Program Requirements At CCC

Section 4.01 Guidelines for Degree Programs and Certificate Programs

Policy history: Guidelines for Degree Programs and Certificate Programs (p. 60).

The City Colleges of Chicago offer six Associate degree programs:

- Associate in Arts (A.A.)
- Associate in Applied Science (A.A.S.)
- Associate in Engineering Science (A.E.S.)
- Associate in Fine Arts (A.F.A.)
- Associate in General Studies (A.G.S.)
- Associate in Science (A.S.)

The A.A., A.E.S., A.F.A., A.G.S., and A.S. degrees are highly flexible, allowing students to customize their electives in a variety of concentrations to meet their academic and career goals.

For each degree:

- Degree requirements must be completed with a Graduation Grade Point Average (GPA) (p. 11) of 2.0 or higher.
- A student must earn a grade of C or higher for all courses used to complete the general education core requirements. The general education component enables students to understand and appreciate their culture and environment, to develop a system of personal values that lead to civic and social responsibility, and to attain skills in communication, computation, and critical thinking necessary for future growth as learners and productive members of society.
- All courses submitted for graduation must be numbered 101 or higher, have a PCS code of 1.1 and/or 1.2, and must be part of the approved program of study. Applicable coursework with a minimum grade of "C" may be transferred to any of the City Colleges of Chicago from external regionally accredited institutions, as well as among any of the City Colleges of Chicago (CCC).

a. **Human Diversity Requirement (HD)**

Effective Fall 2012, newly enrolled students, or returning students who have not been enrolled for six consecutive terms, seeking a degree are required to take at least one course to fulfill the State of Illinois Human Diversity (HD) requirement for an Associate degree. The HD requirement must be included in the total number of credits required to earn the degree and should not increase the total number of credits needed for degree completion.

Students may select either an HD course that is approved by the Illinois Articulation Initiative (IAI) or a course designated as an HD course by CCC. IAI approved courses have an IAI number that ends with either the letter 'D' (diversity within the USA) or 'N' (diversity from a non-western perspective, which are designed specifically to examine aspects of human diversity from a non-European perspective). Human Diversity courses are listed on the IAI website and in the CCC Academic Catalog. Students should meet with their Academic Advisor to select general education courses, including a course that fulfills the HD requirement.

Effective requirement term Spring 2017, students seeking an AAS degree in the following programs are no longer exempt from fulfilling the HD requirement:

- Nursing
- Nursing (RN Completion Program)
- Occupational Therapy
- Paralegal Studies
- Physician Assistant
- Radiography

Effective requirement term Spring 2018, students seeking an AAS degree in the following programs are no longer exempt from fulfilling the HD requirement:

- Communications Technology
- Electrical Construction Technology
- Mortuary Science
- Surgical Technology

b. Certificate Programs

Career Program Certificates are awarded for satisfactory completion of a series of credit courses (PCS 1.2, 1.1) or curriculum of 50 semester credit hours or less. Career Programs certificates comprise prescribed curriculum intended to prepare an individual for employment in a specific field. This curriculum must establish relevance based on current labor market data and must be inclusive of specific academic instruction that provides students with employability skills (i.e., “soft skills”).

City Colleges of Chicago awards Basic and Advanced Career Programs certificates.

- Basic Certificates range from 0.5 to 29 credit hours
- Advanced Certificates range from 30 to 50 credit hours

c. General Education Core Curriculum (GECC) Credential

Effective requirement term Fall 2019, the General Education core Curriculum (GECC) Credential is awarded for satisfactory completion of the 37-41 semester credit hours required to satisfy the Illinois Articulation Initiative (IAI) GECC (see Illinois Articulation Initiative (p. 16)). Specific requirements for award are set by the governing Academic Catalog (see Student Program Status & Governing Academic Catalog (p. 19)) this credential satisfies the lower-level general education requirements at transfer institutions that participate in the IAI.

For courses to be included in the GECC Credential, they must have a PCS code of 1.1 and IAI GECC approval status from at least one CCC College at the time the course was taken.

d. General Education Courses

General education courses are defined by type as:

i. Transfer Degrees (AA, AS, AES, AFA)

For the AA, AS, AES, and the AFA degrees, courses that can fulfill the general education requirements for the program must either:

- Be approved by the Illinois Articulation Initiative (IAI) as an IAI GECC Course at any CCC College, or
- Articulate to at least three Illinois public universities as a general education course in that distribution.

ii. Associate in Applied Science (AAS)

General education courses to fulfill the educational plan may be met with any course that meets general education transfer requirements as indicated in the current Academic Catalog, for the particular program. Program requirements supersede

general education requirements described in the transfer degree requirements. Additionally, courses that can fulfill the general education requirements for the program must minimally align with the CCC general education learning outcomes and be identified with an ICCB defined general education category [see procedures for CCC general education learning outcomes].

If a course that does not meet the general education standards is approved as fulfilling the general education requirement for an AAS, that course only meets the general education requirements for the approved program. It cannot be used to fulfill general education requirements for a different program that does not designate the course as meeting the program's general education requirements.

Under this option, courses transfer to receiving institutions on a case-by case basis.

iii. Associate in General Studies (AGS)

The general education component required will represent no less than 20 semester credit hours for completion (per ICCB Rule Section 1501.302.3.B.v) The courses that can be used to satisfy these requirements must be approved in the same way of general education courses for the Transfer Degrees within each distribution.

Section 4.02 Illinois Articulation Initiative

Policy history: Illinois Articulation Initiative (p. 60).

Procedures: Illinois Articulation Initiative – Procedures (p. 86).

City Colleges of Chicago is a participant in the Illinois Articulation Initiative (<http://www.itransfer.org>) (IAI) which is a comprehensive statewide effort among more than 100 colleges and universities in Illinois to ease the transfer of students. IAI became effective for students entering a participating college or university as first-time freshmen during the summer of 1998.

a. Benefits for Students

Students who complete the IAI General Education Core Curriculum (GECC) (<https://itransfer.org/>) at City Colleges of Chicago fulfilling all of the GECC requirements with IAI approved General Education courses and transfer to participating institutions have the assurance that lower-division general education requirements for an associate or baccalaureate degree have been satisfied and the GECC will transfer.

A participating receiving institution may require transfer students to complete an institution-wide and/or mission-related graduation requirement beyond the scope of the Illinois General Education Core Curriculum (GECC).

For each degree program, taking IAI approved courses assures that lower-division general education requirements will transfer to IAI participating institutions. However, students may fulfill CCC general education requirements and graduation requirements with courses that are not IAI approved.

CCC courses receive IAI approval by college. While completion of the GECC Credential includes courses that are approved at any CCC College. In order for a student's course credit to benefit from IAI direct course-to-course articulation and receive the IAI code on their transcript the course must be IAI approved at the college where it was taken.

The GECC does not include a Human Diversity (HD) requirement but students may fulfill the Human Diversity (HD) requirement (see Guidelines for Degree Programs and Certificate Programs (p. 15)) with a course that is IAI approved or a course designated as an HD course by CCC. IAI approved courses that also fulfill the HD requirement have an IAI Number that ends with either the letter 'N' or 'D'. Human Diversity courses are listed on the IAI website and in the CCC Academic Catalog. Students should meet with their Academic Advisor to select general education courses, including a general education course that fulfills the Human Diversity requirement when possible.

Section 4.05 Associate in Applied Science (A.A.S.) Degree

Policy history: Associate in Applied Science (A.A.S.) Degree (p. 60).

An Associate in Applied Science (A.A.S.) degree is an award for the satisfactory completion of a prescribed career programs curriculum intended to prepare students for employment in a specific field. Emphasis in the A.A.S. degree program is placed on the specialized skills that prepare the individual for employment at the professional/technical level.

The total number of semester credit hours required varies by A.A.S. degree program. However, a student must earn at least 60 semester credit hours (CH) but no more than 72 credit hours, except in such fields in which accreditation or licensure by a state or national organization requires additional coursework.

Section 4.10 Consortium Agreement Among the Seven City Colleges of Chicago

Renamed: formerly Consortium Agreement among the Seven City Colleges of Chicago – Community College District 508 – to Accept Courses from Another CCC.

Policy history: Consortium Agreement among the Seven City Colleges of Chicago (p. 61).

Each of the seven (7) Colleges of the City Colleges of Chicago (CCC), as individually accredited institutions, agrees to accept courses from another CCC, for the purpose of assuring that students can complete programs and certificates when courses are taken at multiple colleges of the CCC.

Any student who completes a general education course at one college will receive credit for that course at another City College of Chicago, provided the student completes the course satisfactorily. Students may receive general education credit with a grade of 'C' or better or elective credit with a grade of 'D' or better.

For any given degree or certificate program offered by two or more CCC colleges, any college credit course (including credit by testing, prior learning, or advanced placement) that satisfies a requirement at one CCC college will be honored by all CCC colleges unless specifically precluded by a specialized accreditation or certification, whether or not the course is offered by the graduation college or any other CCC college.

Students who complete one or more core or occupational courses for a program or certificate not offered at another college will receive elective credit for these courses, provided doing so is not precluded by specialized accreditation or certification.

Section 4.11 Physical Education Courses

Renamed: formerly Health and Fitness Science Courses.

Policy history: Physical Education Courses (p. 62).

Procedures: Physical Education Courses – Procedures (p. 86).

All Physical Education courses are electives unless required for a specialized program.

Physical Education courses shall be treated like any other elective and count toward the Associate degrees; however, no more than a total of four credit hours may be used for this purpose.

Section 4.12 Prerequisite Course Substitution

Policy history: Prerequisite Course Substitution (p. 62).

A higher level course that exceeds the outcomes of those achieved in its prerequisites will be accepted as a substitution for the lower, prerequisite course. Any student may use a higher level course as a substitute for the prerequisite when the course has the substituted course listed as

one of its prerequisites (i.e. ENGLISH 102 Composition or ENGLISH 201 Advanced Composition can substitute for ENGLISH 101 Composition).

Requests for substitution should be presented to the Academic or Faculty Advisor and approved by the College Vice President.

This policy does not waive prerequisites or substitute alternate prerequisites for a course.

Regardless of substitution, the total number of required credits for the program must be earned.

Article V. Graduating From CCC

Section 5.01 Student Program Status & Governing Academic Catalog

Renamed: formerly Governing Academic Catalog.

Policy History: Student Program Status & Governing (p. 73)

Procedures: Student Program Status & Governing Academic Catalog – Procedures (p. 86).

a. **Initial Program Assignment**

Upon admission, each entering student is assigned an academic career, program, plan, home college, and an academic requirement term, consistent with focus area and pathway choices made by the student. Students are required to follow the academic program/plan requirements in the Academic Catalog in effect at the time of their enrollment. See Glossary of Terms (p. 56) for more information about home college.

b. **Program/Plan or College Changes**

Students may request to change their academic program/plan and/or home college at any time. The effective date of the change will be the date processed in the student system. The student's degree audit will immediately reflect the program/plan change. A new academic requirement term will be assigned in the student information system effective:

- If the program/plan change is made during the term – the student will be assigned the requirement term of the current term.
- If the program/plan change is made between terms – the student will be assigned the requirement term of the next term.

For financial aid processing and certain reporting purposes, any change made to the student's academic program/plan or home college after the first day of the term or between terms will take effect on the first day of the next term.

c. **Discontinued Students**

Students who have not enrolled in at least one course and earned a final grade in their current academic career for three (3) consecutive terms will be Discontinued and are required to follow the academic plan requirements of the Academic Catalog in effect on their re-enrollment date. See Former Students Returning to the City Colleges of Chicago (p. 5) and Residency Verification – Returning Students (p. 22).

d. **Requirement Term Updates**

- Students enrolled in the same academic program/plan for four (4) calendar years (whether consecutively enrolled or not) will be assigned a new academic requirement term effective the next academic term following the four (4) calendar year period.

- Every four (4) calendar years thereafter until graduation or completion, the student will be assigned a new academic requirement term effective the next academic term following the previous four (4) calendar year period.
- Notwithstanding the above, students may at any time choose to follow the academic program/plan requirements in the current Academic Catalog. Once selected, students may not return to a prior Academic Catalog (requirement term).

Section 5.02 Graduation Requirements for Degrees

Procedures: Graduation Requirements for Degrees – Procedures.
(p. 87)

To be eligible to graduate from any credit degree program, students must earn a grade of “C” or better in all courses used to satisfy core curriculum and/or general education requirements and hold a minimum GRAD-GPA of 2.0 or higher (see Graduation Grade Point Average (p. 11)). Elective courses with a “D” or “S” final grade may count towards graduation (see Grading Basis for Remedial, Credit and Skills Courses (p. 10)). Students who graduated prior to August 1, 2013 must hold either a minimum GRAD-GPA or CUM-GPA of 2.0 or higher.

As college Chief Academic Officer of the college, the Vice President may authorize, upon student appeal, a course directive (substitution). For further information, (see Course Directives (p. 21)).

CCC reserves the right to award a student’s academic plan of record, confirmed by the student, when all requirements for that degree have been met, even if the student has not applied for graduation.

a. **Residency Requirement for Program Completion**

All students with a requirement term of Summer 2016 or earlier must complete a minimum of fifteen (15) credit hours of residency (credit hours earned in CCC classes).

Effective requirement term Fall 2016, all students must complete a minimum of twenty-five percent (25%) of the credit hours required for a degree in residency (credit hours earned in CCC classes).

There is no limitation on the number of transfer credit hours which may be evaluated and posted to a student’s academic record (see Transfer Credit (p. 7)), but residency requirements must be met.

b. **Credit Hour Requirements for Academic Program Completion**

Students are required to fulfill total credit hours and all course requirements needed to satisfy their academic program. Transfer credit hours earned at a quarter system institution are converted to CCC semester hour equivalents (see Transfer Credit (p. 7)). After conversion, students who have earned transfer credit from a quarter system institution may be deficient in overall credit hours required to complete a degree. In such cases, students are not required to retake the same or an equivalent course to satisfy course/discipline credit hour deficiencies, but may need to take additional elective courses to fulfill the total hours required to complete the desired academic program. Students should meet with their College Advisor (<https://www.ccc.edu/departments/Pages/Advising.aspx>) for further information.

c.

Additional CCC Degree

A student may earn an additional degree from CCC. The additional degree must be different from previous degree(s) earned and the student must enroll in and successfully complete a minimum

of fifteen (15) additional credit hours toward the new degree in residency (credit hours earned in CCC classes) after the latest degree has been posted to the student’s academic record.

Effective Fall 2015, a subordinate degree may not be awarded concurrently or after earning a higher level degree. A subordinate degree is defined as a degree whose requirements are inclusive within the requirements of another (higher level) degree. Accordingly, a student who has earned an A.A., A.S., A.E.S., A.F.A., or A.A.T. degree may not be awarded an A.G.S. degree, even if the student complies with the requirements for earning an additional degree. However, an A.A., A.S., A.E.S., A.F.A., A.A.S., or A.A.T. degree may be awarded after earning an A.G.S. degree.

Section 5.03 Certificate Completion Requirements

To be eligible for a Certificate of Completion in any credit certificate program, students must successfully complete all certificate-specific courses which constitute a Basic Certificate or an Advanced Certificate with a final grade of “C” or better (for A-F grading basis courses) or a final grade of “S” (for Satisfactory/Unsatisfactory grading basis courses). (See Grading Basis for Remedial, Credit and Skills Courses (p. 10)).

As college Chief Academic Officer of the college, the Vice President may authorize, upon student appeal, a course directive (substitution). For further information, (see Course Directives (p. 21)).

CCC reserves the right to batch-award certificates when a student completes all certificate requirements.

Effective for the Fall 2015 term, all students must complete a minimum of twenty-five percent (25%) of the credit hours required for a certificate in residency (credit hours earned in CCC classes).

Section 5.04 Degree or Certificate Conferral Date

Degrees and certificates are conferred on the last day of the term during which CCC confirms that all academic program requirements have been met. Additionally,

- For degrees: students must confirm before the degree is awarded (see Graduation Requirements for Degrees (p. 20)).
- For certificates: (see Certificate Completion Requirements (p. 20)).

Section 5.05 Previously Conferred Credentials

Students may not enroll in an academic program/plan which has been previously conferred or in a degree program which is subordinate to a previously conferred degree (see Additional CCC Degree (p. 20)). Upon completion, students who wish to continue to take classes must enroll in a different academic program/plan (not previously awarded).

Section 5.06 Graduation College

Policy history: Graduation College (p. 75).

a. **Graduation College for Degrees**

The Graduation College (college that confers the credential) for any degree program is as follows:

- Students enrolled in a signature (selective enrollment) program: Students enrolled in a signature program will graduate from the college where the student is enrolled.
 - Students enrolled in any other (non-signature) program: Students will graduate from the college that offers the academic program where the majority (or greatest number if no majority) of the student's Graduation Credit Hours (excludes remedial hours) were earned. In case of a tie between two or more colleges (equal number of Graduation Credit Hours earned from each college and each college offers the degree program), then the student may select his/her Graduation College.
- b. **Graduation College for Certificates**
The Graduation College (college that confers the credential) for any certificate program is as follows:
- The college where the majority of the certificate-specific credit hours were earned will confer the certificate. In case of a tie between two or more colleges (equal number of certificate-specific credit hours earned from each college and each college offers the certificate program), then a Graduation College will be selected for the student.
 - If a student completes all certificate requirements at a college that does not offer the certificate program when the award is conferred, then a Graduation College will be selected for the student from among the CCC college(s) that offer the program.
- c. **Graduation College for Credentials**
The Graduation College (college that confers the credential) for any credential program is as follows:
- The college where the majority of the credential-specific credit hours were earned will confer the credential. In case of a tie between two or more colleges (equal number of credential-specific credit hours earned from each college and each college offers the credential program), then a Graduation College will be selected for the student.
- d. **Graduation College for Additional Degrees**
The Graduation College for an additional degree will be the college that offers the academic program where the majority (or greatest number if no majority) of the student's incremental Graduation Credit Hours (excludes remedial hours) required for the additional degree were earned. In case of a tie between two or more colleges (equal number of incremental Graduation Credit hours earned from each college and each college offers the academic program), then the student may select his/her Graduation College.

In the case of a student's death from any cause (see Deceased Student), the student's academic record will be reviewed. Students who have been approved to graduate will be awarded the certificate or Associate's Degree for which the student is eligible.

Deceased students who have completed a minimum of 45 graduation hours toward any Associate's Degree or have completed a minimum of 75% of a certificate program at the time of the student's death are also eligible for a posthumous degree or certificate award after verification of the requisite number of graduation hours or percentage of program completion.

This policy may be administered retroactively and applies also to students who have died prior to the effective date of this policy.

Section 5.09 Adult Education Graduation Requirements

To participate in the Adult Education Program graduation ceremony, students must earn their high school equivalency degree and pass the Illinois Constitution test. Those who wish to participate should visit the Adult Education Office (<http://www.ccc.edu/departments/Pages/Adult-Education.aspx>) of their college for information and procedures.

Section 5.10 Course Directives

Procedures: Course Directives – Procedures (p. 87).

As Chief Academic Officer of the college, the Vice President may authorize, upon student appeal, a course directive (substitution) wherein a successfully completed course outside of the curriculum may be used to satisfy a requirement of the student's academic program.

Appeals for course directives will be initiated by the student, decided and approved on a per student case-by-case basis, and entered into the student information system. No "blanket" course directives (intended to apply to certain types of students or situations), which in effect change credential requirements, are allowed. A student's appeal will be submitted to and decided by the projected graduation college (see the Graduation College (p. 20) policy). Approved course directives will be honored at all CCC colleges. Course directives may not be used to reduce or change academic plan requirements. Therefore,

- Course directives may not reduce the residency requirement for program completion.
- Course directives may not reduce GRAD-GPA or core course grade requirements, including general education course requirements.
- Remedial courses may not be substituted for college level course requirements.

Section 5.07 Revocation of Degrees or Certificates

Procedures: Revocation of Degrees or Certificates – Procedures (p. 87).

CCC reserves the right to revoke an awarded degree or certificate for the discovery of previously unknown fraud or academic integrity violations in receipt of the degree or certificate (see Academic Integrity and Dishonesty (p. 33)), or for the discovery of previously unknown egregious disciplinary violations committed by a student prior to the conferral of such degree or certificate.

Section 5.08 Posthumous Degree Awards

Policy history: Posthumous Degree Awards (p. 62).

Procedures: Posthumous Degree Awards – Procedures (p. 87).

Section 5.11 Credential Completion Requirements

To be eligible for a Certificate of Completion in any credit credential program, students must successfully complete all credential-specific courses which constitute a credential with a final grade of "C" or better (for A-F grading basis courses). (See Grading Basis for Remedial, Credit and Skills courses (p. 10)).

As Chief Academic Officer of the college, the Vice President may authorize, upon student appeal, a course directive (substitution). For further information, see Course Directives.

CCC reserves the right to batch-award credentials when a student completes all credential requirements.

Students holding F-1 academic student visas and all other non-immigrant visa classes listed in Admissions – International Students must pay international tuition rates regardless of residency.

Students who change their visa status will retain the tuition rate of their current visa status until their change of status is approved by U.S. Citizenship and Immigration Services. Their new tuition rate will begin with the next term of enrollment. A copy of the approved documentation is required to process any change in tuition rates.

Likewise, international students who become U.S. permanent residents (green card) will retain the tuition rate of their previous visa status for the duration of the current term. Their new tuition rate, if applicable, will begin with the next term of enrollment. A copy of the permanent residency card (green card) is required to process any change in tuition rates.

k. **Online Learning Students**

For purposes of determining tuition and charges, students enrolled in online learning courses are subject to the same residency requirements as all other students. Note: students must be a resident of the State of Illinois to enroll in online learning classes.

l. **Adult Education Students**

All Adult Education classes and instructional materials are provided free of charge to students. The following students are ineligible for Adult Education classes:

- Students who reside outside of the State of Illinois, and
- Students holding an F-1 academic student or J-1 visa.

m. **Alternate Residency Certification**

If a student's name does not appear on residency verification documents, student may fill out and submit an Alternate Residency Certification. Student must follow requirements listed on the CCC website.

Tuition and charges are payable at the time of registration. Other charges are payable when incurred. Students are required to make payment arrangements each term.

Acceptable forms of payment include: cash, check, credit/debit cards, enrollment in CCC's online payment plan, or a Financial Aid Deferment. Beginning with the Spring 2018 term, to align and maintain compliance with federal financial aid rules, appeals of tuition or other charges must be submitted in writing within thirty (30) calendar days following the end date of the term in which the disputed charge(s) were posted in the student information system. Appeals submitted after the thirty (30) day time period will not be considered unless the student can provide valid documentation that shows he/she was medically incapacitated or incarcerated and, therefore, unable to appeal during the thirty (30) day timeframe.

Note: Enrollment changes may impact financial aid eligibility or reduce aid (including waivers) resulting in a balance owed by the student (see Non-Grade Designations for further information).

Section 6.05 Tuition Assistance – Chargebacks & Cooperative Agreements

Renamed: formerly Tuition Chargeback.

Policy History: Tuition Assistance – Chargebacks & Cooperative Agreements (p. 62)

Procedures: Tuition Assistance – Chargebacks & Cooperative Agreements – Procedures (p. 88).

City Colleges of Chicago has cooperative agreements with other Illinois public community college districts that enable CCC District 508 residents to enroll in occupational programs not currently offered by CCC at in-district rates for that college. Students must apply for approval by CCC to receive this benefit.

Applications for a cooperative agreement or chargeback will only be approved if submitted according to CCC procedures and guidelines posted on the website. Students must be in good standing with CCC to receive approval.

The determination if an occupational program is not currently offered at CCC is made at CCC's sole discretion.

Non-Chicago residents who wish to enroll in a college level academic program that is not available at a community college in their district should apply for tuition assistance to their local community college board office or to their high school district in those districts having no community college board.

Section 6.11 Class Withdrawals & Refunds

Renamed: formerly Student Initiated Withdrawals & Refunds.

Policy History: Class Withdrawals & Refunds (p. 74)

Procedures: Class Withdrawals & Refunds (p. 111)

It is the *student's responsibility* to officially withdraw from classes.

This policy refers to refunds resulting from class drops or withdrawals, whether initiated by the student or by the college. Failure to drop or withdraw from a class by the Tuition Refund Date may result in mandatory payment of tuition and charges (including book charges), forfeiture of financial aid eligibility, and/or a failing grade. The Tuition Refund Date and other key dates may be found in the student portal (my.ccc.edu (<http://my.ccc.edu/>)). Financial Aid will be adjusted as appropriate for students who withdraw or are withdrawn from classes.

a. **Refunds – Credit or Skills Classes**

Refund Period

Refunds for class drops or withdrawals (see WTH – Class Drop or Withdrawal) may be available, subject to the Refund Amount paragraph below, only if processed and recorded in the student information system by the Tuition Refund Date for the class. No refund will be allowed if the drop or withdrawal is recorded after the Tuition Refund Date. The Tuition Refund Date may be found in the student portal (my.ccc.edu (<http://my.ccc.edu/>)). No refund is allowed for non-refundable charges (see Non-Refundable Other Charges).

Class Cancellation

If the college cancels a class, all applicable charges, subject to the Refund Amount paragraph below, will be fully refunded and students will be notified of the cancellation by a message sent to their CCC email account.

Refund Amount

Students may qualify for a tuition refund **only** if **both** of the following criteria are satisfied:

1. The class drop or withdrawal must be recorded in the student information system by the specific deadlines noted in the Refund Period paragraph, above, or the class must have been cancelled by the college, **and**
2. The class withdrawal or cancellation would result in a lower tuition charge (see Tuition – Credit and Skills) or results in the withdrawal and/or cancellation of all classes.

b. **Refunds – Continuing Education - Professional & Personal Development**

Refunds for class drops or withdrawals (WTH) are available at one hundred percent (100%) of tuition and charges if processed and recorded in the student information system before the published start date of class (less applicable course withdrawal charges and non-refundable charges). No refunds are issued once classes have begun.

If the college cancels a class, all applicable charges for that class will be fully refunded and students will be notified of the cancellation by a message sent to their CCC email account.

c. **No-cost re-takes for students who complete any course and receive a final grade or a NC in Spring 2020 classes:**

1. Students who actively pursued their coursework and received a final grade or a NC (no credit due to COVID-19) will have one future opportunity to retake the course in its entirety at no cost. Students must repeat the course prior to the end of the Spring 2023 term for the free retake opportunity. The last credit hours and grade earned (even if the last grade is not the highest grade earned for the course) is used in the student's GPA calculations. Courses in the Spring 2020 first eight-week mini-term are not eligible for retake. Spring 2020 first eight-week mini-term are not eligible for retake.
2. Students who withdraw or receive an administrative withdraw will have the opportunity to retake the course in its entirety at no cost. The student would need to actively pursue the course until at least March 16, 2020 due to CCC changes from COVID-19 and must repeat the course prior to the end of the Spring 2023 term for the free retake opportunity.

Section 6.12 Refunds Issued to Students

Students who receive a refund due to financial aid (e.g., Pell Grant) or a third-party payment on their account and are no longer entitled to that refund due to change in eligibility are required to repay the amount of the

refund in full. Any amount that a student receives in the form of a refund related to state, federal or third party funding cannot be waived.

Section 6.13 No-Show Withdrawals (NSW) & Refunds

Procedures: No-Show Withdrawals (NSW) & Refunds (p. 111)

Students may be subject to a financial penalty for classes with no-show withdrawals (NSW). See NSW – No-Show Withdrawal more information about NSWs, specifically, under what circumstances an NSW will be applied.

Section 6.14 Federal Financial Aid Eligibility

Policy History: Federal Financial Aid Eligibility (p. 62).

Procedures: Federal Financial Aid Eligibility – Procedures (p. 92).

The eligibility of students to participate in federal student financial aid programs is determined by several criteria, including but not limited to enrollment status, financial need, and satisfactory academic progress. As it is impossible to list all financial aid policies and procedures in this document, students should contact the Financial Aid Office for more detailed information or a personal review of eligibility. The City Colleges of Chicago participate in the following federal and state financial aid programs:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant
- Federal Work Study
- Federal Direct Student Loans
- Federal Parent Loan for Undergraduate Students (PLUS Loan)
- Monetary Award Program Grant (MAP Grant)

Please visit the Financial Aid Office for a listing of the eligibility criteria for each of these programs.

For most programs, students are required to have earned a high school diploma (foreign or domestic), high school equivalency, or have completed high school through home-schooling to qualify for financial aid. If you have not completed one of these requirements and attended an accredited college prior to enrolling at CCC, please check with the Financial Aid Office to determine if you qualify for an exception to this rule.

Additionally, students who are enrolled in an eligible career pathway program may establish eligibility by:

- Passing an independently administered Department of Education approved Ability to Benefit (ATB) test; or
- Completing at least 6 credit hours or 225 clock hours that are applicable toward a degree or certificate offered by the postsecondary institution.

Federal student financial aid is available for students whose educational intent is to earn a financial aid eligible degree or certificate. Your Financial Aid Office can provide a comprehensive listing of programs that are financial aid eligible at CCC. Note: students can only receive financial aid for courses that apply to their academic program. Therefore, it is important that students meet with a College Advisor prior to registration to ensure that their courses are program applicable and eligible for

financial aid. For information on repeating courses and Financial Aid, see Repeating & Retaking Courses. For information about receiving financial aid when concurrently enrolled (at CCC and at a non-CCC institution), see Concurrent Enrollment outside the District.

Financial aid recipients have many rights and responsibilities. A brief summary of these rights and responsibilities are detailed below. Students must:

- Complete all requested forms accurately
- Use all financial aid received solely for educational expenses related to attending CCC
- Submit in a timely manner all additional documentation requested by the Financial Aid Office
- Meet all Satisfactory Academic Progress (SAP) policies

Students have the right to:

- Know how financial need was determined
- Know how financial aid will be distributed
- Request an explanation of programs in the financial aid package
- Refuse any aid offered
- Request an explanation of CCC's refund policy
- Know what portion of financial aid must be repaid and what portion is a grant. If a loan has been received, students have the right to know the interest rate and loan repayment options and procedures
- Examine the contents of financial aid records provided a written request is made to the Financial Aid Office. Students may not review confidential records submitted by parents without the written consent of the parent whose information has been submitted.

CCC is required to establish Satisfactory Academic Progress (SAP) policies for federal and state financial aid recipients in accordance with United States Department of Education regulations [34CFR668.34]. These standards ensure that only students demonstrating satisfactory academic progress towards the completion of their documented educational intentions and goals can continue to qualify to receive financial aid. For more information, see Satisfactory Academic Progress.

Students must satisfy the conditions described in City Colleges of Chicago Academic & Student Policy, as well as all other federal and state requirements, to be eligible for financial aid. CCC will review the enrollment status and progress of students at the end of each semester/term.

If a student is suspected of providing fraudulent information to any entity in the school for the purpose of receiving federal or state financial aid, per federal regulation, CCC will notify the U.S. Department of Education Office of Inspector General. The student will not be able to receive federal or state financial aid until the U.S. Department of Education Office of Inspector General provides a response allowing federal student aid eligibility or the end of the financial aid award year.

Section 6.15 Return of Title IV Funds

Students who withdraw (officially withdraw (WTH) or unofficially withdraw) before the sixty percent (60%) point of the term, or are administratively withdrawn (ADW) from all of their financial aid eligible classes, will be required to return a portion of the Title IV funds they have received. Title IV funds include Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, and Federal Direct Loans. CCC uses a federally mandated Return to Title IV calculation, "R2T4," to determine the

percentage of financial aid the student has earned, which is based on the percentage of the term he/she completed.

- After beginning attendance in a term, if a student withdraws from all classes and does not confirm attendance in a class beginning later in the same term, the R2T4 requirements apply.
- If a student withdraws from all classes during a term, but at the time of withdrawal performed.
- If a student withdraws from all classes during a term, and at the time of withdrawal provides confirmation that they will attend a course that begins later in the same term, the student is not considered to have withdrawn and no R2T4 calculation will be provided confirmation that they will attend a course that begins later in the same term, but fails to attend the later class, then the student is considered to have withdrawn and an R2T4 calculation will be performed.
- If a student who withdrew or stopped attending classes returns to the school within the same term, the student is treated as though he or she did not cease attendance. If an R2T4 calculation was performed and aid returned, CCC will reinstate Title IV program funds.

CCC performs R2T4 calculations within thirty (30) days from the date that CCC determines a student's complete withdrawal. CCC must return the funds within forty-five (45) days of the date CCC determines a student's withdrawal. Using the R2T4 formula, CCC determines the earned and unearned portions of Title IV aid as of the date the student ceased attendance based on the amount of time the student spent in attendance. The R2T4 calculation prorates a student's financial aid eligibility according to the number of days the student attended classes. The number of days in attendance determines the amount of aid that is earned, and the remainder must be returned to the federal government. If a student attends at least sixty percent (60%) of the term, then the student is considered to have earned all of his/her financial aid and will not be required to return any eligible federal funds. If a student did not receive all of the funds that were earned, the student may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, CCC must get the student's permission before disbursing the funds. Students may choose to decline some or all of the loan funds so that they do not incur additional debt. CCC disburses any Title IV grant funds a student is due as part of a post-withdrawal disbursement within forty-five (45) days of the date CCC determines the student withdrew, and disburses any loan funds a student accepts within one hundred eighty (180) days of that date. CCC may automatically use all or a portion of a student's post-withdrawal disbursement of Title IV funds for tuition and fees.

If it is determined that a student has received financial aid in excess of his/her eligibility, CCC will return the financial aid overpayment to the Department of Education on the student's behalf. If a student received a refund from any Title IV federal funds that was credited earlier in the term, the student may be required to return a portion of those funds to CCC. This portion represents funds that were intended to pay education-related expenses through the end of each term. The amount to be returned will be calculated from the date on which the student officially withdrew from classes.

An unofficial withdrawal occurs when a student stops attending classes without notifying CCC. The unofficial withdrawal date is determined by the last date of active pursuit, defined in the syllabus, determined by the instructor. If the date cannot be determined, the unofficial withdrawal

date will be the midpoint of the session the class was taken in. An unofficial withdrawal does not change the final grade.

If R2T4 is required and the return of funds results in a balance on the student's account, he/she is responsible for paying that balance to CCC. If the student does not pay his/her balance, a delinquency hold will be applied to the student's account, and the student will not be permitted to register or order transcripts until the balance is satisfied. Per federal regulations, there is no appeal policy for the R2T4 calculation.

Funds that are returned to the federal government are used to reduce the outstanding balances in individual federal programs. Title IV federal funds returned must be allocated in the following order:

1. Federal Unsubsidized Direct Loan
2. Federal Subsidized Direct Loan
3. Federal Direct Parent Loan (PLUS)
4. Federal Pell Grant
5. Federal Supplemental Educational Opportunity Grant (SEOG)

Section 6.16 Satisfactory Academic Progress

Policy History: Satisfactory Academic Progress (p. 62)

Procedures: Satisfactory Academic Progress – Procedures (p. 93).

Federal regulation (34CFR 668, 16(e)) requires that a student receiving federal and state Financial Aid make Satisfactory Academic Progress (SAP) in accordance with the standards set by the College and the federal government. These limitations include all terms of enrollment, whether or not aid was awarded or received.

Effective Spring 2021, progress is measured throughout the academic program by the student's cumulative grade point average (Qualitative) and by credits earned as a percentage of those attempted (Quantitative or Pace of Completion). In addition, students must complete their programs of study before attempting 150% of the credits required to complete the program. The Financial Aid Office will evaluate Satisfactory Academic Progress before Financial Aid is awarded and after grades are posted for every term, starting with their first term of enrollment. Some certificate programs (i.e., shorter than 16 credits in total length) are ineligible for student financial aid, but those credits will be counted toward all SAP requirements (GPA, Completion Rate, Maximum Timeframe, and Developmental Maximum) if the student later enrolls in an eligible program.

The CUM GPA measure includes remedial and college level courses. Pace and Timeframe measures include earned letter grades (A-F grades and Satisfactory/Unsatisfactory grades), transfer credits that apply toward the student's academic program, administrative withdrawals (ADW), student initiated withdrawals (WTH) after the Statistical Date for a class (the date after which the class appears on a student's transcript), repeated courses, and classes for which an incomplete ("I") grade was earned. Remedial courses are excluded from the Pace and Maximum Timeframe measure. Foundational Studies, audited, or cancelled courses do not count in SAP measures.

A student who earns a final grade of "D" or higher may repeat that course only one time and have it covered by financial aid. A one-time SAP reset is available for a student who changes his/her credit academic program,

but SAP resets are always available for a student who completes a credit certificate or degree and starts a new credit program.

A student who fails to maintain Satisfactory Academic Progress for two consecutive terms will lose financial aid eligibility, unless the student successfully appeals.

Section 6.17 Monetary Assistance Program (MAP) Grants

Procedures: Monetary Assistance Program (MAP) – Procedures (p. 96).

MAP Grants are funded by the State of Illinois. Awards are posted to student accounts when the funds are received for eligible students.

Article VII. Getting Support At CCC

Section 7.01 Veterans Education Benefits

Policy History: Veterans Education Benefits (p. 75)

Procedures: Veterans Education Benefits – Procedures (p. 96).

In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill* (Ch.33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payments to the institution is pending from the VA. This school will not:

- Prevent their enrollment;
- Assess a late penalty fee to;
- Require they secure alternative or additional funding;
- Deny their access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students may be required to:

- Produce the VA Certificate of Eligibility (COE) by the first day of class;
- Provide a written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies.

Section 7.02 Advance Pay for Veterans

In order to ease the transition to college, the City Colleges will request Advance Pay for a new or returning student if he/she meets certain eligibility criteria. In order to qualify for Advance Pay, a student must:

- Be enrolled at least half-time in program-applicable coursework, and
- Qualify for the certification of VA benefits in an eligible program (Chapters 30, 35, and 1606 only), and
- Not have received GI Bill benefits through CCC in the previous term, and
- Submit a CCC Advance Pay Form to the VA Certifying Official no later than forty-five (45) days before the start of his/her classes.

At the discretion of the Veteran Certifying Official, some exceptions may be made to these eligibility criteria if documented mitigating circumstances prevented the veteran from applying forty-five (45) days prior to the start of his/her classes.

Per the VA, an Advance Pay will pay the first and second month of benefits. If a student's first month of classes is a partial month, the payment will be prorated for the number of days in that month. Since the VA normally pays after a month is completed, a veteran would not receive another payment from the VA for up to 3 months. CCC advises that a student consider this gap between payments before he/she chooses to participate in Advance Pay.

If a student requests Advance Pay and decides not to attend CCC or does not qualify for federal veterans educational benefits for any other reason, he/she will be responsible for repaying the amount of the Advance Pay to Veterans Affairs. The earliest that an Advance Pay check will be available for pick-up from the Business Services office is 30 days prior to the start of his/her courses. The Business Services office will notify the student when his/her check has arrived. If a student requests that his/her Advance Pay be applied to his/her tuition and charges, any remaining credit balance will be refunded to the student according to CCC's regular refund schedule.

Section 7.03 Academic Standards and Veterans

Procedures: Academic Standards and Veterans – Procedures (p. 97).

Students who use federal and/or state veterans educational benefits are required to adhere to CCC's Academic Standing policy (see Academic Standing (p. 11)). Students are not subject to the financial aid Satisfactory Academic Progress (SAP) standards unless they are also applying for financial aid (see Satisfactory Academic Progress (p. 27)), in which case only financial aid benefits are subject to SAP standards.

A veteran, service member, or their family member receiving federal veterans educational benefits can only be certified for courses that are required per his/her Education Plan. Non-required courses will not be eligible for certification. For information about repeated courses and federal veterans educational benefits, see Repeating & Retaking Courses (p. 14).

A student who is receiving federal veterans educational benefits is required to submit official transcripts for all colleges he/she previously attended to the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>) by the end of his/her second term of enrollment at CCC. CCC will not certify future terms of enrollment for any student who fails to submit his/her transcripts within this timeline.

Section 7.04 Students Called to Active Military Service

Procedures: Students Called to Active Military Service – Procedures (p. 98).

The District supports federal initiatives in times of national emergency which require the activation of individuals and/or the call to active duty of reserve units. In such events, the student will not be disadvantaged due to military service prior to or after the call to active duty.

Any dispute in matters controlled by this policy will be resolved by the College President after involvement of all parties to the issue.

Section 7.05 Early College Program

Renamed: formerly Postsecondary College Credit Programs, Dual Credit/Dual Enrollment.

Policy history: Early College Program (p. 63).

a. Definitions

- **Early College Program:** CCC's Dual Enrollment and Dual Credit program for eligible currently enrolled high school students.
- **Dual Enrollment:** An instructional arrangement where an academically qualified junior or senior student currently enrolled in high school also enrolls in a college level course at one of the City Colleges of Chicago. Upon completion, students receive college credit with their earned grade (A-F).
- **Dual Credit:** An instructional arrangement where an academically qualified junior or senior student currently enrolled in high school also enrolls in a college level course taught at their high school by a qualified instructor. Upon completion, students receive both college credit and high school credit with their earned grade (A-F).
- **Continuing Education - Professional & Personal Development Courses:** Continuing Education - Professional & Personal Development courses are **not eligible** for Dual Enrollment or Dual Credit.

Note: high school seniors are not eligible for dual enrollment/dual credit (DE/DC) courses in the summer following their graduation.

b. Tuition and Charges

Tuition and charges are waived for Early College participants enrolled in approved Dual Enrollment/Dual Credit classes (DE/DC). All high school students enrolled in Early College programs must comply with the requirements of CCC's Early College Program regardless of funding source or location of classes. Students are limited in the number of DE/DC classes they may take per term:

- Students may take only **one dual enrollment class** per term, tuition and charges free. However, students may enroll in additional courses but are responsible for all tuition and charges associated with them.
- Students may not enroll in more than 29 credits (lifetime limit) of **dual credit course offerings**, tuition and charges free.

c. Eligibility Requirements

Early College students must meet the following eligibility requirements:

- Admissions requirements for high school students (see High School Students (p. 5)).
- Must be either:
 - Currently enrolled at a Chicago Public Schools (CPS) high school, or
 - A City of Chicago resident enrolled in high school, including home schooled students.

d. Revocation of Early College Eligibility

A student's Early College eligibility will be revoked if any of the following occur:

- Earn a final grade "D" or "F" in a Dual Enrollment or Dual Credit course.

- Receive an NSW for a Dual Enrollment or Dual Credit course.
- Are administratively withdrawn (ADW) from a Dual Enrollment or Dual Credit course.
- Withdraw (WTH) from a Dual Enrollment or Dual Credit course after the Statistical Date. See Glossary of Terms (p. 56) for more information about the Statistical (STAT) Date.
- Students who earn a final grade of D or F during Spring 2020 will not have their eligibility revoked.
- Students who withdraw (WTH) or are administratively withdrawn (ADW) after March 16, 2020 will not have their eligibility revoked (Spring 2020 only)

e. **Reinstatement of Early College Eligibility**

A student whose Early College eligibility has been revoked may be reinstated into the Early College program by:

- Repeating a previously enrolled Early College course in which he/she earned a final grade of “D” or “F,” received an NSW or ADW, or from which they withdrew (WTH). Students are responsible for paying the full cost of tuition and any other charges associated with the repeated course; and
- Successfully completing the course with a final grade of “C” or higher.

f. **Discretionary Status**

The Early College Program is offered at the sole discretion of CCC. Accordingly, it may be awarded or limited at the discretion of the District, is subject to available funding, is non-refundable, and may be changed or cancelled at any time without prior notice.

Section 7.06 Email Account & Portal

Procedures: Email Account & Portal – Procedures (p. 98).

CCC provides a free email account to all students, faculty, and staff. CCC sends all official correspondence via the CCC email account only, and takes measures to ensure that email services operate in a reliable and secure environment and comply with the Family Educational Rights and Privacy Act (FERPA).

Students and faculty are responsible for checking their email account frequently for important information, including financial aid, academic advising, grades, registration, communications from faculty or students, important course updates, assignments and deadlines, quiz and exam dates, general information of interest, etc. In some cases, email is the only notification students or faculty may receive.

Section 7.07 Library Circulation

Access to libraries

The libraries serve current City Colleges of Chicago students, faculty, and staff. A current CCC ID is required (meaning the holder is registered for a given term) to check out materials. All students, faculty, and staff have access to electronic resources (databases, e-books, articles) both on campus and off-campus, with the latter access requiring a CCC username/password for authentication.

Students who were registered in a previous term but not for the current term can access electronic resources using their CCC credentials but are not allowed to check out physical materials such as books from CCC libraries.

Borrowing privileges and off-campus access to electronic resources are not available to CCC alumni.

CCC libraries are open to the public for computer use only and in-library use only of physical materials.

Items can be requested and sent for pickup to the CCC library most convenient for students. Borrowed items can be returned to any CCC library.

Items can be renewed online at library.ccc.edu (<https://library2.ccc.edu/iii/encore/?lang=eng>), in person at a CCC library, or by telephone. Contact information (<https://www.ccc.edu/departments/Pages/Library-System.aspx>) for CCC libraries.

Lending/circulation

Students:

- Loan period is 3 weeks with automatic renewals applied throughout the term, unless a hold has been placed by another patron.
- Late/overdue fines: no overdue or late fines will be applied, with the exception of fines for reserve (library-use only) materials. Fines for non-CCC interlibrary loan items are determined by the lending institution. Items due will be billed unless returned to the library within 21 days of due date. Students are not billed for items lost by fire, flood, or theft; police reports or insurance claims must be provided.
- Reserve items (required textbooks or other materials for a given class) typically do not leave the library and circulate for two hours at a time, with renewals possible only if no one else is waiting for the item. Overdue fines are applied to reserve items.
- Students can check out up to 25 items at a time.
- Lost or unreturned items: Students are responsible for and will be billed for lost or unreturned items. If a late item is returned in good condition no fees will apply. Article VIII. Understanding Your Rights and Responsibilities At CCC

Section 8.01 Students with Disabilities

Procedures: Students with Disabilities – Procedures (p. 99).

No qualified individual with a disability shall, by reason of such disability, be academically dismissed from participation in or be denied the benefits of its services, programs or activities, or be subjected to discrimination. CCC's goal is to promote equality of opportunity and full participation in our services, programs and activities. CCC endeavors to provide reasonable accommodations to qualified individuals in accordance with the Americans with Disabilities Act (ADA) of 1990, Section 504 of the Rehabilitation Act of 1973, and all pertinent federal, state and local anti-discrimination laws. Students who believe they have a need for disability accommodations are responsible for requesting such accommodation(s) and are responsible for providing all requisite documentation to verify eligibility to the Disability Access Center (DAC). DACs (www.ccc.edu/DAC) (<http://www.ccc.edu/DAC/>) will provide reasonable accommodations for qualified students with disabilities as required by law.

Section 8.02 Name Change

Procedures: Name Change – Procedures (p. 99).

a. Legal Name Change

Name change requests must be made in writing; forms are available in the Office of the Registrar. Two identification documents must accompany the request. All documents must indicate the student's new name, at least one of the documents must be a valid photo ID, and at least one document must link the change from former name to current name. Approved identification documents include:

- Marriage certificate
- Divorce decree
- Driver's license (with picture)
- State ID (with picture)
- U.S. military ID (with picture)
- Mexican Consular ID (with picture)
- Social Security card
- Passport
- Court order

The completed name change request and supporting documents will be maintained on file in the Office of the Registrar. Upon verification, the student's name will be changed in the student information system and on the student's record; the former name will remain as history in the student information system. Note: for financial aid purposes, a student's legal name is the name that is on file with the Social Security Administration.

b. Preferred First Name

CCC recognizes that some students identify themselves with names other than their legal name and acknowledges that a preferred first name should be used whenever possible in the course of CCC business and education, except where the use of the legal name is necessitated by CCC business, legal or compliance requirement. CCC permits a student to designate a preferred first name in addition to their legal (primary) name within the student information system.

Some students who indicate a preferred first name may also choose to be referred to by a preferred pronoun. CCC encourages the CCC community to use a student's preferred pronoun.

CCC reserves the right to approve use of the preferred name and in which information systems and student records it will and will not appear. The preferred first name must meet each of the following criteria to be approved for use:

- Is a first name which the student is already using in day-to-day life
- Is not used to avoid a legal obligation or misrepresent oneself, and
- Is not offensive or otherwise inappropriate.

Students may not change their preferred name more often than once per academic year.

Section 8.03 Educational Records – Student Access

Students and former students have the right to inspect and review their educational records. Students and former students must put their request to inspect and review their educational records in writing. This request must be submitted to the chief administrator of the office in which the desired education records are located. The requested educational records will be made available to the student within forty-five (45) calendar days of the student's written request. A staff member of the college office where the student's records are located must be present at all times during the course of the inspection.

During the inspection, the student has the right to request an explanation and interpretation of the records. The student has the right to a copy of the educational records, with the following exceptions:

- The college may refuse the copy, but may not limit the student's right to inspect and review that record. For example, a copy of a student's transcript may be refused if a negative service indicator (hold) for a financial obligation exists. In such a case, no transcripts will be released to other educational institutions.
- The City Colleges does not provide original or copies of third party educational records that have been submitted to the City Colleges.

Section 8.04 Educational Records – Limitations of Students' Rights to Inspect and Review

The college is not required to permit students to inspect and review the following:

- Financial information submitted by parents.
- Confidential letters and recommendations placed in their files prior to January 1, 1975, provided these letters were collected under established policies of confidentiality and were used only for the purpose(s) for which collected.
- Confidential letters and recommendations associated with admission, employment or job placement, or honors to which students have waived right of inspection and review.
- Education records containing information about more than one student; however, in such cases the institutions must permit access to that part of the record which pertains only to the inquiring student.

Section 8.05 Educational Records – Challenge of the Contents

Procedures: Educational Records – Challenge of the Contents – Procedures (p. 99).

Students have the right to challenge the contents of their records which they consider to be inaccurate, misleading, or otherwise in violation of their privacy or other rights. See Appeal Instructional Grading, Academic Dishonesty (p. 13) for information about final grade appeals.

Section 8.06 Educational Records – Disclosure

Procedures: Education Records – Disclosure – Procedures (p. 100).

a. **Disclosure with Written Consent of the Student**

CCC may not release information from a student's record without the student's written consent, except as noted below. Written consent must positively identify the student (student ID number or otherwise), be signed and dated by the student, and specify:

- Records to be released
- Purpose of the disclosure
- Identity of the party(ies) to whom disclosure may be made

b. **Disclosure without Written Consent of the Student**

Written consent of the student is not always required. CCC must release a student's record, as follows:

- Authorized representatives who audit and evaluate federally supported programs or for the enforcement of or compliance with federal legal requirements related to those programs:
 - Comptroller General or Attorney General of the United States
 - Secretary of the United States Department of Health, Education and Welfare
 - United States Commissioner of Education, Director of National Institute of Education
 - Assistant Secretary of Education
 - State or local educational authorities
 - External auditing firms who contract with the District for the purpose of annual compliance reviews
- Student education records may be disclosed to the following:
 - College personnel determined by the college to have a legitimate interest in or need for such records.
 - Officials of other colleges in which a student seeks to enroll, on condition that the issuing institution makes a reasonable attempt to inform the student of the disclosure, or makes such transfer of information a stated institutional policy.
 - Persons or organizations providing to the student financial aid or determining financial aid decisions concerning eligibility, amount, condition, and enforcement of terms of said aid.
 - Organizations conducting studies to develop, validate and administer predictive tests, to administer student aid programs, or to improve instruction. Those organizations may not disclose personal identification of students, and information secured must be destroyed when no longer needed for their projects. Institutions are advised to obtain such assurance in writing.

- Accrediting organizations carrying out their accrediting functions.
- Parents of a student who has established that a student's status as a dependent according to Internal Revenue Code 4 of 1954, Section 152.
- Persons in compliance with a judicial order or a lawfully issued subpoena provided that the institution first make a reasonable attempt to notify the student. In such cases, a letter will be sent to the student at his/her last known address. A copy of this letter should be retained along with the subpoena in the student's file.
- Persons in compliance with a lawfully signed release form from the student.
- Persons in an emergency, if the knowledge of information, in fact, is necessary to protect the health or safety of the student or other persons.
- In specific circumstances, to state and local officials or authorities to whom such information is specifically allowed to be reported or disclosed pursuant to state statute if the allowed reporting or disclosure concerns the juvenile justice system and the system's ability to effectively serve the student whose records are released.
- In specific circumstances, final results of disciplinary proceedings held against a student for a crime of violence or a non-forcible sex offense may be disclosed including disclosure to the victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense.
- In specific circumstances, to a parent of a student under the age of 21 years old regarding the student's violation of any federal, state or local law or of any rule or policy of the institution, governing the use or possession of alcohol or a controlled substance.

Section 8.07 Educational Records – Records of Requests and Disclosures

The college office where the records are located will be required to maintain separated records of requests and disclosures, or personally identifiable information. The records of requests, whether granted or not, will include the name and address of the person(s) requesting the information and his/her legitimate interest in the information. Records of requests and disclosures should not be maintained for the following:

- Those requests made by students for their own use.
- Those disclosures made in response to written requests from students.
- Those made by college officials, administrators, faculty or other college staff member deemed to have the right of access by the administrator in charge of the office from which the student records are being requested.
- Those specified as Directory Information.

Documentation of requests and disclosures of student information must also be made by the college office where the records are kept, and kept in the student's file. This document, once completed, is deemed part of the student's education record and should be incorporated as such; thereby, it must be retained as an official student record for the life of the document to which it refers.

Section 8.08 Educational Records – Parental Access to Information

A student's parent may obtain personally identifiable information from a student's educational records by:

- Obtaining the student's written consent, or
- Having the parent establish the student's dependency as defined by Internal Revenue Code 4 of 1954, Section 152. If the parent is claiming dependency, proof of such must be submitted at the time the request is made.

Section 8.09 Wellness Center Services

Wellness center clinical services are only available to students enrolled in the term in which they are seeking services. The Clinical Director may grant exceptions on a limited basis for faculty and staff, emergency cases, and students in between enrollment periods.

Wellness Center records are never part of a student's educational record. Specifically, Illinois and federal laws subject mental health information, including psychotherapy, counseling, and case management records, to special protections. Generally, the Wellness Centers (<http://www.ccc.edu/departments/Pages/Wellness-Centers.aspx>) release such client records only with the client's written authorization or with an appropriate court order.

The Wellness Centers release confidential records to an individual or agency outside of the Wellness Center only when at least one of the following conditions is present:

- The client provides written permission to release the confidential information by signing an Authorization for Release of Information form.
- There is a clear and substantial risk that the client is in imminent danger of causing serious physical harm to him/herself or others. In these circumstances, staff is legally required to take action for safety and life preservation.
- The client discloses information indicating that a minor child or a vulnerable adult is being abused; in these cases, staff is legally required to report the abuse to the appropriate child or adult protective services agency.
- A court subpoena mandates that the information must be disclosed to a court of law.
- A Wellness Center staff member, intern, therapist, case manager, or counselor is subjected to an investigation or charges against the individual by a state licensing or professional board.
- To comply with the Illinois Student Optional Disclosure of Private Mental Health Information Act.

Section 8.10 College Responsibility Regarding Released Information

A college is responsible for informing parties to whom personally identifiable information is released, that the recipients are not permitted to disclose the information to others without written consent of the student(s). When a response is made pursuant to any request for student information, other than those requests by students, a document with the following statement should be attached to the disclosed information:

"The attached information has been forwarded to you at the request of the student with understanding that it will not be released to other parties. The Family Educational Rights and Privacy Act of 1974 prohibits release of this

information without the student's written consent. Please return this material to us if you are unable to comply with this condition of release."

Section 8.11 Student Responsibilities Regarding Registration and Enrollment

Procedures: Student Responsibilities Regarding Registration and Enrollment (p. 84)

It is the responsibility of each student to become knowledgeable of the policies, procedures, and requirements to satisfy the conditions of registration, and criteria for enrollment in and completion of courses and academic programs. Students are responsible for developing their class schedules, enrolling in the required laboratory courses, and satisfying the prerequisite and/or co-requisite course requirements. Each student must accurately record and provide proof of their residential status (see Student's Responsibility to Maintain Current Address (p. 22)) and demographic data to complete their registration. Failure to fulfill these responsibilities can cause additional charges and/or affect enrollment status. The Colleges will provide a variety of services to help students satisfy their responsibilities.

Section 8.12 Student Records Maintenance

The following records may be maintained by the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>):

- Admissions data and information
- Educational information which constitutes a student's academic record, including bio/demographic information, terms enrolled, course enrollments and class schedules, final grades, non-grade designations, course withdrawals, service indicators (holds), transferred in courses and credits, credits earned by testing or assessment, grade point average, etc.

- Test scores
- Permanent record cards
- Student information cards and class scheduling cards

The following records may be found in the Business Office (<http://www.ccc.edu/departments/pages/Business-Services.aspx>):

Section 8.13 Directory Information

City Colleges of Chicago hereby designates the following student information as "Directory Information." Such information may be disclosed by the colleges for any purpose, at their discretion.

Student's name, address, telephone listing, electronic mail (email) address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., full-time or part-time), participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees/certificates, honors and awards received, and the most recent educational agency or institution attended.

Currently enrolled students may withhold disclosure of any of the above "Directory Information" under the Family Educational Rights and Privacy Act of 1974 (FERPA). To withhold disclosure, written notification must be received in the Office of Admissions and Registration. Forms requesting the withholding of "Directory Information" are available in the Office of the Registrar at each of the City Colleges of Chicago.

Failure on the part of a student to specifically request the withholding of "Directory Information" indicates individual approval for disclosure. The FERPA hold remains on the student's record until removal requested in writing by student and they apply districtwide. For additional information regarding FERPA, please check its web site at <http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html> (<http://www.ed.gov/policy/gen/guid/fpco/ferpa/>).

Section 8.14 Supportive Intervention Team (SIT)

Procedures: Supportive Intervention Team (SIT) – Procedures (p. 100).

CCC is committed to protecting the health, safety, and well-being of its students, faculty, and staff. Under the guidance of the *2008 Illinois Higher Education Safety Enhancement Act*, CCC has established Supportive Intervention Teams at each of its Colleges and the District Office.

Supportive Intervention Teams (SITs) are dedicated to maintaining a healthy and safe environment for the CCC community. To achieve this goal, SITs conduct behavioral threat assessments for persons who might pose a safety risk to themselves or others. SITs investigate concerning behavior and assess the level of threat by:

- Developing and implementing an intervention plan for the safety of all;
- Identifying sources of support for the person of concern; and
- Providing ongoing support, monitoring, and recommendations to the College President.

SITs can provide referrals for counseling and other supportive intervention, recommend administrative removal from campus, or recommend that no action be taken.

The SIT Process does not replace the Student Disciplinary Process regarding violations of the Student Conduct Code or the Office of Safety and Security's responsibility for safety on campus. Violations of the Student Conduct Code should be addressed via the Student Disciplinary Hearing process and safety concerns should be reported to Campus Security.

Each City College has its own SIT, as does the District Office. SITs are composed of CCC faculty and staff from a broad range of disciplines

and departments including Student Services, Wellness Center, Security, Human Resources, Disability Access Center, and Faculty personnel. College SIT members are appointed by the President of the College and District SIT members are appointed by the Provost & Chief Academic Officer.

a. **Administrative Removal from College**

In situations where a student's presence at CCC constitutes a substantial and sustained threat to the health, safety and well-being of the college community, the President, in consultation with the College's SIT, and with the approval of the District SIT Team, may remove the student from the College or all City Colleges, for a definite or indefinite amount of time. For more information, see ADR – Administrative Removal from College (p. 11).

b. **Appeal for Readmission after Administrative Removal**

The student will also have the opportunity to appeal any administrative removal to the Provost & Chief Academic Officer, in consultation with the CCC District SIT.

Section 8.15 Student Citizen Rights

The rights afforded students by virtue of registration and enrollment at CCC shall in no manner be construed to nullify or limit any other constitutional or legal rights or freedoms possessed by students as citizens or residents of the United States or the State of Illinois. Foreign-born students have the same rights and responsibilities, except as limited by law.

Section 8.16 Right to Assemble or Organize

Renamed: formerly Right to Organize.

All students of City Colleges of Chicago are free to exercise lawfully their constitutional right to assemble on CCC property. Students may use CCC buildings, facilities, and other services in conformity with approved policies and procedures. CCC may establish reasonable time, place and manner regulations regarding the use of its public facilities to ensure that individuals and groups exercising their legitimate rights do not infringe on the rights of others or disrupt the educational process or other operations of the District.

Students have a right to form or join any college organization or club provided that:

1. the organization or club does not violate CCC's non-discrimination policies; and
2. they submit to (and receive approval from) the Director of Student Activities (or designee).

Such organizations or clubs will be permitted to use college facilities during normal operating hours when such use does not interfere with instructional or other activities at the college. Such organizations or clubs must comply with the rules and regulations of the District.

Section 8.17 Academic Integrity and Dishonesty

CCC is committed to the ideals of truth and honesty. Students are expected to adhere to high standards of honesty and integrity in their academic endeavors. Plagiarism and cheating of any kind are serious violations of these standards.

Academic dishonesty is a serious offense, which includes but is not limited to the following: cheating, complicity, fabrication and falsification, forgery, and plagiarism. Cheating involves copying another student's paper, exam, quiz, or use of technology devices to exchange information during class time and/or testing. It also involves the unauthorized use of notes, calculators, and other devices or study aids. In addition, it includes the unauthorized collaboration on academic work of any sort. Complicity, on the other hand, involves the attempt to assist another student to commit an act of academic dishonesty. Fabrication and falsification, respectively, involve the invention or alteration of any information (data, results, sources, identity, etc.) in academic work. Another example of academic dishonesty is forgery, which involves the duplication of a signature in order to represent it as authentic. Lastly, plagiarism involves the failure to acknowledge sources (of ideas, facts, charges, illustrations, etc.) properly in academic work, thus falsely representing another's ideas as one's own.

In individual cases of academic dishonesty, sanctions may include one or more of the following: an F grade on an assignment where academic dishonesty occurred, a written warning, a failing grade for the course, and/or issuing of an academic dishonesty withdrawal (see ADH – Academic Dishonesty Withdrawal (p. 11)). The severity of the penalty is left to the discretion of the instructor, except the issuing of an academic dishonesty withdrawal which requires Vice President approval. A student may appeal a finding of academic dishonesty (see Appeal Instructional Grading, Academic Dishonesty (p. 13)).

Additional sanctions may be imposed up to and including dismissal from CCC when circumstances warrant it and/or the revocation of a previously awarded degree or certificate (see Revocation of Degrees or Certificates (p. 21)). A student may appeal additional sanctions (see Disciplinary Hearings (p. 36) and Appeal of Discipline (p. 37)).

Section 8.18 Standards of Conduct

Policy History: Standards of Conduct (p. 63)

a. **Definition of "Student"**

For the purposes of this policy, a "student" means any person who is admitted, registered or enrolled for study at CCC, regardless of where courses are taught, whether they are enrolled full-time or part-time for credit or non-credit courses, for any academic period. Any person who is enrolled in online or hybrid courses is also considered a "student." Any person who is not enrolled for a particular term, but who has been admitted and enrolled in courses from time to time, and has a continuing relationship with CCC is considered a "student." Any person who withdraws after allegedly violating the student code of conduct is considered a "student" for purposes of this policy.

b. **Definition of "Visitor" and Visitor Standards of Conduct**

A visitor is defined as an individual who is not a member of the CCC community who is on CCC premises. CCC reserves the right to remove visitors, guests, and patrons of CCC if their behavior or actions are malicious in nature, violate any current CCC policy, or threaten the safety of the College's administration, faculty, staff, or students.

In certain instances, CCC may also issue a Notice of No Trespass. Notices of No Trespass are in effect for a period of not less than one (1) year from the time they are issued. Any visitor or guest who is issued a Notice of No Trespass must meet with specific CCC personnel to seek permission to return. Visitors and guests who have been issued a Notice of No Trespass and wish to attend a CCC

sponsored activity or return to CCC for an event must meet with the Director of Safety and Security and his/her designee prior to the event and, if the Notice of No Trespass is withdrawn, a withdrawal letter will be issued. Visitors and guests who have been issued a "Notice of No Trespass" and wish to enroll in a credit or non-credit course or program must meet with the Dean of Student Services or designee in order to obtain permission to enter campus premises for educational purposes and with any appropriate restrictions. If the "Notice of No Trespass" was related to sexual misconduct, the Dean of Student Services will confer with the EEO Office prior to making a final decision. If approved, the Dean of Student Services will notify the Director of Safety and Security, the other Dean of Student Services at all colleges, and the Associate Vice Chancellor of Advising and Student Success.

c. **Student Misconduct**

CCC students are expected to conduct themselves in a manner which is considerate of the rights of others and which will not impair the educational mission of the college. Specifically, all students assume an obligation to conform to Board Rules, Policies, and statement of Students Rights and Responsibilities. See Student Conduct Complaint (p. 41).

Section 8.19 Student Optional Disclosure of Private Mental Health Information

Procedures: Student Optional Disclosure of Private Mental Health Information – Procedures (p. 100).

In accordance with the Student Optional Disclosure of Private Mental Health Act (2016), CCC provides students the option to authorize in writing the disclosure of certain private mental health information to a designated person. Under this Act, CCC will disclose information to this designated person if a physician, clinical psychologist or other qualified examiner employed by

CCC makes a determination that the student poses a clear danger to himself, herself or to others, or to protect the student or other person against a clear, imminent risk of serious mental or physical injury, disease, or death.

Students may opt to designate an emergency mental health contact, opt not to designate a contact, change their contact, or delete a previously designated contact.

The physician, clinical psychologist, mental health provider, or other qualified examiner will, as soon as practicable, but in no more than 24 hours after making the determination, attempt to contact the designated person and notify the designated person that a determination has been made that the student poses a clear, imminent danger to himself, herself, or others.

Section 8.20 Mediation

Policy history: Mediation (p. 63).

Note: this policy was deleted effective March 2017.

Section 8.21 Disciplinary Hearings

Policy History: Disciplinary Hearings (p. 63).

Procedures: Disciplinary Hearings – Procedures (p. 100).

a. **Due Process Pre-Hearing Meeting**

The respondent(s) will be contacted by the Dean of Student Services or designee from the Dean of Student Services Office to advise them of the alleged violations of the Code. The Dean of Student Services or designee will officially explain and review with the respondent student their Due Process Rights. The student must sign the Due Process Rights form verifying receipt of the notice of "student rights" contained within. The Dean of Student Services or designee will inform the respondent in writing of the scheduled date of their forthcoming hearing within two (2) academic days following this meeting.

See Glossary of Terms (p. 55) for the definition of "academic days."

b. **Interim Suspension**

The Dean of Student Services or designee is authorized to suspend the student against whom a complaint is made, pending the Formal Disciplinary Hearing in instances in which the Due Process Hearing Meeting indicates a substantial threat to the good order, safety, or well-being of the college community. The student will remain on suspension until the outcome of the hearing is rendered, up to fifteen (15) academic days.

c. **Informal Hearing**

The Informal Hearing Agreement provides students with minor violations, as determined by the Code, with an option for resolving matters in an informal manner. After conducting an investigation of the facts of the conduct case, the Dean of Student Services or designee or designee (at his or her discretion) determines whether or not the violations committed may be resolved through the Informal Resolution Agreement. This procedure may be exercised in lieu of

referring the case to the Disciplinary Committee for a formal conduct hearing. The Informal Resolution Agreement may be conducted by the Dean of Student Services or designee. The Information Resolution Agreement procedure consists of four steps and the student must agree to all four conditions if he or she wishes to resolve the case informally:

1. The student must agree that he or she has violated the Student Code of Conduct.
2. The student must agree with the sanction(s) proposed by the Conduct Dean of Student Services or designee or the Dean of Students.
3. The student must agree to waive his or her right to a formal hearing before the Conduct Board.
4. The student must agree to waive his or her right to an appeal. If the student agrees to all four conditions, he/she will be required to sign the Informal Resolution Agreement. The student will be provided with a copy and a disciplinary file and record will be created and maintained.

d. **Formal Disciplinary Hearing**

A college's Disciplinary Committee provides students, against whom a complaint has been made, the opportunity to communicate their position on the allegations brought forward. When the student has been interim suspended pending the Formal Disciplinary Hearing, the student shall have the right to a Formal Disciplinary Hearing within five (5) academic days of the start of the suspension. The student shall be allowed to bring no more than one (1) observer; which includes, but is not limited to: family members, faculty, staff, and or students. These individuals are not allowed to speak in the actual hearing. If a student fails to appear when the case is called for a hearing, without just cause, the hearing may proceed in the student's absence and the student will forfeit the right to appeal all final determinations. If there are any questions as to what constitutes just cause, the District Office Judicial Affairs team will be consulted.

e. **Disciplinary Hearings Involving Allegations of Sexual Harassment**

Sexual harassment occurs when an individual is subjected to unwelcome sexual advances, requests for sexual favors, and other expressive or physical conduct of a sexual nature where:

1. submission to such conduct is made a condition of employment or education;
2. submission to or rejection of such conduct is the basis for an academic or a personnel decision affecting the individual; or
3. such conduct interferes with the individual's academic or work performance or creates an intimidating, hostile or offensive learning or work environment.

Examples of sexual harassment include, but are not limited to, sexual advances, repeated date requests, sexual gestures, sexual cartoons or images, discussions about sexual activity, domestic violence, dating violence, stalking, sexual misconduct, and sexual assault.

f. **Remote Hearing Participation**

In situations where the accused student's presence at the College constitutes a substantial threat of harm to members of the College community, the President in consultation with the College's Supportive Intervention Team, can order that the student participate in the disciplinary hearing remotely via telephone, videophone, video-conference, or by other means determined by the College.

g. **Accommodations and Assistance**

1. As per Section 504 of the Americans with Disabilities Act (ADA), students with documented disabilities may request

reasonable accommodations at their conduct hearing, appeal, or any part of the conduct process, including communication regarding the process. It is the student's responsibility to determine if accommodations are needed. The Dean of Student Services or designee will not make that determination. These accommodations include, but are not limited to: a sign language interpreter, the presence of a service animal, the presence of a reader or other trained, professional assistant, etc. For more information, contact the college's Disability Access Centers (DAC). It is the student's responsibility to arrange for accommodations and notify the Dean of Student Services or designee within **three (3) academic days** of receiving the initial letter that accommodations are being sought.

The Dean of Student Services or designee is not responsible for arranging accommodations, but will work with the college's DAC to make all reasonable accommodations. A professional from the DAC must arrange and/or handle the accommodations. As per ADA, students with disabilities are expected to adhere to the conduct policies applicable to all students.

As is the case with all students in the process, the complainant and/or the alleged student is responsible for presenting their own case. Any person(s) providing approved accommodations in the hearing will not be guiding the student in what to say, points to bring up, or otherwise involve themselves in the hearing. This expectations will be communicated by Dean of Student Services or designee to DAC as well.

2. Students may request to have a translator present at their hearing and any meetings related to their case. It is the student's responsibility to determine if a translator is needed. The Dean of Student Services or designee will not make that determination.
 - a. The request to have a translator present must be made in writing within three (3) academic days prior to any hearing. The Dean of Student Services or designee will attempt to locate a translator connected to the College. The translator cannot be a friend or family member and cannot be another student at the College.

As is the case with all students in the conduct process, it is the student's responsibility to ensure that they are able to understand communication from the Code of Conduct Office and ask for clarification when necessary.

Section 8.22 Appeal of Discipline

Procedures: Appeal of Discipline – Procedures (p. 101).

In the event the student charged disagrees with any suspension in excess of five (5) academic days, college dismissal, or expulsion, the student may appeal the decision in writing. See Glossary of Terms (p. 55) for the definition of "academic days."

a. **Conditions of Appeal**

The student shall have the right to appeal a disciplinary decision arising from a Formal Disciplinary Hearing within ten (10) academic days of the student's receipt of the College President's decision. Appeals are not re-hearings, are not granted on the basis of disagreement with the original decision, and should be based upon one or more of the following:

- There was a denial of a fair hearing.
- There was insufficient evidence to establish responsibility.

- There was new information available that was not available at the time of the hearing which may have affected the disciplinary decision.
- The severity of the sanction exceeds the severity of the violation.
- The hearing process involved a substantial deviation from policy and/or procedure to the disfavor of the student.
- There exists exceptional circumstances to limit an expulsion to a certain college or colleges.

b. Appeal Process and Outcome

The Provost & Chief Academic Officer shall appoint a District Judicial Affairs Committee, consisting of at least three (3) administrators and one (1) student representative to review Appeals of Discipline for suspensions, dismissals, or expulsions and to render a recommendation to the Provost & Chief Academic Officer. The Provost & Chief Academic Officer's decision may uphold the College President's decision, limit its duration, reverse the decision, permit the student to enroll in another City College, or make such other disposition as deemed just and proper under the circumstances. The student shall have the right to be notified of the Provost & Chief Academic Officer's decision within ten (10) academic days of receipt of the student's appeal. The decision shall be final and effective immediately upon issuance.

In incidents of dating violence, domestic violence, sexual assault, or stalking, simultaneous notification when results become final or of any change in finding or discipline shall also be made to the victim.

c. Petition for Readmission

In exceptional instances, a student dismissed from a College or expelled from all City Colleges for disciplinary reasons may petition for readmission. To qualify for consideration, the student's petition for readmission must be accompanied by documented evidence of good citizenship and a personal statement that speaks to a self-understanding of the concerning behavior that led to the dismissal or expulsion and which demonstrates personal development that supports the belief that the concerning behavior will not be repeated. A student is eligible to petition for readmission no less than five (5) years following the date of dismissal or expulsion. The petition decision rests with the President of the College the student wishes to attend, and the President's decision must be approved by the Provost & Chief Academic Officer.

Section 8.23 Student Grievances (Non-Academic)

Procedures: Student Grievances (Non-Academic) – Procedures (p. 101).

If any student feels he/she had been mistreated by another student, or a member of the college staff, the student may file a "non-academic grievance."

Section 8.24 Equal Opportunity in Employment, Programs, Services and Activities

EQUAL EMPLOYMENT OPPORTUNITY POLICY, TITLE IX – GENDER DISCRIMINATION POLICY, SECTION 504/ADA COMPLIANCE POLICY¹

Procedures: Equal Opportunity in Employment, Programs, Services and Activities – Procedures (p. 101).

The City Colleges of Chicago is strongly committed to ensuring that its learning and working environments are free of discrimination and harassment, including sexual harassment. CCC will take action to stop discrimination or harassment, remedy discrimination or harassment and prevent recurrence of discrimination or harassment. The Board of Trustees of the City Colleges of Chicago ("CCC") prohibits unlawful discrimination or harassment with respect to hire, terms and conditions of employment, continued employment, admissions, or participation in Board programs, services, or activities (regardless of whether such programs, services or activities occur on CCC property) on the basis of race, color, national origin, ethnicity, sex, age, religion, citizenship status, sexual orientation including gender identity, marital status, pregnancy, order of protection status, disability, genetic information, military status, or status as a member of any other protected class under federal, state, or city law.²

Sexual harassment occurs when an individual is subjected to unwelcome sexual advances, requests for sexual favors, and other expressive or physical conduct of a sexual nature where:

- Submission to such conduct is made a condition of employment or education;
- Submission to or rejection of such conduct is the basis for an academic or a personnel decision affecting the individual; or
- Such conduct interferes with the individual's academic or work performance or creates an intimidating, hostile or offensive learning or work environment.

Examples of sexual harassment include, but are not limited to, sexual advances, repeated date requests, sexual gestures, sexual cartoons or images, discussions about sexual activity, domestic violence, dating violence, stalking, sexual misconduct, and sexual assault. Under Illinois law (720 ILCS 5/12-13) the crime of criminal sexual assault is committed when a person does any of the following:

Section 8.28 Religious Accommodations

CCC will reasonably accommodate the religious observance of individual students in regard to admissions, class attendance, and the scheduling of examinations and work requirements. Students who are unable to attend classes or to participate in any examination, study, or work requirement on a particular day based upon a sincerely held religious belief may be excused and have an opportunity to make up the examination, study or work requirement missed because of such absence on a particular day. To be excused for such absences, students must notify their instructors well in advance of any anticipated absence or a pending conflict between

a scheduled class and the religious observance, provided that the make-up examination, study, or work does not create undue hardship for the college. No charges of any kind shall be assessed by the institution for making available to the student such an opportunity. No adverse or prejudicial effects shall result to any student because of his or her availing himself or herself of the provisions of this policy. Excused absences from classes or examinations for religious observances will not be counted against any mandatory attendance requirements, but they do not relieve students from responsibility for any part of the course work required during the period of absence. The instructor may appropriately respond if the student fails to satisfactorily complete any alternative assignment or examination. Students may raise any claim that they have been denied an educational benefit due to their religious beliefs or practices under this policy through the EEO Office.

A healthy campus is defined as a tobacco-free campus which prohibits the use of all forms of tobacco (including but not limited to cigarettes, cigars, pipes, hookah, electronic cigarettes, chew, snuff, and other smokeless

tobacco products) and the sale of these products on campus-owned or leased property, including buildings, grounds, plazas, ramps, parking lots and outdoor common areas. No ashtrays or smoking shelters are provided on tobacco-free campus grounds.

CCC encourages its students to participate in off-campus programs that provide valuable learning opportunities and enforces specific student travel policies to support student well-being and safety and responsible management of travel expenses. Students and Chaperones are required to follow specific guidelines based upon the type of student group that is traveling. While travel approval requirements vary by student group, travel must be pre-approved by following the specific student group's guidelines for release forms, medical forms, MOU certifications, trip sponsor and chaperone requirements, means of travel, and reimbursement.

Because CCC-sponsored student travel is considered an official student activity, all CCC student conduct policies apply.

Student Travel Chaperones have many responsibilities before, during, and after the sponsored trip; while in route; and while at the destination of the sponsored trip. Chaperones follow CCC chaperone guidelines for handling of emergencies, response to participant concerns and problems, on-the-spot provision of trip documents, and monitoring of participant's behavior and whereabouts. Section 9.01 Application of Rationale for Awarding Student Semester Credit

Policy history: Application of Rationale for Awarding Student Semester Credit (p. 64).

City Colleges of Chicago defines credit hour in accordance with applicable federal, state, and regional accreditation standards and regulations¹. The basic measure shall be adjusted proportionately to translate the credit hour value to all academic calendars and modalities of instructional delivery.

1

Federal definition of credit hour, U.S. Dept. of Education - 34 CFR 600.2 (11/1/2010). Higher Learning Commission, Policy Number FDCR.A.10.020 available at <http://policy.hlcommission.org/Federal-Regulation/assignment-of-credits-program-length-and-tuition.html>.

CCC defines a credit hour as an amount of work represented in intended learning outcomes and verified by evidence of student achievement that as an institutionally established equivalency that reasonably approximates not less than:

1. One contact hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work (e.g., reading assignments, practice activities, collaborative team projects, practice tests, self-assessments, and computer-based learning activities) each week for approximately sixteen weeks for one semester hour of credit, which pertains to all instruction modalities including: face-to-face, hybrid, and/or online; or
2. At least the equivalent amount of work over a different amount of time; or
3. The equivalent amount of work as required in this definition for other academic activities as established by the college, including laboratory work, internships, directed studies, practicums, studio/performance work, and other work leading to the award of credit hours.

a. **Definition for Awarding Student Credit**

The definition for awarding student credit is as follows:

Category	Semester Credit Hours	Minimum Number of Contact Hour(s) ¹ Per Week
Lecture/Discussion/ Demonstration/ Seminar	1	1
Laboratory or Studio	1	2 ²
Clinical Practicum	1	2 ²
Independent Projects	1	3

--	---	----

Cooperative Work Experience part-time	1	5
---------------------------------------	---	---

Field Trips	1	5
-------------	---	---

Open Laboratory Experience	0	1
----------------------------	---	---

Dependent upon external accrediting agency requirements.

1

Based on an approximately 16-week term; other term lengths should be pro-rated accordingly.

2

It is possible to increase the number of contact hours per credit hour when justified by the type of instruction necessary to meet the learning outcomes and/or for specific programmatic accreditation/licensure.

- Laboratory or Studio – Up to 3:1
- Clinical Practicum – Up to 4:1

Notes: One Contact Hour = 800 minutes (average of 50 minutes/week for 16 week session)

Section 9.02 Course and/or Program Approval

Policy history: Course and/or Program Approval (p. 64).

Procedures: Course and/or Program Approval – Procedures (p. 107).

Curriculum must address the requirements set forth by external governmental and accrediting agencies and the City Colleges of Chicago Board of Trustee policies. Accordingly, curriculum development shall be structured through a development, review and recommendation of a collaborative process known, effective August, 2014, as the Proposed Academic Curriculum Changes process (PACC), which replaces the former twelve-step curriculum review process known as Proposed Academic Changes process (PAC).

This structured process, which shall be collaboratively implemented and conducted by faculty, district and college administrators, will provide a clearly defined development, revision, and recommendation process for all credit (Program Classification System Codes 1.1, 1.2, and 1.4) courses and programs offered by any of the City Colleges of Chicago (CCC).

The PACC process shall:

- Promote and ensure collaboration among administrators and faculty;

- Provide a web-based solution to store, manage, and track changes to courses and programs.

Substantial changes to the PACC process, (e.g., curriculum development rubrics for courses and programs) will be a collaborative process with the mutual agreement of faculty, district and college administrators.

Section 9.03 Program Review

Policy history: Program Review (p. 64).

Procedures: Program Review – Procedures (p. 107).

The City Colleges of Chicago (CCC) provides administrative support, guidance, and training for the annual Illinois Community College Board (ICCB) Five-Year Program Review reporting and submission process for the seven colleges within Community College District 508. CCC's compliance with the schedule of reviews mandated by ICCB guarantees that each of the seven colleges is actively engaged in a systematic, college-wide program review process for evaluating, per ICCB:

- Career & Technical Education Programs
- Academic Disciplines
- Cross-Disciplinary Instruction
- Student & Academic Support Services
- Other Program Actions

In accordance with ICCB regulations, at least once within a five-year cycle, each instructional program, student service, and academic support function is evaluated. CCC will provide access to the most current ICCB Five-Year Program Review Schedule and the ICCB Five Year Review Grid.

Section 9.04 Program Inactivation

Renamed: formerly Sunsetting Programs.

Policy history: Program Inactivation (p. 64).

Procedures: Program Inactivation – Procedures (p. 107).

CCC periodically reviews its academic programs, courses, and services to ensure:

- Relevance (labor market, transfer, community need, CCC mission)
- Fit with CCC capabilities (feasibility, cost, enrollment, facilities and equipment, staffing)
- Excellence in the delivery of instruction and services (curriculum quality, accreditation)
- Student Outcomes - pathways to careers or transfer to 4-year institutions

Such reviews, which may be off-cycle from ICCB Program Reviews but which nonetheless should be structured similarly, shall be collaboratively implemented and conducted by faculty, district and college administrators, and external stakeholders in order to provide a clearly defined recommendation regarding continuation or discontinuation. Shared governance for determining discontinuation will additionally utilize the Proposed Academic Curriculum Change (PACC) process to ensure transparency and rigor of review. In such cases where discontinuation, either inactivation or withdrawal, is the final determination, CCC will work with external governmental and accrediting agencies to discontinue the program and to provide a pathway to completion for students currently pursuing such programs.

Section 9.05 Cooperative Sub-Contractual Arrangements with Outside Agencies

Policy history: Cooperative Sub-Contractual Arrangements with Outside Agencies (p. 64).

The principle of open enrollment must be maintained in all cooperative or sub-contractual instructional arrangements with outside agencies, public or private. The only legal basis for restricting enrollment, according to the Illinois Public Community College Act, are space limitations, relevant course pre-requisites, and program admissions requirements. This policy does not preclude off-campus courses or courses offered at the request of a particular public or private agency as long as reasonable provisions for the entry of any City Colleges of Chicago student are maintained.

College credit for courses offered in a cooperative or sub-contractual arrangement may be allowed only if:

1. Courses are approved by the Illinois Community College Board.
2. Courses are listed in the City Colleges of Chicago catalogs and City Colleges of Chicago Course Master Files or are eligible for listing.

Article X. Understanding CCC Instructional Policies

Section 10.01 Academic Assessment

Policy history: Academic Assessment (p. 64).

At the City Colleges of Chicago, assessment is considered a systematic and ongoing process that collects aggregate data about what students know and can do based on measurable student learning outcomes for:

- General Education: Communications, Mathematics, Physical/Life Sciences, Humanities/Fine Arts, Social/Behavioral Sciences, and Human Diversity;
- College to Careers (C2C) programs;
- Core courses for academic programs;
- Early College;
- Adult Education.

Our assessment processes are driven by the imperative to consistently improve student learning for all of our students. Data, analysis, and discourse resulting from the assessment process serve to inform improvements in pedagogy, course content, curricula, learning resources, and student services. The faculty must own and drive the assessment

process with administrative support. Faculty and administration will use assessment findings and recommendations to improve student performance, student development, and student achievement.

Section 10.02 Criteria for Approval of Faculty Programs

Policy history: Criteria for Approval of Faculty Programs (p. 65).

The preparation of teacher programs shall be the responsibility of the Department Chairperson in consultation with the faculty member and subject to the limits established by the seniority provisions listed in the collective bargaining agreement.

1. Scheduling must meet the needs of students.
2. All full-time faculty members must have classes on four (4) days of their duty week. No faculty member shall be required to teach on more than five (5) days per week for his/her regular program. A faculty member of variable load light may have a duty week of four (4) days in which case there shall be teaching duties on at least three (3) days. All librarians shall show their meal times, which shall not be the beginning or end of the duty day. (Note: Faculty may select overtime in a manner that leads to a six-day work week.)
3. No additional hours are to be allowed for combined classes.
4. Non-teaching activities for load assignments shall be on the basis of two (2) contact hours for each hour of load credit.
5. No faculty member may voluntarily select a program which contains more than two (2) consecutive classes. Article VIII.D.3 of the collective bargaining agreement states that every effort shall be made to avoid such scheduling. The only exception shall be when such programming is needed
 - a. to complete the program of a faculty member, or
 - b. where student needs, as determined by the Administration, make such scheduling necessary.
6. Conference and advisement hours are sixty (60) minutes in length and shall be scheduled to be in proximity to the classes in a faculty member's program. No conference and advisement hours may begin or end within ten (10) minutes of the faculty member's class time. Wherever possible, they should not be placed at the beginning or end of the duty day. They shall not be scheduled to constitute the fifth day of assignments unless it can be established to the satisfaction of the Administration that they are at a time which is of real convenience to that faculty member's students.
7. Teacher program forms should accurately reflect all activities.
8. Each full-time faculty member shall be available for thirty (30) hours per week for teaching, advisement and conference hours, and other professional assignments. Of these 30 hours, faculty must select seven (7) hours per week for advisement and student conferences (per Article VIII.D.2 of the collective bargaining agreement).
9. An instructor teaching an online or a hybrid course may use virtual hours proportional to the number of online or hybrid courses she/he is teaching during the academic semester to meet their contractual office hours for that course. The instructor must document virtual hours appropriately by using a medium (e.g., real-time chat or teleconferencing) that will record their virtual hour sessions. All faculty irrespective of the medium (face-to-face, online, or blended/hybrid) are expected to schedule and keep seven office/advising hours as stated in number 8 above.
10. Overtime beyond the 6 hours permitted by Article VI.A.4 of the collective bargaining agreement may not be assigned until

authorization is given by the Vice President of Academic Affairs at the college and approved by the District Office.

11. All full-time faculty members are required to participate in the annual graduation ceremony.

Section 10.03 Cooperative Education Guidelines

Policy history: Cooperative Education Guidelines (p. 65).

Students who have completed 12 hours of credit in their major field of study and who are following the prescribed program sequence in the catalog may enroll in Cooperative Education programs.

The following schedule reflects a clarification of faculty load for the cooperative education program:

- Seminars = 1:1, maximum of contact hours for load
- Visitations in Field = 2:1, minimum of 4 hours for a maximum of 2 contact hours for load

Example:

- 2 seminars + 2 visitations per week = 3 contact hours for load
- 2 seminars + 4 visitations per week = 4 hours for load

Faculty may not exceed six (6) contact hours of load for coordinating Cooperative Education programs.

Section 10.04 Copyright

Policy history: Copyright (p. 65).

The Board of Trustees recognizes that the value of all copyrighted prints and technological works as intellectual and academic property must be properly attributed to the author of the work whenever used fairly by the City Colleges of Chicago in academic programs. The Board of Trustees does not condone copyright violations which would harm an author's or representative's right to royalties or licensing fees in unfair use. The Board of Trustees will take appropriate disciplinary action against unfair uses which would subject the Board to liability for copyright infringement whenever these abuses become known, or when copyrighted work which is the property of the Board is improperly appropriated or used for the profit of others without the Board's knowledge or prior written consent.

Section 10.05 Substitutes for Librarians

Policy history: Substitutes for Librarians (p. 65).

Because the purpose of providing substitutes for academic instruction is to minimize the loss of instructional time for students, such a need does not exist for the non-instructional professional activities of librarians. Therefore, substitution shall not be authorized for librarians absent from their librarian duties because of illness or personal business.

In the case of librarians who are performing classroom instruction, a substitute shall be authorized in the event of absence for reasons of illness or personal business as of the second day of the second hour of a three (3) or more contact hour class of each absence. Such substitution must be provided by a qualified faculty member and, for there to be substitute compensation, the substitution must be performed outside of the regularly scheduled six-hour day. Compensation shall be at the

prevailing substitute rate shown in section VI.A.3 of the Board-Union Agreement (Local 1600).

Section 10.06 Arrangements for Substitute Teaching

Policy history: Arrangements for Substitute Teaching (p. 65).

A faculty member may not, on his/her own initiative, make arrangements for class coverage when said faculty member is on an approved leave or is otherwise absent. Arrangements for such substituting shall be made by the Department Chair, within in the provisions of the Board-Union Agreement (Local 1600), with the approval of the Academic Dean and/or Academic Vice President.

It shall be the primary responsibility of the Department Chair to insure that all instances of absence and substitute coverage, including unauthorized coverage, are reported to the Academic Dean and/or Academic Vice President.

Faculty members will not be compensated for substituting unless the coverage was arranged by the Department Chair with the approval of the Academic Dean and/or Academic Vice President.

Section 10.07 Assignment of Faculty from Other City Colleges

Policy history: Assignment of Faculty from Other City Colleges (p. 66).

The Academic Vice President of a faculty member's home college and the Academic Vice President of the receiving college must review all assignments (for load, overtime, or special assignments) before they are finalized. This is essential so that the effect of these assignments is reflected in the teacher loads at the home college.

This notification is vital in order to keep the Academic Vice President informed as to which faculty members at their college are being proposed for overtime to prevent any "double" overtime assignments. Any assignments, including Continuing Education - Professional & Personal Development and online learning, that apply to faculty members from other colleges must follow the above procedures.

Section 10.08 Full-Time Faculty Assignments at Other City Colleges

Policy history: Full-Time Faculty Teaching from Other City Colleges (p. 66).

Pursuant provisions of the collective bargaining agreement, Article VIII.F.3 and 4 of the Board Union Agreement (Local 1600), the priority for the assignment of regular programs or extra work is:

- The rate of pay for Summer term assignment for a faculty member shall be 75% of a pro-rata portion of his/her base rate of pay.
- Faculty can be assigned up to thirty (30) hours of professional duties when granted a full-time summer assignment. Such hours are to be prorated where faculty members are assigned less than a full-time summer assignment.

Bumping will be permitted until the first day of class, if course cancellations have occurred. A faculty member with a greater number of rotation points shall not be permitted to eliminate the teaching program of a less senior faculty member on the basis of seniority. All claims based on seniority are subject to review of qualifications, which shall be controlling.

- Where a faculty member is replaced after a textbook selection has been made and opportunity offered for purchase, such textbook shall be utilized by the replacing faculty member.

Section 10.11 Overtime Assignments for Faculty at Other City Colleges

Policy history: Overtime Assignments for Faculty at Other City Colleges (p.).

If the project budget does not allow for this rate, i.e., contains insufficient dollars for the purpose, such an assignment cannot and should not be made.
2. A faculty member may be assigned to a project activity in addition to his/her regular full-time program provided:
 - a. The assignment is not in excess of 25% working load equivalent and is performed in addition to his/her regular duties.

Section 10.25 Faculty (Credit, Early College & Foundational Studies) and Adult Educator Credential Review

Section 10.26 Faculty Absences from Professional Duties: Procedures for Reporting Attendance

Policy history: Faculty Absences from Professional Duties: Procedures for Reporting Attendance (p. 70).

Procedures: Faculty Absences from Professional Duties: Procedures for Reporting Attendance – Procedures (p. 111).

1. Article VIII.D.2 of the collective bargaining agreement requires faculty members to "be present on campus for all professional duties and obligations, including classes, department meetings, faculty meetings called by the College President or Chancellor, and student conference hours." Since compensation is for the performance of professional duties and obligations, an absence shall be charged for non-attendance at any scheduled activity that a faculty member is required to attend by administrative directive or contracted obligation.
2. If a faculty member is absent without administrative permission (except for illness or personal leave) from all classroom assignments or other scheduled professional duties or obligations on a given day, said faculty member shall be docked one day of pay or have one day charged to personal leave provided days are available in the personal leave bank, with this decision to be made by the faculty member. In the event the faculty member is absent without administrative permission (except for illness or scheduled personal leave) from one or more but not from all required activities on a given day that person shall be docked one-half day. (Note: per Virginia Reyes Step II Grievance Ruling, June 2002.)

Section 10.27 Carry-Over of Seniority in the Event of Departmental Reassignment

Policy history: Carry-Over of Seniority in the Event of Departmental Reassignment (p. 70).

For certain purposes, seniority can be exercised within a department and for other purposes with the colleges. Each faculty member is assigned to a department where a list of those assigned members in order of their "date of beginning continuous full-time employment" is maintained to establish the order for their exercise of departmental seniority rights. Therefore, when a faculty member's assignment is changed from one department to another within a college, that faculty member shall be placed on the seniority list of the receiving department in a sequence reflecting "the date of beginning continuous full-time employment" by the City Colleges of Chicago.

Section 10.28 Seniority Rights of Faculty Members Split Between Departments

Policy history: Seniority Rights of Faculty Members Split Between Departments (p. 70).

Faculty members shall be shown on one department seniority list only. Except for purposes of reduction in force, and college wide bidding for extra work, where rotation points are the same, they shall not exercise rights of seniority over faculty members on a different seniority list.

Therefore, where a department cannot generate sufficient contact hours to fill the program of faculty assigned to it, and some of those faculty are qualified to teach courses in a different department where there are classes where load requirements have been met, then those faculty members may be assigned those classes. Faculty shall not have seniority rights of course selection over other full-time members of the department to which the faculty member is not assigned and who are on a different seniority list.

Section 10.29 Authentic Signatures

Policy history: Authentic Signatures (p. 70).

Authentic, not facsimile or rubber-stamp, signatures must appear on all documents being authorized for processing (i.e. board reports, purchase orders, authorizations for payment, certificates of attendance, payrolls, etc.).

Note that in accordance with the Electronic Signatures in Global and National Commerce Act, an electronic signature is to be considered "authentic."

Section 10.30 Instructor Processes

Renamed: formerly Certification of Active Pursuit (for Credit, Skills, and Continuing Education - Professional & Personal Development).

Policy history: Instructor Processes (p. 70).

All CCC instructors are required to complete the following faculty processes correctly and on time for each class each term:

- Create and post the syllabus
- No-show withdrawal (NSW) process – initial class meeting attendance is recorded, including students who WTH after the class started
- Midterm administrative withdrawal (ADW), active pursuit certification, and grading process
- Final grading (Effective Fall 2020 – last date of active pursuit if student receives an "F" grade)
- Grading after end of term (for Incomplete "I" grades)

a. **Create and Post the Syllabus**

On the first day of class, each instructor is required to provide each student with a written copy of the syllabus (printed or electronic; see Learning Management System), which includes (minimum):

- Course objectives
- Student learning outcomes
- Course requirements, methods of evaluation, and grading policies
- Measures of active pursuit, which may include: class attendance, class participation, taking required quizzes and examinations, submission of required papers and homework assignments, and/or completion of online academic activities
- Expectations for student attendance and make-up work should also be included in the syllabus

Final grades appropriate to the grading basis of the course (see Grade Designations) or I (Incomplete) will be awarded in

accordance with the grading policy distributed by the instructor at the beginning of the class. In order to satisfy audits, legal requirements, and to protect student rights, instructors must retain a copy of the preceding information in his/her files at the college, itemizing all grades awarded for all student work completed during each term and the criteria utilized for the awarding of final grades.

Department Chairs should collect this information from instructors and retain it in departmental files.

b. **No-Show Withdrawal Process**

Instructors must monitor student attendance at the beginning of the term, record attendance for all students for the first-class meeting (including students who WTH after the class start date), and must complete the no-show withdrawal (NSW) certification online process (manual backup available) for each class no later than the provided deadline date. Instructors will enter an NSW for each student who did not attend the required initial class session(s). For more information about when to issue an NSW, see NSW – No-Show Withdrawal.

- Attendance in an online class is defined as class engagement or participating in an academic related activity.

a. Note: this process **must** be completed even if there are no NSWs to report.

If circumstances warrant, a student who has been designated as NSW may be reinstated. In such cases, the instructor only must submit a reinstatement form with appropriate administrative approval to the Office of the Registrar for processing.

b. **Midterm administrative withdrawal (ADW), active pursuit certification, and grading process**

Instructors are required to complete the online midterm administrative withdrawal (ADW), active pursuit certification, and grading process for each student on the class roster no later than the provided deadline date. Note: midterm certification of active pursuit is an ICCB required process that is subject to audit and serves as the basis for the ICCB credit hour reimbursement process. Note: this process **must** be completed by the instructor even if there are no ADWs to report.

Instructors must complete the following three midterm process components using the online midterm process (manual backup available):

- ADW – each student who is not actively pursuing course completion in accordance with the published measures of active pursuit must be administratively withdrawn.
- Active pursuit certification – each student who is actively pursuing course completion must be certified. Measures of active pursuit will be selected and recorded.
- Grade entry – each student who is actively pursuing course completion will receive a midterm grade appropriate to the grading basis of the course (see Grade Designations). Note: midterm grades are not recorded for short duration classes.

c. **Final Grading**

Instructors are required to enter a final grade for each student on the final grade class roster by the provided deadline date using the online process (manual backup available). Each student will receive a final grade appropriate to the grading basis of the course (see Grade Designations) in accordance with the published grading policy. In certain circumstances, students may receive an Incomplete "I" grade

and a provisional final grade (required if an "I" grade is issued). See I – Incomplete and Glossary of Terms for more information, including a definition of "provisional final grade."

City Colleges of Chicago is a non-attendance taking institution, however, in order to determine if a student "unofficially withdrew" from class, a last date of active pursuit must be recorded for all students receiving an "F". If a student actively pursued the class through the last date of the term as the last date of active pursuit. The unofficial withdrawal date will be the last date of active pursuit, defined in the syllabus. An unofficial withdrawal does not change the final grade and does not appear on the transcript.

Provisional final grade the provisional final grade is the final grade a student would earn if the student does not complete any of the incomplete coursework (final assignments, papers, exams, etc.) and therefore is graded "zero" on those incomplete class requirements, following the issuance of an Incomplete "I" grade (see I – Incomplete).

Note: any missing final grades will be automatically assigned as NG (no grade), indicating that the instructor failed to submit a final grade. In this case, the instructor will be required to submit a grade change form with the correct final grade to the Office of the Registrar.

d. **Grading after End of Term (for Incomplete "I" Grades)**

Instructors must complete final grading for any student issued an "I" grade by end of term processing for the next term (excluding the Summer term). For more information about "I" grades, see I – Incomplete.

At the end of each term, instructors must submit to the Department Chair a copy of the grade reports (only if manual grade reports were used) on which they have recorded (in ink) all midterm grades, all final grades and requirements for removal of "I" (Incomplete) grades.

The Registrar shall certify to the Academic Vice President and Department Chairs that the grade report for each instructor's class has been received. The Department Chair shall further verify that a course syllabus, copy of all assignments, and/or tests required for the removal of each "I" grade have been recorded in the student information system (and if required, placed in the Department files) and shall so certify to the Vice President. If a student does not complete any remaining coursework, then the "I" grade will lapse to the provisional final grade.

than the first week of the term. Any exceptions must be approved by the Vice President for Academic and Student Affairs.

- B. All posted syllabi will contain measurable student learning outcomes.

Section 10.32 Adult Educator Compliance with Professional Development Hours

Policy history: Adult Educator Compliance with Professional Development Hours (p. 71).

ICCB requires that all adult educators receive a minimum of twelve hours of professional development training each fiscal year, which runs from July 1st through June 30th. The purpose of this policy is to enable adult educators to effectively meet the critical needs of students and to enhance student learning achievement. Professional development activities assist adult educators in improving their understanding of philosophies, methods, materials, and the latest research in their profession.

The following policy is proposed under the collective bargaining agreement between the Board of Trustees of Community College District No. 508, County of Cook, State of Illinois, and the American Federation of State, County and Municipal Employees, Council 31, AFL-CIO and its Local 3506 Article VI, Section 5: Rules of Conduct, which states, "The Board may establish reasonable rules of conduct. The Union shall be notified of such rules at least twenty-five (25) days in advance whenever reasonably possible, which shall also be made available for employee inspection at each President's Office and at each Learning Resource Center."

Each adult educator must demonstrate that he or she has earned twelve hours of ICCB mandated professional development during each fiscal year. Adult Educators who have not completed the twelve ICCB mandated professional development hours before the start of the Summer term shall be given timely notice that they are in danger of being out of compliance and will not be assigned to teach the following fall term unless they provide proof of having fulfilled the required hours by the end of the current Summer term. The Adult Educator will not be reinstated to teach at City Colleges until he or she provides proof of having fulfilled the required hours from the previous fiscal year by the end of the current Summer term.

In accordance with this policy, management will:

- Provide and promote ample opportunities for both on campus and off campus professional development.
- Maintain records of professional development activities attended by adult educators in paper files and in the PeopleSoft System. (The Adult Educator is responsible for submitting records of attendance in professional development activities to management in a timely manner.)
- Provide timely notice of failure to accrue the required hours and of termination of assignment due to a failure to comply with this policy.
- Comply with the requirements of the collective bargaining agreement of the Board of Trustees of Community College District No. 508, State of Illinois and the American Federation of State, County and Municipal Employees, Council 31, AFL-CIO and its Local 3506, Article VI, Section I: Staff Development.

Tenured faculty members are eligible for sabbatical after completing six or more years of continuous satisfactory active service. After completing a sabbatical and successfully being reinstated to the college, a faculty member may be eligible for another sabbatical after six (6) years of additional continuous satisfactory active service.

A faculty member on sabbatical leave shall receive one-half (50%) of his/her full base salary for an academic year leave or his full base salary for a semester leave.

The number of faculty members who will be permitted to take sabbatical leave each academic year shall not exceed five percent (5%) of the faculty members in the college.

Eligible faculty members wishing to submit an application should complete the Application for Sabbatical Leave found on the Faculty Forms (<http://www.ccc.edu/departments/Pages/Faculty-Forms.aspx>) webpage, content and formatting requirements can be found on the Sabbatical Application Format document. There may be situations where it is academically beneficial for faculty members to use self-authored texts in the classroom. If use of the text is supported by the Department, it will be routed to the Vice President of

Academic Affairs who will ensure the ethics policy is not being violated. This determination will not impinge upon the faculty members' rights to determine course textbooks subject to applicable written departmental and College policies and procedures.

APPENDIX - PROCEDURES

Procedures revised July 2021.

Note: Procedures are not board approved.

Admissions – Credit Students – Procedures

Policy: Admissions – Credit Students (p. 5).

New Credit Students (degree/certificate seeking)

New full-time and part-time students who are seeking a degree or certificate must complete the following steps:

1. Complete and submit an Online Admissions Application (<http://pages.ccc.edu/apply/>);
2. Submit official transcripts from all colleges and universities previously attended (for more information, see Transfer Credit (p. 7));
3. Verify identity and residency (see Residency (p. 22))
4. Attend New Student Orientation (<http://www.ccc.edu/services/Pages/Student-Orientation.aspx>);
5. Take the appropriate City Colleges of Chicago placement test(s) as required of all new students. Placement test waivers may be granted in certain situations (see Assessment & Placement (p.));
6. Meet with a College Advisor (www.ccc.edu/advising) (<http://www.ccc.edu/advising/>) to discuss career and education goals and to select an academic plan of study, and register for classes; and,
7. Make payment arrangements. If desired, apply for financial aid and meet with a Financial Aid Advisor (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>).

Admission for Signature Program/Plan

Students who have not been formally admitted to the selective admission program will be temporarily assigned to the Associate of General Studies (AGS) or other degree program plan with a focus area that identifies the selective admission program of interest. (For example, a student interested in Nursing will be temporarily assigned to the AGS program and assigned a secondary program plan of 0239 Nursing.) While enrolled in the AGS program, these students can complete the prerequisite requirements for admission to the program and/or complete general education courses. Once the student has been formally admitted to the selective admission program, their program plan will be updated to reflect their admission into the program.

Students are not automatically readmitted into a signature program. For readmission into a signature program, students are required to consult with the program director and comply with program policies. Degree requirements for students who are accepted into signature programs are based on the academic year for which they are accepted.

Admission for High School Student

Registration and parental/guardian consent forms are available by visiting www.ccc.edu/earlycollege (<http://www.ccc.edu/earlycollege/>). Questions regarding enrollment of high school-age students should be referred to the Admissions (<http://www.ccc.edu/departments/Pages/Admissions.aspx>) and/or Advising Offices (<http://www.ccc.edu/departments/Pages/Advising.aspx>).

Academically Dismissed Students

To appeal, students must submit an Academic Standing Appeal along with necessary documentation. For more information, see Academic Standing (p. 11) and <http://www.ccc.edu/services/Pages/SAP-Appeal.aspx>.

Transcripts

Transcripts submitted for admission, financial aid, transfer, or placement reasons must be official and submitted directly to the Registrar's Office where the student intends to register. Official transcripts can be submitted electronically or by mail, and must be received within one year of the transcript print date. Transcripts that have been opened, altered, or tampered with are not considered official. If the Registrar determines that a transcript may be fraudulent they will take the necessary steps to confirm the validity of the document. This may include, but is not limited to, contacting the institution or requesting new documents. Any cost associated with verifying or obtaining the transcript is the responsibility of the student. No financial aid will be dispersed for the student if it is determined that the transcript is fraudulent.

Admissions – International Students – Procedures

Policy: Admissions – International Students (p. 6).

International Students with F-1 Academic Student Visas

F-1 academic students seeking foreign transfer credits (<http://www.ccc.edu/services/Pages/Foreign-Transcript-Evaluation.aspx>) must submit evaluated results completed by a CCC approved vendor.

2. Submit transcripts from all secondary (high school equivalent) institutions attended
3. Pay the Form I-20 student visa processing fee
4. Submit proof of English proficiency unless the applicant is from a country where English is the official language (see English Proficiency Requirement (p. 7)).

International students already in the United States on F-1 academic student visas must:

1. Complete the International Students Admissions Application (<https://www.ccc.edu/departments/Pages/International-Students.aspx>)
2. Complete the transfer verification form
3. Submit transcripts:
 - If no previous U.S. college or university attendance, submit the secondary (high school equivalent) transcript showing diploma award
 - If previous U.S. college or university attendance, submit official transcripts from all U.S. colleges or universities attended
4. Pay the Form I-20 student visa processing fee
5. Submit proof of English proficiency unless the applicant is from a country where English is the official language (see English Proficiency Requirement (p. 7))

- Notice of Action INS Form I-797 with approval
- Passport with the INS stamp showing approval for I-551c
- Permanent Alien Card I-551-B 6

International Students in All Other Visa Classes (Not F-1 Academic Student)

Students holding non-immigrant visas other than F-1 academic student visas (see Admissions (p.) – International Students (p.)) must complete the same steps as new students (see New Credit Students (degree/certificate seeking) (p. 5)). Additionally, the prospective student may be required to submit additional documentation proving his or her eligibility to study.

For more information see: www.ccc.edu/internationalstudents (<http://www.ccc.edu/internationalstudents/>).

Admissions – Adult Education Students – Procedures

Students with ACT or SAT Scores who are also required to take RTW

Students, excluding those students in the the Early College Program, who score 480 or above but under 540 on the SAT Evidence Based Reading & Writing or who score 19 or above but under a 21 on the ACT English will be required to take the CCC Reading to Write (RTW) as part of the enrollment process.

The RTW scores are valid for 2 years and will determine the following:

- Score of 6: Proceed with ENGLISH 101 Composition as placed by the SAT score – no additional supports are required.
- Score of 4 or 5: Requirement to enroll in ENGLISH 97 Written Communication Skills concurrently with ENGLISH 101 Composition.
- Score of 2 or 3: Requirement to enroll in ENGLISH 97 Written Communication Skills concurrently with ENGLISH 101 Composition;
 - Students should be aware that they may not be successful based on the RTW assessment, and if they proceed with ENGLISH 101 Composition/ENGLISH 97 Written Communication Skills they do so at their own risk. Students are recommended to enroll instead in ENGLISH 96 Aligned Reading and Composition (ARC). Informed student choice prevails.

 - Students should be aware that they may not be successful based on the RTW assessment, and if they proceed with ENGLISH 101 Composition/ENGLISH 97 Written Communication Skills they do so at their own risk. Students are recommended to enroll instead in FS WRIT 93 Foundational Studies in Literacy or ENGLISH 96 Aligned Reading and Composition. Informed student choice prevails. Students are also recommended to enroll in INTDSP 101 College Success Seminar in their first term.

2

Students are required to enroll in both ENGLISH 101 Composition & ENGLISH 97 Written Communication Skills

Additional Notes for English Placement and Eligibility Requirements

- Students are limited to a single Reading to Write English assessment per year.
- Adult Education students are eligible to retake the Reading to Write English assessment once per term to determine Bridge and Gateway Eligibility after successful completion of an Adult Education course.
- Students who took legacy remedial and foundational studies courses but are not ENGLISH 101 Composition eligible should see a college advisor for assistance.

- *Students who are required to take ENGLISH 101 Composition & ENGLISH 97 Written Communication Skills are eligible to enroll in courses that require 'Eligibility for ENGLISH 101 Composition' only if they are concurrently enrolled in ENGLISH 101 Composition, ENGLISH 97 Written Communication Skills, and the other course.*
 - *Students who drop or withdrawn from ENGLISH 97 Written Communication Skills or ENGLISH 101 Composition will need to drop or withdraw from the other courses that have ENGLISH 101 Composition eligibility as a requirement as the enrollment in that course is dependent on the support of and enrollment in the English courses.*

Assessment & Placement – Adult Education Students – Procedures

Policy: Assessment & Placement – Adult Education Students (p. 7).

If you are an Adult Education student, you will take a BEST Literacy, BEST Plus or CASAS exam if you want to place into ESL courses, and a TABE test for high school equivalency. All are valid through the current fiscal year, at which point you must test again to re-enroll in anything but Spanish high school equivalency or vocational courses. If you are a new student, you must pre-test by the third class meeting. All post-tests must be the same exam as the pre-test. We will use only the most recent post-test score to place you.

Transfer Credit – Procedures

Policy: Transfer Credit (p. 7).

Students should request their official transcripts be sent to the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>) at their college. Approved transfer credits will be posted to degree seeking students' academic records by the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>).

1. The same course (including articulated transfer course) will not be articulated twice towards program completion, except Allowed Repeatable Courses (ARCs)
2. If transfer courses are packaged differently (for example lecture is one course, lab is another), from a transfer institution, but is equivalent to one course at CCC, CCC will articulate both against our one course.
3. Pre-College level (remedial) coursework is not accepted as transfer credit.

Note: If unofficial transcripts are submitted as part of the admission process, they will not be evaluated for transfer credits and official transcripts will still be required for future enrollment and transfer credit evaluation.

Posting transfer credit is important and will improve accuracy in advising (<http://www.ccc.edu/departments/Pages/Advising.aspx>) and course selection, and may reduce the time to graduate.

Note: eligible transfer credits (including college credits earned at foreign institutions) will be awarded based upon the number of credits earned at the transfer institution. Transfer credit hours earned at a quarter system institution will be converted to a CCC semester hour equivalent, as follows: one (1) credit hour earned on the quarter system is equivalent to 0.67 semester hours (see table below).

Quarter System Course Credits	CCC Transfer Equivalency Credit Hours
3	2.01
4	2.68
5	3.35
6	4.02

College credits earned at foreign institutions must be evaluated by an approved transcript evaluation service (<http://www.ccc.edu/services/Pages/Foreign-Transcript-Evaluation.aspx>).

Military Credit – Procedures

Policy: Military Credit (p. 7).

The process for awarding Military Credit differs from the process used to award other transfer credit. Military Credit is not automatically posted to a student's record following evaluation.

1. Prior to the end of the student's second term when a Joint Services Transcript (JST) or DD 214 applies to a student, the student will meet with the Veterans Services Specialist to request the documentation needed for a military credit evaluation. The Military Credit award process should occur prior to the end of the term when the evaluation takes place.
2. All documentation will be reviewed by the Office of the Registrar and a military credit evaluation will be submitted to the Veterans Services Specialist on the Military Transfer Credit Evaluation Form.
3. Credit will be awarded only after the student completes a mandatory military transfer advising session with the Veterans Services Specialist and the Veterans/Military Academic Advisor. The purpose of the advising session is to determine whether the acceptance of the articulated Military Credit serves the student's educational goals. In the mandatory military transfer advising session, the Veterans Services Specialist, Veterans/Military Academic Advisor, and the veteran will review the veteran's educational goals, academic program and plan, and other factors to agree upon the Military Credit to award so as to maximize achievement of the veteran's goals.
 - If the student is scheduled for a military transfer advising session and he/she is considered a "no-show" for his/her appointment and it is at the end of the student's second term for which a JST or DD 214 applies to the student, the student will only receive the standard military credit award of seven (7) credits from his/her DD 214 and no other credit will be awarded from his/her JST.
4. The veteran is required to acknowledge in writing the decisions made in the mandatory military transfer advising session, and that acknowledgement will become part of the student's academic record. Once a student accepts the agreed upon military credit, all credits become part of his/her record and any other credit from the JST or DD 214 will not be added or removed from his/her record, regardless of any potential program changes made after the evaluation is finalized. If a

student has additional military courses or training added to his/her JST or DD 214 after the date of their initial Military Credit evaluation, the student may repeat the process to have the subsequent courses/training evaluated for potential credit transfer.

5. The Veterans Services Specialist will work with the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>) to ensure that the agreed upon Military Credit is posted to the student's academic record.

For more information about Military Credit, please visit Veterans Services (<http://www.ccc.edu/departments/Pages/Veterans-Services.aspx>). Also see Veterans Education Benefits (p. 27).

Credit by Assessment of Prior Learning – Procedures

Policy: Credit by Assessment of Prior Learning (p. 8).

A student may be granted college credit through the methods listed below:

A) Methods in Detail

Standardized Tests

Course credit may be obtained by standardized examinations. Please see Section 2.10 Credit By Standardized Examination/Testing (<https://catalog.ccc.edu/academic-student-policy/student-focused/getting-admitted/#text>)

Institutional Challenge Exams

Course Credit may be obtained by approved Institutional Challenge Exams, in lieu of completing courses, only if standardized exams for the subject are not available. A passing grade for institutional challenge exams is 70% (grade of 'C'). Some specific programs may require a higher passing grade due to program accreditation. This information must be shared with the student before taking the exam. Tests will be administered in the testing center (or by specific circumstances administered by department and virtually). Before completing the exam, students may obtain a copy of the course syllabus. Please note, that some exams may require additional documentation. Examples may include transcripts, professional certification and licenses, employer letters, or other appropriate documentation.

Portfolio Assessment

Portfolio Assessment requires final approval from the Vice President of Academic and Student Affairs.

Credit by Evaluation

Course Credit may be obtained through evaluation via Published Guides or Local Faculty Evaluation. Colleges will only accept approved recommendations provided by Published Guides such as American Council on Education (ACE) – (National Guide, Military Guide), and National College Credit Recommendation Service (NCCRS). The recommendations include military training and industrial/corporate training. Local Faculty Evaluation provides credit recommendations through articulation agreements, bridge programs, local industrial/corporate trainings, and areas deemed equivalent to college level learning. Documentation of prior learning must be provided to receive PLA credit. Documentation examples may include transcripts, professional certification and licenses, employer letters, or other considerable documentation.

B) Practices and Standards

- Students that earn PLA credit may be able to substitute PLA credit for a prerequisite course required in the program of study. However, credit will not be given to both the prerequisite and direct equivalent course. Please see Section 4.12 Prerequisite Course Substitution (<https://catalog.ccc.edu/academic-student-policy/student-focused/understanding-program-requirements/#text>).
- Specific program accreditation may require different guidelines to PLA credit.
- The same course will not be articulated twice towards program completion, except Allowed Repeatable Courses (ARCs).
- Students are advised to request PLA credit prior to enrolling in the same course they have requested credit for. If a PLA request is granted and the student is enrolled in the same course, it is ultimately the student's responsibility to follow the drop/refund guidelines.
- The PLA fee is non-refundable, including in the event of not passing. Students will then be able to enroll in the course for the academic program and pay full tuition price.
- Students are allowed to attempt PLA once per approved course.
- All evaluated work must be equivalent to C level coursework.
- The PLA assessment is only transcribed if coursework is equivalent to a C or higher.
- PLA is considered transfer credit (T) and reflected on the student's academic record when the credit is accepted. PLA carries no grade and credit earned will not be included in Grade Point Average (GPA) calculations.
- Students may earn up to 75% of college credits through PLA credit towards their program of study.
- Specific program accreditation may vary and may limit PLA processes.
- Military credit shall not exceed sixty-seven percent (67%) of the total credits required for the academic program, or plan, in which the veteran/student enrolls.
- PLA credit from another institution isn't guaranteed to transfer to CCC. However, if an academic program approves previous credit, the exemption may be allowed. All previous documentation must be submitted for department review.
- PLA credit is not guaranteed to transfer to other institutions.

Type of PLA & PLA Fee

Institutional Challenge Exam - \$100

Portfolio - Requires approval from Vice President of Academic & Student Affairs.

Standardized Exam - \$30 CCC processing fee in addition to testing vendor fee. CLEP- \$89 & ACTFL \$70. Fees subject to change.

Credit by Evaluation (Professional Training) - \$50

- *Specialized programs may have a different fee associated.*
- *Neither financial aid nor veterans educational benefits are available for PLA assessment.*
- *Military personnel may be eligible for a CLEP exam waiver. (Speak with Veteran Coordinators for more information).*
- *PLA partnerships will require no charge.*
- *Standardized fees are paid through the third-party vendors.*

Credit by Standardized Examination/ Testing – Procedures

Policy: Credit by Standardized Examination/Testing (p. 8).

Effective March 9, 2017, high school students who have successfully completed an International Baccalaureate® (IB) individual subject examination will be evaluated and college credit awarded based on the most current IB credit award policy, regardless of when the IB subject examination was taken.

Academic Amnesty – Procedures

Policy: Academic Amnesty (p. 8).

a. Returning Students

Students who wish to apply for academic amnesty are highly recommended to work with a college advisor to discuss academic amnesty. Students must submit an application to the Office of the Registrar.

The application will be reviewed by the Registrar (“Approving Registrar”) to ensure that the student meets the eligibility requirements; if not, the application will be returned to the student with no further action taken. The Approving Registrar will retain the application in the student’s academic record, approve the student’s application, and apply academic amnesty **only after** the student fulfills all eligibility requirements, including successfully completing at least one (1) term upon his/her return. See Eligibility for more information (p. 8).

b. Current Students

Current CCC students who meet all eligibility requirements may apply for academic amnesty.

- The student had a previous period of five (5) or more consecutive calendar years (minimum 15 academic terms) where the student did enroll or earn a final grade in credit bearing coursework at CCC.
- Upon their return (initial term(s) of enrollment), the student completed at least one (1) term of credit bearing coursework (minimum 9 credit hours, excluding any development education coursework) and earned a term grade point average (GPA) of 2.0 or higher. See Cumulative Grade Point Average for more information (p. 11).

If academic amnesty is granted, only courses where “F” grades were earned during the Amnesty Period will be granted amnesty.

c. Student Applies for Academic Amnesty at a Different CCC College

If a student applies for academic amnesty from a different CCC college than where previously enrolled during the Amnesty Period, upon approval (prior to updating the student’s record), the Approving Registrar will notify the Registrar at any college where an “F” grade was earned (i.e., for courses that will be granted academic amnesty).

Class Attendance – Adult Education – Procedures

Policy: Class Attendance – Adult Education (p. 10).

Instructors/Adult Educators are required to record student attendance via the Faculty Portal (my.ccc.edu (<http://my.ccc.edu>)) within three (3) days of each class meeting date.

Eligibility for Course Enrollment – Procedures

Policy: Eligibility for Course Enrollment (p. 11).

Students are encouraged to register for the “next course level” as early as possible, but will be dropped from the course prior to the start of the term if a grade of “C” or higher is not achieved.

Academic Standing – Procedures

Policy: Academic Standing (p. 11).

a. Academic Standing Status and Required Support

City Colleges defines our Academic Standing statuses as follows:

- **Good Standing** – Above a 2.0 CUM-GPA.
- **Academic Warning** – Below a 2.0 CUM-GPA when previously in Good Standing in the last enrollment term.
- **Academic Standing Intervention** – Below a 2.0 CUM-GPA when previously on Academic Warning in the last term of enrollment.
 - Students who have attempted 30 hours or less and below a 1.75 GPA will be placed on Academic Standing Intervention.
 - Students who have attempted 15 credit hours or less and below a 1.5 GPA will be placed on Academic Standing Intervention.

If at the end of any given term a student’s CUM-GPA falls below 2.0, he/she must:

1. Meet with his/her college advisor to help determine which classes the student will retake, and/or change program plan. Advisors will make these changes in the student’s Planner in CS9.
2. Work with his/her college advisor, to establish an academic improvement plan. The academic improvement plan will be determined by the college advisor and the student, and it will include course enrollment plans, detailed goals and timelines. Plans for utilizing campus resources like tutoring, Wellness, transfer guidance, and career planning and placement should be incorporated as needed. The college advisor will document the academic improvement plan.

If a student no longer meets the threshold for good academic standing and was discontinued for having not earned a final grade in two consecutive terms (excluding Summer), he/she may have to **re-apply** to City Colleges.

Students with legacy academic standing statuses will maintain them until they complete a term for which they will have an updated academic standing calculated.

None of the above statuses shall have enrollment impacts.

b. Pre-Warning Outreach and Support

Students who are otherwise in Good Academic Standing but have two consecutive terms of a term-based cumulative GPA below 2.0 will be referred to his/her College Advisor. The College Advisor and student will evaluate the student’s current progress and identify if they would benefit from an Academic Improvement Plan as outlined above.

Non-Grade Designations – Procedures

Policy: Non-Grade Designations (p. 11).

a. I – Incomplete

- *Instructor responsibilities (or Department Chair in the absence of the instructor)*
 - *Document (and record in the student information system) the student’s extenuating circumstances that led to the “I” grade and all requirements which must be met by the student to remove the “I” grade and replace it with a final grade.*
 - *Enter an “I” grade and a provisional final grade in the student information system. See Glossary of Terms for more information (p. 55).*

- *Academic Vice Presidents may extend the time to complete the “I” grade. All requests must be approved by the Provost, or their designee, and have a clearly defined end date.*

c. VMW – Voluntary Medical Withdrawal

Withdrawals from classes for medical reasons must be made for all classes. An approved Voluntary Medical Withdrawal will result in a VMW indicator on the student’s permanent academic record and transcript.

- *Initiate a voluntary medical withdrawal – the student will notify the Dean of Student Services who will determine if a voluntary medical withdrawal is appropriate. The student may be required to consent to the disclosure of relevant medical information to the appropriate CCC personnel. The Dean of Student Services will make a recommendation to the President whether or not to approve a medical withdrawal. Where withdrawal is appropriate, the Dean of Student Services will also recommend an individualized plan which will include conditions necessary to return from the medical withdrawal and may include a recommended length of medical absence. If a withdrawal is granted, the student will meet with the Dean of Student Services to review the individualized plan.*
- *Return from a voluntary medical withdrawal – a student who desires to return to CCC from a voluntary medical withdrawal must notify the Dean of Student Services of the student’s intent to return at least 30 days prior to the start of the relevant term. The student will meet with the Dean of Student Services to ensure that all conditions of the individualized plan have been met. The student may be required to consent to the release of relevant medical information to appropriate CCC personnel. Based upon evaluation of the relevant information, the Dean of Student Services will assess whether the student is prepared to be readmitted and make a recommendation to the President.*

d. NC – No Credit COVID-19

- *Student must consent to a possible change to NC before the end of the term. Consent is completed in the student portal and must be request before the end of the term. Student can elect which courses the NC designation should apply.*
- *If the final grade awarded is a C or higher, the grade will remain as is. If the final grade awarded is a D or F, the grade will be converted to NC and no hours will be earned for the course.*
- *Instructors are not informed that a student has elected this option; final grades of D or F assigned by the instructor are converted to NC when final grades post.*

Note: Students cannot elect to change to NC after final grades are awarded.

e. Administrative Removal from College

In situations where a student’s presence at City Colleges constitutes a substantial and sustained threat to the health, safety and well-being of the college community, the President, in consultation with the College’s Supportive Intervention Team (SIT), and with the approval of the District SIT Team, can elect to remove the student from the College or all City Colleges, for a definite or indefinite amount of time.

When health concerns arise, additional guidance will be available on the City Colleges website (www.ccc.edu). For more information, see Administrative Removal from College.

Prior to any removal being finalized, the student will be notified that a removal is being considered and the basis for the proposed administrative removal. The student will be given an opportunity to provide medical and other relevant information regarding the proposed removal to the Dean of Student Services for review.

Midterm Grades – Credit Students – Procedures

Policy: Midterm Grades (p. 13).

Midterm grades are not recorded for classes that are fourteen (14) calendar days duration or shorter.

Midterm grades are provided as an indicator to let students know how they are progressing through their course work. Credit students receiving midterm grades below "C" should meet with their instructor, college tutor, and College Advisor (<http://www.ccc.edu/departments/Pages/Advising.aspx>) immediately to seek ways to improve their standing in the course.

Appeal Instructional Grading, Academic Dishonesty, or Enrollment Status – Procedures

Policy: Appeal Instructional Grading, Academic Dishonesty, or Enrollment Status (p. 13).

a. Appeal Final Grade or Academic Dishonesty

Students who are appealing a final grade or academic dishonesty are encouraged to contact their instructor informally prior to initiating a formal appeal.

Note: the burden of proof is on the student for final grade appeals, whereas the burden of proof is on the instructor for cases of academic dishonesty.

In Person Classes

Step 1: A student who wishes to appeal a final grade or finding of academic dishonesty (<http://www.ccc.edu/services/Pages/Grade-Appeal.aspx>) must first meet with the instructor to review the criteria applied in assigning the final grade or evidence supporting a finding of academic dishonesty. The student must initiate this appeal within thirty (30) calendar days after the student's final grade has been posted in the student information system or a finding of academic dishonesty by submitting a Grade or Academic Dishonesty Appeal Form to the instructor with a copy to the Department Chairperson (or Dean of Instruction or equivalent college officer if the instructor is also the Department Chairperson).

Step 2: The instructor shall respond to the appeal by meeting with the student and rendering a written decision within seven (7) calendar days after receipt of the appeal.

Step 3: If the student is dissatisfied with the instructor's written decision, the student may appeal in writing to the Department Chairperson (or Dean of Instruction or equivalent College Officer if the instructor is also the Department Chairperson) within fourteen (14) calendar days of the instructor's written decision. The Chairperson (or Dean) shall investigate the matter and communicate the outcome of the investigation and a decision to

the student in writing within fourteen (14) calendar days after receipt of the appeal. The investigation shall include a meeting with the:

- Instructor to review the criteria applied to the student's performance in assigning the final grade or evidence supporting a finding of academic dishonesty; and
- Student to hear the basis of the grievance and review the student's supporting evidence.

Step 4: If the student is dissatisfied with the Department Chairperson's (or Dean's) written decision, the student may appeal in writing to the Academic Vice President within seven (7) calendar days of receipt of the Department Chair's (or Dean's) written decision. The Academic Vice President shall review the matter and issue a decision in writing within seven (7) calendar days after receipt of the appeal. The decision of the Academic Vice President is final.

Step 5: If at any step in the appeal process the student does not receive a written decision by the deadlines stated above (note: it may not always be possible to meet the written decision deadlines, particularly during periods between terms), the student may proceed to the next level of appeal (the sole exception being a showing of good cause to be determined by the administrator assigned to the next level of appeal).

Online Learning Classes

The process for online classes is the same as above until Step 3. When appealing to the Department Chairperson (or Dean), all CCC online students should first contact the Office of Instruction at Harold Washington College, which will facilitate communication with the respective Department Chairperson at Harold Washington College. This is done because all CCC online classes are offered through Harold Washington College. As of Step 3, the appeal process for online classes will be administered at Harold Washington College.

Grade Change by Someone Other Than The Instructor

A grade may be changed by someone other than the instructor of the course or the Department Chairperson only in the event there is objective evidence to do so and in response to a student appeal. In that event, another instructor who is credentialed to teach the course within the discipline shall be appointed by the Department Chairperson to conduct an evaluation of the student's performance and award the final grade.

b. Appeal Final Enrollment Status

It is the student's responsibility to officially withdraw from classes (see WTH – Class Drop or Withdrawal (p.) and the Glossary of Terms (p. 55) for more information).

Students who wish to appeal a final enrollment status or non-grade designation should contact the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>) of the college where the class was offered. Students must provide a rationale and supporting documentation as to why the enrollment status should be changed. See Non-Grade Designations for more information (p. 82).

Student Responsibilities Regarding Registration and Enrollment- Procedures

Policy: Student Responsibilities Regarding Registration and Enrollment (p. 84)

Schedule Revision Procedures

Students enrolled in the regular 16-week session have the option to revise their schedule during the first week of semester without penalty. The Summer term will have a shortened schedule revision period.

During the Schedule Revision Period, students who wish to make changes to their class schedule must do so with the assistance of a college advisor. An approval from the instructor is required if adding a course after it has begun. Online classes require instructor consent after the 3rd day of the class for the Fall and Spring terms and after the 1st day in the Summer term.

1. Students will submit a Schedule Revision Form by submitting a request to add or add/drop.
2. A College Advisor will review the request and confirm:
 - a. Student eligibility
 - b. Class availability
 - c. The class must be open
3. If the student meets all requirements and the class has not started, the advisor will assist to enroll the student
4. If the student meets all requirements and the class has started, the advisor will submit the request to enroll to the instructor for approval prior to enrolling. Instructor consent is at the discretion of the instructor and is not guaranteed.

Note: Students are eligible to enroll in open classes only. If the class is full at time of registration, the student will need to select another class.

Students must also follow the payment deadlines and may be dropped if payment is not satisfied by the deadline listed in the student portal, including classes enrolled in during the Schedule Revision Period.

It is ultimately the student's responsibility to drop unwanted classes

Repeating & Retaking Courses – Procedures

Policy: Repeating & Retaking Courses (p. 14).

a. Allowed Repeatable Courses (ARC)

*Before registering, students should meet with their College Advisor to confirm the maximum allowable credits for the ARC course. Note: students who wish to repeat an ARC course to improve a previous grade **must**, at the time of registration, submit a CCC grade improvement request form to his/her College Advisor. The completed request form must be submitted to the Office of the Registrar.*

b. Retaking Courses

Before registering, students should meet with their College Advisor and, if applicable, their Financial Aid Advisor (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>) to review the benefits and consequences of retaking the course.

c. Repeating Courses That Are No Longer Offered

- i. *Students should meet with their college advisor to identify an appropriate replacement course and complete an appeal form for all courses not listed on the grid below. The appeal form must be submitted to the College Registrar who will review and determine if the substitution is appropriate. The decision of the College Registrar is final.*

- ii. *Courses listed on the grid below have been approved to substitute for an equivalent course that is no longer offered at CCC. Once the repeat course is taken, the original grade will be excluded from the student's GPA, the original course will remain on the transcript.*

Deceased Student – Procedures

Policy: Deceased Student (p. 15).

a. Confirmation of Death

Verification of death must be obtained prior to making any updates to a deceased student's academic record or student account. An original or certified copy of the death certificate is required and must be submitted to the Office of the Registrar; a news report, obituary, deceased posting, etc. may not be used to verify death. An official death certificate may be requested from:

- A medical professional or mortuary (preferred), or
- The student's family

b. Student Record

Upon verification of death, the Registrar will update the student's status to "deceased" and will withdraw the student from all enrolled classes, effective on the date of death.

c. Student Indebtedness

The total remaining balance due on the student's account will be waived. If a refund is due, it will be issued to the student's estate.

d. Financial Aid

CCC will perform an R2T4 calculation to determine the amount of funding that must be returned to federal financial aid programs.

- If the calculation indicates that the school must return funds, CCC will return the funds through the G5 drawdown process.
- If the calculation indicates that the student must return funds, CCC will apply an exception. The student's estate is not required to return any Title IV funds that were previously disbursed.

If the deceased student received Title IV aid during the payment period or period of enrollment and has a previous grant overpayment, CCC will notify the federal Debt Resolution Services that the student is deceased. If the student has a credit balance that has not been refunded at the time of death, the school may apply any funds owed for unpaid institutional charges or for previous amounts owed due to R2T4 withdrawal determinations. Any amount of the credit balance remaining after institutional charges must be returned to Title IV programs.

If a deceased student has earned Federal Work-Study income that has not yet been paid, CCC will deliver such earnings to the student's estate.

Illinois Articulation Initiative – Procedures

Policy: Illinois Articulation Initiative (p. 16).

Information about the IAI may be found at <http://www.itransfer.org>. The site includes information on requirements for general education and specific majors plus course descriptions, a student planning worksheet, IAI approved courses for participating institutions, transfer tips, etc.

Additional transfer information is available at: <https://www.transferology.com/>.

Physical Education Courses – Procedures

Policy: Physical Education Courses (p.).

Students should be advised and made aware of the Physical Education (Health and Fitness Science) requirements of the four-year colleges or universities to which they may want to transfer.

Student Program Status & Governing Academic Catalog – Procedures

Policy: Student Program Status & Governing Academic Catalog (p. 19).

a. Students with an Active Status

The effective date of the program/plan or home college change is the date processed in the student system. No backdating is allowed.

b. New or Readmitted Students

- Students matriculated prior to the first day of the term: The effective date of the program/plan or home college change is the date processed in the student system. No backdating is allowed.
- Students matriculated after the first day of the term for late start sessions: the effective date of the program/plan or home college change is the first day of the term. No backdating is allowed after the first day of the late start session (for which they were admitted).

Graduation Requirements for Degrees – Procedures

Policy: Graduation Requirements for Degrees (p. 20).

a. Degree Confirmation

Degree confirmation must be formally declared and recorded in the student information system.

b. Number of Semesters/Terms Needed to Earn 60 Credit Hours

Credit Hours per Term	Terms Needed to Earn 60 Credit Hours
15	4
12	5
9	7
6	10
3	20

Students who expect to complete an Associate Degree program (60+ credit hours) in two years will need to take fifteen (15) or more credit hours per term or enroll in one or more Summer terms. The length of associate degree programs can vary from 60 to 78 program credit hours. Additional credit hours may be necessary if remedial and/or prerequisite coursework is required.

Revocation of Degrees or Certificates – Procedures

Policy: Revocation of Degrees or Certificates (p. 21). (p. 21)

The President of the College that awarded the degree or certificate will convene a special hearing to review the evidence surrounding the alleged violations. Upon recommendation of the College President and with the concurrence of the Provost & Chief Academic Officer, the recommendation to revoke the award will be forwarded to the Chancellor for final approval.

Upon revocation, the student's permanent academic record, official transcript, and any other relevant CCC documents will be updated to reflect the revocation of the degree or certificate. Both the conferred award and revocation will be included in the student's permanent academic record and will appear on the student's official transcript.

Posthumous Degree Awards – Procedures

Policy: Posthumous Degree Awards (p. 21).

The recommendation for a degree should be made at the request of the deceased student's family, family representative, or by a faculty member and submitted to the Dean of Student Services at the same college.

The Dean of Student Services will compile student information to include current enrollment, progress toward completion, good academic standing, and support and approval of the family and will consult with other Deans and, in some cases, other faculty.

The final recommendation should be submitted to the Vice President and Chief Academic Officer of the faculty member's college who will submit the recommendation to the College President where the recommendation was made. The recommendation will be submitted to the President of the College from which the degree will be conferred (if not the same college).

After approval by the College President(s), the actual presentation of the degree should be at the discretion of the family, either presented at graduation to a family member or mailed.

Recommendations for posthumous degrees will be processed for spring graduation ceremonies. If recommendations are made other than for spring graduation, the degree will be immediately conferred or postponed until the next spring graduation at the discretion of the family.

Course Directives – Procedures

Policy: Course Directives (p. 21).

a. Course Substitutions

Course directive (substitution) appeals, wherein a successfully completed course outside of the curriculum is used to satisfy a requirement of the student's academic program, shall be approved by the college Vice President.

b. Course Operational Maintenance

- Course directives wherein elective credit is used to make-up a credit hour shortfall, particularly in the case of transfer credit from a quarter system institution, shall be approved by the Registrar. For further information, see Credit Hour Requirements for Academic Program Completion (p. 20).
- Elective course substitution as indicated in the Academic Catalog may be approved by an advisor, Registrar, or Dean.

Residency – Procedures

Policy: Residency (p. 22).

Dependency status may be confirmed with the Financial Aid Office (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>).

New students should verify their residency at the Admissions Office (<http://www.ccc.edu/departments/Pages/Admissions.aspx>).

Continuing and returning students should visit the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>) for residency verification and updates.

All students may view their official address by visiting my.ccc.edu (<http://my.ccc.edu>). Students may update their official address (<http://www.ccc.edu/services/Pages/Update-Student-Records.aspx>) by visiting the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>) (see Student's Responsibility to Maintain Current Address (p. 22)). Note: students must change their official address no later than the first day of the term for their new address to apply to the current term (see In-District Students (p. 22)). After the first day of the term, official address changes will apply for the next term for purposes of residency and tuition calculations.

If CCC sends mail to a student which is returned by the U.S. Postal Service, a "bad address" indicator will be placed on the student's account, which will prevent future enrollment until a valid address is confirmed. Students with a bad address indicator must provide two separate verification items from the list above, and have their address updated and bad address indicator removed at the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>).

Document(s) submitted as proof of residency may be subject to further verification.

Non-Refundable Other Charges – Procedures

Policy: Non-Refundable Other Charges (p. 23).

a. Loaner Laptop Computer Fines for Late Return, Loss or Damage

Loaner laptop computers may be borrowed for a period of thirty (30) calendar days or until the end of the term, whichever comes sooner. Loan extensions may be granted to students in good standing, depending on device availability.

Students who fail to return loaner laptops to the location from which they were borrowed and/or fail to pay for damages will be charged up to the full value of the laptop on their student account. These students will not be able to register for classes until the charges are paid in full and will lose future borrowing privileges.

b. Scientific Calculator Fines for Late Return, Loss or Damage

Scientific calculators may be borrowed for a period is one (1) day; calculators must be returned by end of day they are borrowed. Fines are assessed at \$1.00 per hour. If a calculator is not returned by the end of the term or is returned damaged, the calculator becomes the property of the student and charge of \$140 and a hold will be placed on the student's account. The student will not be able to register for classes and will lose borrowing privileges until charges are paid in full.

c. Audio-Visual (A/V) Equipment Fines for Late Return, Loss or Damage

A/V equipment may be borrowed for a period is one (1) day; equipment must be returned by end of day they are borrowed. Fines are assessed at \$1.00 per hour. If the equipment is not returned by the end of the term or is returned damaged, the equipment becomes the property of the student and a replacement cost and a hold will be placed on the student's account. The student will not be able to register for classes and will lose borrowing privileges until charges are paid in full.

Financial Obligation – Procedures

Policy: Financial Obligation (p. 23).

a. Students Financial Responsibilities

- Upon registration, students are responsible for all costs as a result of his/her enrollment. If the student plans not to attend a class, it is his/her responsibility to withdraw from the class. See Class Withdrawals & Refunds (p. 24) for more information about class withdrawals and refunds. Not attending or not completing a class does not relieve the student of charges.
- Administrative, clerical or technical billing errors do not absolve the student of financial responsibility to pay the correct amount of tuition and/or other financial obligations.
- If awarded financial aid, withdrawing from class(es) after the qualified refund date may cause a reduction or ineligibility of the student's financial aid and may result in an unpaid balance which is the student's responsibility.
- If a student's account becomes delinquent, CCC may refer the delinquent account to a third-party collection agency, and the student will be responsible to pay all costs and expenses assessed by the collection agency to resolve the unpaid debt.

- Students are responsible for making payment arrangements by the payment deadline or could be removed from classes.

b. Payment Arrangements

Failure to make payment arrangements may result in the student being dropped from his/her classes.

Note: If a student fails to make payment but is not automatically dropped from course enrollment, the student is still responsible for paying any outstanding tuition and charges, because the student is responsible for taking appropriate steps to withdraw from a course (see WTH – Class Drop or Withdrawal (p. 13)).

c. Delinquent Accounts

A student with a delinquent account will have his/her record flagged as delinquent. Students with delinquency flags for any career program/plan will not be allowed to register for classes or receive transcripts, diplomas, or certificates until their outstanding balances have been resolved and the delinquency flag has been removed. Payment of all outstanding delinquent balance(s) must be made in full before a student will be permitted to register for classes at any CCC college.

d. Student Defaults

If a student defaults on his/her payment plan due to insufficient funds or an invalid account, he/she will be required by the Business Services Office to pay in full at the time of enrollment for subsequent terms. Additionally, CCC will charge a non-sufficient funds charge if a student's method of payment is unable to be processed for any reason.

e. Appeals of Tuition and/or Other Charges

Students may appeal a charge on their student account in writing using the approved Financial Appeal form available at the Business Services Office. Appeals must be submitted within thirty (30) calendar days following the end date of the term in which the disputed charge(s) were posted in the student information system. Financial appeals will be reviewed and a written decision will be communicated via the student's CCC email account.

Note: appeals submitted after the thirty (30) day time period will not be considered unless the student can provide valid documentation that shows he/she was medically incapacitated or incarcerated and, therefore, unable to appeal during the thirty (30) day timeframe.

Tuition Assistance – Chargebacks & Cooperative Agreements – Procedures

Policy: Tuition Assistance – Chargebacks & Cooperative Agreements (p. 24).

As of Summer 2017, CCC is a participant in the statewide Comprehensive Agreement Regarding the Expansion of Educational Resources (CAREER Agreement). Under this agreement, CCC students who wish to enroll in an academic program not available at any of the City Colleges of Chicago may apply to CCC for approval to attend another public Illinois Community College where the desired program is offered and pay that college's in-district tuition rates.

Applications for approval under the CAREER Agreement are due no later than thirty (30) days prior to the first day of class at the college the student plans to attend. Application forms and further information, including program rules and requirements which are subject to change without notification,

are available by visiting www.ccc.edu/chargeback (<http://www.ccc.edu/chargeback/>).

CAREER Agreement approval is granted at the program level. If CCC offers a comparable program, approval will not be granted under the cooperative agreement, even if the receiving college offers the program in a different format from CCC. The determination of eligible programs is made at CCC's sole discretion.

Students may receive CAREER Agreement approval for up to three (3) terms at a time. Students must reapply under the CAREER Agreement each academic year. CAREER Applications will only be approved for students with no debt owed to CCC.

If CCC has authorized a student for the first year of a program in another district under the CAREER Agreement, and subsequently CCC develops a comparable program, the student is not required to transfer back to CCC for the balance of the program. In general, once a program has been approved for a student under the CAREER Agreement, CCC continues that approval, upon reapplication each year, until the program is completed. However if CAREER Agreement approval is granted and the student permanently moves out of the CCC district, authorization is valid only for the remaining unexpired term or semester.

In the case that the desired program is offered by an Illinois public community college that is not participating in the CAREER Agreement, CCC may authorize a tuition assistance via a tuition chargeback. If CCC has a cooperative or joint agreement with another Illinois community college for the desired program, CCC will not offer tuition chargeback assistance for that program at any other college.

CCC does not provide chargeback approval for comparable programs or courses as determined by CCC's sole discretion. CCC will not approve chargebacks for general education, developmental education, and/or program prerequisite courses.

Students must apply for chargebacks each term requested. Chargeback applications will only be approved for those students with no debt owed to CCC. CCC does not provide tuition chargebacks for courses where a failing graded is earned nor for repeat courses.

Students may only receive tuition chargeback assistance for courses that have been approved for that student for a given term. Students may not receive tuition chargeback assistance for any course substitutions that are not approved by CCC.

Authorization of a chargeback shall not exceed two (2) consecutive calendar years [maximum six (6) consecutive terms including summer terms] of study for any individual, regardless of program length. Additionally, chargeback authorization is limited to one (1) program per applicant in their lifetime.

Non-Chicago residents who wish to enroll in a college level academic program that is not available at a community college in their district should apply for tuition assistance to their local community college board office or to their high school district in those districts having no community college board. A student must present his/her chargeback or cooperative agreement letter to the Business Office of the CCC college with which he/she enrolls at the time of registration.

The Tuition Chargeback & Cooperative Agreements application will only be available during the application period and will be posted at www.ccc.edu/chargeback (<http://www.ccc.edu/chargeback/>) for approximately

one month, closing no later than three (3) weeks prior to the start of the application term.

Chargeback and cooperative agreement decisions and notifications will be made on a rolling basis and applicants will be notified of the decision via email.

Tuition Waiver Programs – Discretionary – Procedures

Policy: Tuition Waiver Programs – Discretionary (p. 24).

a. Chicago STAR Scholarship

The Chicago STAR Scholarship program provides last-dollar coverage of tuition costs plus the cost of books and materials required or recommended for enrolled program courses. To be eligible for waivers a student must:

- Graduate from a Chicago Public Schools (CPS) or Chicago charter high school
- Have a cumulative high school GPA of 3.0 or higher on a 4.0 scale
- Be designated, at the sole discretion of City Colleges, "completion-ready" in Math and English

Chicago STAR Scholars have up to three (3) years of scholarship eligibility from their high school graduation date (Maximum Timeframe), regardless of when they begin their program. STAR scholarships end upon degree completion or reaching Maximum Timeframe, whichever comes first. They must start at City Colleges and gain completion ready status no later than the third term (excluding Summer term) following their high school graduation and must maintain program eligibility requirements. The Chicago STAR Scholarship program is open to undocumented students.

Misuse of STAR Scholarship benefits may result in loss of scholarship eligibility plus potential financial responsibility.

b. CCC Academic Achievement Award

The College President may recommend CCC Academic Waivers to students with academic potential shown by:

- Academic achievement:
 - Cumulative high school GPA of 3.0 or above, or
 - GED[®] score of 680 or above and passing score on each of the four (4) content areas, or
 - Cumulative GPA of 3.0 or above, which must be maintained

- *Chicago residency and eligible for in-district tuition rates*
- *Full-time enrollment in a degree or certificate program for term*
- *Recognized documented (describe type and level of service provided) service to the college community*
- *Any other attributes recognized, in the College President's judgment, as warranting consideration*
- *Award is decided by committee based on President recommendation*

d. Student Government Association (SGA)

For students serving as a member of the SGA Executive Leadership Team, the City Colleges will waive up to a specified amount of tuition per term for students who meet all eligibility criteria and remain in good standing. In addition to the tuition waiver, students are eligible to receive a book voucher. The amount of the voucher for books will be prorated to the student's enrollment level each term. In order to be eligible for this waiver, the applicant must:

- *Be a member of the SGA Executive Leadership (President, Vice President, Treasurer and Secretary) for the term in which the waiver is granted*
- *Maintain a cumulative and term GPA of 2.75 or higher*
- *Apply for financial aid by completing the FAFSA for the appropriate academic year (this requirement can be waived if the applicant does not qualify for financial aid due to citizenship status)*
- *Fulfill the Executive Leadership duties and responsibilities outlined in City Colleges of Chicago Academic & Student Policy and SGA Guidelines including Code of Conduct and SGA Executive Goals*
- *Apply for the tuition waiver at the end of each term and submit the completed application to the Dean of Student Services before the first day of class of the following term to be considered eligible*
- *The SGA waiver applies only to classes required for the student's academic program*

e. Gateway Scholarship

Eligible Adult Education students receive reduced tuition and supportive services as they transition into college credit courses. Gateway scholars' tuition for credit courses is reduced by half for four semesters.

To qualify for the Gateway program, students will need to:

- Complete one or more Adult Education classes at City Colleges during the prior or current academic year
- Qualify for in-district tuition by either living in Chicago or working full-time in Chicago
- Have earned a high school diploma or equivalency OR plan to earn their high school equivalency before the anticipated first college credit term
- Complete the online credit application
- Take the CCC Read-to-Write placement exam and score a 3 or higher (or 33 or higher for the CCC-RTW-ESL)
- Take the ALEKS placement exam and score a 30 or higher or placement into Math 90.

- Enroll in at least six credit hours in their first term, which must include English.*

* Students in programs which do not require English are not required to enroll in English.

Students with F-1 or J-1 visas are ineligible for the Gateway Scholars Program

f. Athletic Tuition Waiver Policy

Student-athletes eligible under National Junior College Athletic Association (NJCAA) standards are considered qualified to receive tuition waivers. A tuition waiver awarded for athletic purposes is defined by the NJCAA as an "Athletic Scholarship" that provides financial assistance to a student from any source because of his or her athletic capabilities.

In accordance with NJCAA regulations, waivers are available to sport offerings designated as Division I or Division II. CCC may offer waivers not to exceed the cost of in-district full-time tuition and up to a specified amount per term for required course-related books and course required supplies. The awarded waiver can assist in the cost of tuition at any CCC campus provided the student-athlete is enrolled full-time (minimum of 12 credit hours) at the institution for which he or she participates during a defined NJCAA intercollegiate athletic season. City of Chicago residency is not required to be eligible for the waiver. Waiver details are defined in the annual NJCAA National Letter of Intent issued to each student-athlete. In accordance with NJCAA rules and regulations, student-athletes cannot receive assistance, in cash or in-kind, which is not administered by the institution, or which does not fall within the permissible limits of a grant-in-aid or scholarship as defined by the NJCAA. Consequently, those student-athletes who receive an Athletic Tuition Waiver that includes the cost of books are not allowed to sell or exchange their books. Therefore, student-athletes are required to either sign an affidavit attesting their understanding of this regulation or they are required to return all books purchased to the Athletic Department at the end of each term. Student-athletes that have an enrollment change or drop a class and have already purchased books are required to return the books to college online book store within 30 days of the order confirmation to receive full credit. Failure to sign the affidavit or return books for credit to the book store would be a violation of NJCAA by-laws and force the student-athlete into a period of suspension or ineligible status to compete until all books purchased with an Athletic Tuition Waiver are returned to the Athletic department.

The maximum number of annual waivers potentially available per sport will be dictated by the NJACC. These are one-year, renewable awards (subject to available funding and the successful fulfillment of all NJACC eligibility requirements) and may include summer school expenditures, provided participation in summer courses counts toward a CCC degree based on the student-athlete's academic program plan. Renewal of the tuition waiver must be given in writing to the student-athlete and college Business Services Office as soon as eligibility is determined. Actions regarding prohibited practices or cancellation of a waiver will follow the established regulations of the NJCAA and CCC standards of conduct outlined in City Colleges of Chicago Academic & Student Policy.

NJCAA athletic scholarship rules and regulations can be found in the NJCAA Handbook & Casebook (https://www.njcaa.org/member_colleges/handbook/).

g. Non-Resident Working in the City of Chicago

Out-of-district students working thirty-five (35) or more hours per week in the City of Chicago may qualify for in-district tuition by showing proof of full-time employment. Proof of employment may be subject to additional verification.

Verification must be submitted for each term of enrollment. Acceptable documentation includes:

- A recent pay stub, **and**
- A letter from the student's employer on the employer's letterhead signed by an authorized representative of the employer certifying the student's in-district employment of at least thirty-five (35) hours per week

Students with Out-of State residency are not eligible for In-District tuition.

h. Chicago Police and Firefighters Training Academy (CPFTA)

The (CPFTA) program provides training for high school students interested in careers in public safety, law enforcement, criminal justice, and fire science. The CPFTA curriculum allows juniors and seniors who are city residents to progress seamlessly from high school directly into CCC to complete their associate degree.

The waiver is awarded to high school graduates of the academy. Eligible awardees must maintain enrollment in a degree granting program during the award period. The waiver will cover the cost of tuition associated with college credit course work. The waiver may be used in the Fall and Spring terms only. The waiver is renewable for two consecutive terms, however, students must apply each term and maintain the required grade point to qualify for continued eligibility.

Students are required to apply for federal and state financial aid programs. Students whose financial aid covers tuition charges are not eligible to receive a waiver. Students with remaining direct need after financial aid funds have been applied will have the difference of the applicable charges waived.

1. Employee, Spouse/Domestic Partner and Dependents

All full-time non-bargained for Board approved employees are eligible to receive free tuition at City Colleges for themselves, a spouse/domestic partner, and dependent children up to age 25 during terms in which they are employed. Free tuition is limited to credit classes only. The employee is required to pay all applicable charges. The employee must provide documentation (e.g., tax return; divorce decree; or in the case of spouse filing separately, provide a marriage certificate and tax return for the spouse) to the college that his or her spouse/domestic partner or dependent qualifies for the waiver.

i. Debt Forgiveness

Circumstances arise where a student may request a tuition waiver (based on a personal situation, emergency circumstances, or potential institutional error). In these cases, the student must complete and submit a written Debt Forgiveness Petition and supporting documentation to the College Business Office for review by the College Petition Waiver Committee.

The student will receive a decision by the College Petition Waiver Committee in writing; although a Debt Forgiveness Waiver will only be granted if it is determined by the committee that there is an institutional error or the student is able to demonstrate that documented mitigating circumstances led to the debt and contribute to the student's inability to repay the debt. The decision of the College Petition Waiver Committee is final and is not subject to appeal.

Selected youth must earned a high school diploma from a public school district or a recognized nonpublic school or a high school equivalency certificate or who have met the State criteria for high school graduation. Scholarship recipients shall be eligible for scholarships and fee waivers which will entitle them to four (4) consecutive years of community college, university, or college education. Selection shall be made on the basis of scholastic record, aptitude, and general interest in higher education. In accordance with this Act, tuition scholarships and fee waivers shall be available to such students at any university or college maintained by the State of Illinois. The Scholarship applies to full-time students (12+ credits) and includes a tuition waiver, book voucher (**only waived if Financial Aid does not cover books and supplies**), monthly stipend (State paid), and State provided medical card until age 23. Students are required to attend summer school (6+ credits) to maintain their monthly stipend during the summer months.

c. Illinois Veteran Grant (IVG) (110 ILCS 947/40)

The IVG Program pays tuition and mandatory charges for undergraduates for honorably discharged veterans with at least one year of full-time active duty, or who served in a foreign country during a time of hostilities in that country regardless of length of service or was medically discharged for service related reasons or discharged prior to August 11, 1967. Veterans residing out-of-district will qualify for in-district tuition. The Veteran Certifying Official (located in the Financial Aid Office (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>)) can assist the student in determining his/her eligibility for the IVG Grant. For more information about veterans benefits and repeating courses, see Veterans Education Benefits (p. 27) and Repeating & Retaking Courses (p. 14).

d. Illinois National Guard (ING) Grant (110 ILCS 947/45)

The Illinois National Guard Grant pays tuition and eligible charges for eligible members of the Illinois National Guard. The Veteran Certifying Official (located in the Financial Aid Office (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>)) can assist the student in determining his/her eligibility for the ING Grant. Veterans residing out-of-district will qualify for in-district tuition. For more information about veterans benefits and repeating courses, see Veterans Education Benefits (p. 27) and Repeating & Retaking Courses (p. 14).

Tuition Waiver Programs – Contractual – Procedures

Policy: Tuition Waiver Programs – Contractual (p. 24).

a. Dual Enrollment

The Dual Enrollment Program allows academically qualified high school students, who are college eligible based on defined enrollment criteria (see Early College Program (p. 28)), to enroll in college courses at one of

the seven (7) City Colleges (CCC) campuses and receive college credit for their work. Courses must be selected from a list of transferable courses that have been articulated with senior institutions in Illinois or from the first-year courses in an ICCB approved associate in applied science degree program. Career Technical Education (CTE) courses are also eligible for Dual Enrollment. Course instruction occurs on the CCC campuses. Students in dual enrollment frequently enroll in English, Mathematics, Foreign Languages, Science, and Literature. A student may take more than one course. However, only **one course per term** will be covered by CCC and only if the student is a resident of Chicago or attends a Chicago high school. The waiver will cover tuition for the class.

b. Employee, Spouse/Domestic Partner and Dependents

Subject to the terms of the specific collective bargaining agreement provisions in place at time of registration, union employees may register at CCC for themselves, a spouse/domestic partner, and dependent children up to age 25 tuition-free. Free tuition is limited to credit classes only. The employee is required to pay all applicable charges. The employee must provide documentation (e.g., tax return; divorce decree; or in the case of spouse filing separately, provide a marriage certificate and tax return for the spouse) to the college that his or her spouse/domestic partner or dependent qualifies for the waiver.

Federal Financial Aid Eligibility – Procedures

Policy: Federal Financial Aid Eligibility (p. 25).

The first step in the financial aid process is to complete the FAFSA (www.fafsa.gov (<http://www.fafsa.gov>)) and to list the college code for CCC at which the student plans to complete his/her degree or certificate. If the student is unsure as to which City College of Chicago he/she plans to attend, then the student should list multiple school codes on the FAFSA. Once the college receives the FAFSA, the Financial Aid Office will follow-up with the student by sending a detailed email to his/her CCC student email account. The email will either list additional requirements that are part of the financial aid process, or it will be a notification of the student's financial aid awards. The financial aid process should be completed prior to registration. A financial aid tuition deferment will not be granted unless a student has completed all outstanding financial aid requirements.

A student's estimated financial aid award is determined based on a number of factors, including but not limited to, his/her enrollment status in eligible courses at the financial aid census date for the term, Expected Family Contribution as derived from the FAFSA, academic program duration, and federal and state eligibility limits by program. The Financial Aid Office can provide detailed information on each of these requirements.

Book Vouchers are typically available one week before classes begin for the term. A financial aid book voucher is available when a student has a Pell Grant and/or a Federal Direct Loan that exceeds his/her tuition charges for the term. The dates and times for book vouchers will be posted in the Financial Aid Office. To receive a book voucher, a student must have provided all requested financial aid documents, and then logs into my.ccc.edu (<http://my.ccc.edu>), navigate to their current year financial aid information, and selects "yes" in the book voucher authorization section of the portal. The book voucher authorization will remain for the duration of the student's enrollment at CCC unless he/she logs into my.ccc.edu (<http://my.ccc.edu>) and updates the book voucher authorization to "no". Please visit the

Financial Aid Office (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>) for additional information on book vouchers.

Financial aid is disbursed at different times throughout the academic year. Unless Federal regulations require otherwise, a single disbursement of financial aid dollars will occur 4 - 6 weeks after the term begins. For the Summer term, 100% of the disbursement will be scheduled 2 weeks after mid-term. A student can expect his/her financial aid refund approximately 14 days after he/she has a credit balance on his/her student account due to a financial aid disbursement. Some academic programs will qualify for a different financial aid disbursement schedule. Disbursement date information can be obtained in the Financial Aid Office.

Financial aid will pay for up to 30 credit hours of remedial/developmental course work specified as prerequisites to classes required for the completion of the student's financial-aid-eligible academic program.

Note: financial aid is not available for Foundational Studies courses.

Satisfactory Academic Progress – Procedures

Policy: Satisfactory Academic Progress (p. 27).

I. Student's Satisfactory Academic Progress (SAP) Status

The following items are indicators of a student's financial aid status.

- a. **SAP Good Standing:** Students who are meeting all aspects of the Satisfactory Academic Progress policy.
- b. **SAP Warning:** Students who fail to meet Satisfactory Academic Progress for the first time (excluding students who have already attempted 150% of the credits required for their programs of study) will be automatically placed in a Warning Status for one (1) term and are expected to meet SAP requirements by the end of that term. No appeal is required during this Warning period. Students who fail to meet Satisfactory Academic Progress requirements at the end of the Warning status term will be placed on a Financial Aid Hold. However, with a successful SAP appeal, those students will be placed on Financial Aid probation and will retain financial aid eligibility.
- c. **SAP Probation:** Students who have successfully appealed their Financial Aid Hold are placed on Probation. Students on Probation are eligible to receive Financial Aid for one (1) semester, after which they MUST be in Good Standing or meeting the requirements of an academic progress plan.
- d. **SAP Hold:** Students who do not meet the credit progression schedule and/or the cumulative grade point average standard, or who fail to meet the requirements of their academic progress plan, will be placed on a Financial Aid Hold. Students on a Financial Aid Hold are not eligible to receive Financial Aid.

II. Student Notification

- a. All credit students currently receiving Financial Aid will receive notification of their Satisfactory Academic Progress status through their CCC e-mail at the conclusion of end of term processing.
- b. Students who have been placed on a Financial Aid Warning or a Financial Aid Hold will also have an alert in their my.ccc.edu Student Portal.

III. Evaluating Progress

- a. The Office of Student Financial Aid evaluates Satisfactory Academic Progress for Financial Aid applicants three times a year (at the end of each semester). Returning students, who were not enrolled for the prior semester evaluation, are reviewed for Satisfactory Academic Progress when CCC receives their Free Application for Federal Student Aid (FAFSA).

IV. Standards of Satisfactory Academic Progress

a. Standard 1: Grade Point Average (GPA):

Students must maintain a minimum cumulative GPA according to the following chart:

Total Number of Credits Attempted	GPA Requirement
1-15	1.5
16-30	1.75
31 or more	2.0

* Grades for Remedial courses are included in the GPA calculation.

*Courses that receive a grade designation of Satisfactory "S" or Unsatisfactory "U" do not count towards the GPA.

*Non-grade designations of ADW, WTH, NSW, AUD, or Incomplete ("I") will be part of the student's transcript, but will not count towards the GPA.

*Non-grade designations of NC will be a part of student's transcript, but will not count towards GPA, PACE or TIMEFRAME

b. Standard 2: Rate of Completion (Pace):

A student must earn at least the minimum cumulative Pace percentage, as shown below, for the attempted number of credit hours. Only non-remedial courses are included in this calculation.

Total Number of Credits Attempted	Pace Requirement
1-15	50%
16-30	60%
31 or more	67%

*This includes earned letter grades of A,B,C,D, or F, Satisfactory/Unsatisfactory grades, transfer credits that are applicable towards the student's degree/certificate, repeated courses, administrative withdrawals (ADW), student initiated withdrawals (WTH -after the transcript date) and classes for which an Incomplete("I") was earned. This also includes courses a student may have taken at any one of the City Colleges of Chicago many years ago or during Dual Enrollment while in high school. This excludes remedial coursework

c. **Standard 3: Maximum Timeframe:** Students must complete their degree or certificate program at City Colleges of Chicago (CCC) within a time frame that is no longer than 150% of the published length of the program. The time frame includes all attempted credit course work at CCC, as well as courses from other schools accepted for transfer at CCC (regardless of any change in program or any prerequisite course work necessary for admission to a program).

Factors that Affect Maximum Timeframe

- Credit Hours Attempted for Which the Student Did Not Receive Financial Aid That Are Applicable Toward the Current Program of Study

- Transfer Credit Hours That Are Applicable Toward the Current Program of Study
- Grade Designations of A, B, C, D, or F
- Academic Dishonesty Withdrawal (ADH)
- Administrative Removal from College (ADR)
- Administrative Withdrawal (ADW)
- Change of Academic Program
- Incomplete Courses
- Repeated Courses
- Satisfactory/Unsatisfactory Grades
- Subsequent Degrees/Certificates
- Voluntary Medical Withdrawal (VMW)
- Withdrawn (WTH)

V. Impacts to Enrollment Actions & Types of Courses on SAP

- a. **Academic Dishonesty Withdrawal (ADH):** Classes attempted during a term when an academic Dishonesty Withdrawal is posted are not included in the cumulative GPA calculation. However, the withdrawn courses do lower the student's Pace percentage and are included in the Maximum Timeframe calculation unless the student withdraws prior to the Statistical Date (the date after which the class appears on a student's transcript). See [GLOSSARY OF TERMS](#) for more information about the Statistical (STAT) Date.
 - b. **Administrative Removal from College (ADR):** Classes attempted during a term when a student is removed from college and an ADR withdrawal is posted are not included in the cumulative GPA calculation. However, the withdrawn courses do lower the student's Pace percentage and are included in the Maximum Timeframe calculation unless the student withdraws prior to the Statistical Date (the date after which the class appears on a student's transcript). See [GLOSSARY OF TERMS](#) for more information about the Statistical (STAT) Date.
 - c. **Administrative Withdrawals:** Administrative Withdrawals (ADW) are not included in the cumulative GPA calculation. However, ADWs do lower the student's Pace percentage and are included in the Maximum Timeframe calculation.
 - d. **Audited Courses:** Audited courses (AUD) are not included in the GPA, Pace percentage, or Maximum Timeframe calculations.
 - e. **Cancelled Courses:** If a course is cancelled, it is not included in the calculation of GPA, Pace percentage, or Maximum Timeframe.
 - f. **Change of Academic Program:** A student may change their academic program one time with a SAP reset. Only courses from the prior program that apply to current program will be included in SAP calculations.
 - g. **Deleted Courses:** If a course is deleted (DEL) for the reason of non-payment or failure to meet the prerequisites, the course is not included in the calculation of GPA, Pace percentage, or Maximum Timeframe.
 - h. **Earned Letter Grades:** Earned letter grades of A, B, C, D positively impact a student's Pace percentage and bring the student closer to completing his or her program within the Maximum Timeframe of the program if the earned grade is the student's first graded attempt. Although a D letter grade may not negatively impact a student's Pace percentage, it contributes to lowering the student's GPA to below the required standard. Earning an F letter grade negatively impacts the student's GPA, Pace percentage and Maximum Timeframe determination.
- i. **Foundational Studies Courses:** Foundational Studies courses (also known as Pre-Credit courses) are not included in the GPA, Pace percentage, or Maximum Timeframe calculations.
 - j. **Incomplete grades:** Incompletes ("I" grades) are not included in the cumulative GPA calculation unless they are later converted to an F grade due to the student's failure to satisfy course requirements within the mandatory timeline. However, incompletes do lower the student's Pace percentage until they are changed to an earned letter grade of D or higher. Incompletes are included in the Maximum Timeframe calculation.
 - k. **Non-Credit (NC) Course:** For Spring 2020 courses, except for those in the first eight-week session, any student may elect for a grade to convert to NC (no credit) in the event that a grade of D or F is earned. The student must opt in for the NC designation prior to the end of the semester. A subsequent final grade of D or F will convert to NC. A subsequent final grade of C or higher will stand as a letter grade.
 - i. NC courses will be excluded from the quantitative component (pace, timeframe measurement) and (GPA measurement) of Satisfactory Academic Progress (SAP) attempted credits a student was unable to complete as a result of the COVID-19 national emergency per the following electronic announcement on May 15, 2020.
 - ii. (OPE Announcements) Subject: UPDATED Guidance for interruptions of study related to Coronavirus (COVID-19). (<https://ifap.ed.gov/electronic-announcements/051520UPDATEDGuidanceInterruptStudyRelCOVID19May2020>)
 - l. **No Show Withdrawals:** No Show Withdrawals (NSW) are not included in the GPA, Pace, or Maximum Timeframe calculations.
 - m. **Reinstate in a class (RNS):** Reinstated classes are included in all SAP evaluations.
 - n. **Remedial Courses:** Remedial (developmental) courses are included in the Cumulative GPA calculation and excluded from Pace percentage. Remedial courses are excluded from the Maximum Timeframe calculation.
 - o. **Repeated Courses:** When a student repeats a remedial or college level course for any reason, the last grade earned will be used in the GPA calculation in accordance with the Course Repeat and Allowed Repeatable Courses policies. All attempts will be calculated into the Pace percentage and Maximum Timeframe calculation.
 - p. **Satisfactory/Unsatisfactory Grades:** An earned grade of S (Satisfactory) positively impacts a student's Pace percentage and brings the student closer to completing his or her program within the Maximum Timeframe of the program. Earning a U (Unsatisfactory) grade negatively impacts the student's Pace percentage and Maximum Timeframe determination. These grades are not factored into the GPA qualitative measure.
 - q. **Subsequent Degree:** Students who complete a certificate or degree may request an SAP reset for a subsequent degree. Only courses from the prior program(s) that apply to the current program will be included in SAP calculations.
 - r. **Transfer Credit:** Although transferring credit hours to CCC will not impact the student's GPA, any credit hours accepted for transfer and applied to the student's academic program will be included in the Pace percentage and Maximum Timeframe calculations. Transfer hours will be included in both "hours attempted" and "hours completed" in the Pace percentage calculation.
 - s. **Voluntary Medical Withdrawal (VMW):** Classes attempted during a term when a Voluntary Medical Withdrawal is approved and posted are not included in the cumulative GPA calculation. However, the

withdrawn courses do lower the student's Pace percentage and are included in the Maximum Timeframe calculation unless the student withdraws prior to the Statistical Date (the date after which the class appears on a student's transcript). See [GLOSSARY OF TERMS](#) for more information about the Statistical (STAT) Date.

- t. **Withdrawals:** Student-initiated withdrawals (WTH) are not included in the cumulative GPA calculation. However, WTHs do lower the student's Pace percentage and are included in the Maximum Timeframe calculation unless the student withdraws prior to the Statistical Date (the date after which the class appears on a student's transcript). See See Glossary of Terms (p. 55) for more information about the Statistical (STAT) Date.

VI. Additional Standards

1. **Developmental Coursework:** Students may receive Financial Aid for a maximum of 30 semester hours of Developmental Studies courses as long as the courses are required as a result of placement testing, the student is in an eligible program of study, and SAP requirements continue to be met.
2. **Repeated Coursework:** Students can repeat courses with Financial Aid until successfully completed. There is no limit assuming all other SAP requirements are met. Repeated coursework will be included in the evaluation of completion rate and maximum timeframe. Students may only repeat a passed course once as long as it is in order to meet an academic standard (i.e., a higher grade is required for graduation or their program of study)
3. **Transfer Students:** Credits officially accepted in transfer will be counted in determining the maximum number of allowable credit hours for financial aid eligibility.
4. **Second Degree/Certificate Students:** Credits earned from a first degree or certificate must be counted if the student changes programs or attempts a second degree or certificate. Depending on the circumstances, an appeal might be warranted.

VII. Appeal Process and Reinstatement of Financial Aid Eligibility

1. If a student has been suspended from Financial Aid eligibility because of failure to meet the minimum SAP requirements, and the student feels that severe, extenuating or unusual circumstances have kept them from making progress toward their degree, the student may appeal.
2. To appeal, the student must submit an appeal online at ccc.edu/sap. The appeal should include all of the items below. Additional documentation may be requested in the review process.
 - i. Identify the circumstance(s) that kept the student from meeting the Satisfactory Academic Progress standards in the past.
 - ii. The student must detail the circumstance(s) affecting their academics, when the circumstance(s) occurred, the duration of the circumstance(s), how the circumstance affected the student's ability to complete their coursework.
 - iii. Identify what has changed that will allow them to achieve future academic success.
 - iv. Attach documentation that supports the appeal.
 - v. Students with a Maximum Timeframe must account for the credit hours that exceed 150%. Students do not need to account for semesters that were previously accounted for in prior appeals that were approved.
3. To provide consistency and fairness in decision-making, an SAP Appeal committee that includes three or more college administrators,

staff or faculty at the attending institution will make all appeal decisions within 10 business days upon review of the appeal and any applicable documentation.

Should an appeal be approved, with the exception of students who have had approvals granted on the basis of a program change/program completion reset or for meeting terms of a prior approval, students will then need to meet with an Academic Advisor at their attending institution and develop an Academic Improvement Plan for the upcoming semester with the student.

d. At the end of the semester, grades will be evaluated. If the student has met the required terms of the Academic Plan, the student may remain on Financial Aid Probation and continue to receive Financial Aid the following semester. If the student fails to meet the terms of the Academic Plan in any subsequent semester, the student will become ineligible to participate in all federal and state Financial Aid programs until the student is able to once again meet the minimum requirements for academic progress. Student progress will continue to be monitored at the end of each semester with the same terms in place until the student is in compliance with this policy.

If an appeal is denied, the student is not eligible to receive Financial Aid until SAP standards have been met. Students who wish to appeal their denial may do so by sending additional documentation in support of their appeal to the dedicated SAP e-mail address of their institution. Students whose appeal has been denied due to a finding of falsified documentation will not be able to appeal the denial.

e. Appeals submitted after the respective date will be cancelled. Students who are appealing a denial will be granted three weeks from the denial date to submit additional documentation for review. Students who do not submit this additional documentation within this timeframe will have their appeals stand as denied.

f. Neither paying for one's classes nor sitting out a term affects a student's academic progress standing, so neither is sufficient to re-establish financial aid eligibility.

VIII. Deadline to Appeal

- Friday, 3rd Week of September to receive Financial Aid for Fall
- Friday, 3rd Week of January to receive Financial Aid for Spring
- Friday, 3rd Week of June to receive Financial Aid for Summer

IX. Fraud

There are difficult situations where students purposefully misrepresent information in hopes of obtaining Financial Aid. The SAP Appeal Committee at City Colleges of Chicago is required to have a policy of referral when confronted with actual or suspected cases of fraud or abuse.

- a. Students who willfully submit fraudulent information will be investigated to the furthest extent possible. All documented cases of fraud and abuse will be reported to the proper authorities.
- b. If it is in the judgment of a member of the SAP Appeal Committee that there has been intentional misrepresentation, false statements, or alteration of documents, which have resulted or could result in the awarding or disbursement of funds for which the student is not eligible; the case shall be referred to the Associate District Director of Student Financial Aid for possible disciplinary action. Students may also be subject to the CCC student conduct process.

After investigating the situation, if the Associate District Director of Student Financial Aid believes there is a fraudulent situation, all information must be forwarded to the Office of Inspector General of the Department of Education. The Associate District Director of Student Financial Aid will then review the student's Financial Aid file with the Director of Financial Aid at the student's home campus. If the decision is made by the Director of Financial Aid at the student's home campus to pursue the possibility of denying or canceling Financial Aid, a written request to make an appointment will be sent to the student. If the student does not make an appointment, the Director of Financial Aid may:

- i. Not process a Financial Aid application until the situation is resolved
- ii. Not award Financial Aid
- iii. Cancel Financial Aid
- iv. Determine that Financial Aid will not be processed for future years

All processing of the application or disbursement of funds shall be suspended until the Director of Financial Aid has made a final determination.

X. Definitions

Warning: A warning semester is given to every student the first time they violate minimum GPA or completion rate requirements (Pace). Students are still eligible to receive financial aid while in Warning status.

Hold: If a student has received a Warning semester and is still in violation of the SAP requirements, the student is suspended from receiving Financial Aid.

Probation: If a student has received a Warning semester and is still in violation of the SAP requirements, the student is suspended from receiving Financial Aid. The student may appeal this decision and if the appeal is approved, the student will be placed on a Probation semester, emailed an Academic Plan and will be eligible to receive Financial Aid for this semester.

Appeal: Personal statement and supporting documentation asking for Financial Aid to be reinstated based on an extenuating circumstance that prevented the student from meeting Satisfactory Academic Progress. Appeals that are approved will allow a student a Probationary semester and require that the student sign an Academic Plan.

Academic Plan: If a student appeals their Financial Aid suspension and is approved they will be assigned an Academic Plan detailing the academic performance and necessary measures required to maintain Financial Aid eligibility until meeting SAP.

Credit Hours Attempted: The number of credit hours in which a student is enrolled after the last day to drop without a "W"/transcript date.

Maximum Timeframe: The number of credit hours a student can attempt to complete his/her degree, not to exceed 150 percent of the published time measured in credit hours.

Minimum Cumulative Grade-Point Average: The grade-point average required for maintaining Satisfactory Academic Progress or graduation.

Pace of Completion: The percentage of credit hours a student completed of the credit hours in which a student was enrolled after the last day to drop without a "W"/transcript date.

1. Satisfactory Academic Progress Policy Statement

The following policies are as guidelines only and are subject to change at the sole discretion of City Colleges of Chicago.

Monetary Assistance Program (MAP) – Procedures

Policy: Monetary Assistance Program (MAP) Grants (p. 27).

MAP grants are funded by the State of Illinois. The actual amount a student is awarded each term depends on the calculation of financial need, the cost of tuition and mandatory fees at the college of choice, the number of credit hours for which the student is enrolled, and other factors related to the amount of funding provided for the program each year. MAP grants can be applied toward tuition and mandatory fees only. MAP grants cannot be used for items such as books, travel, or housing. All MAP awards are paid directly to the college. The college certifies that the student is enrolled and that he/she meets all eligibility requirements.

Students may be required to provide proof of Illinois residency.

Veterans Education Benefits – Procedures

Policy: Veterans Education Benefits (p. 27).

The City Colleges of Chicago has two team members at each college who are dedicated to serving veterans, service members, and their dependents. The School Certifying Official (SCO), located in the Financial Aid Office (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>), is available to assist military affiliated students with utilizing state and/or federal veterans educational benefits. The Veterans Services Specialist (<http://www.ccc.edu/departments/Pages/Veterans-Services.aspx>), located in the Veterans Services Center, can assist the student with issues related to his/her education, applying for veterans education benefits, and with connecting to external agencies (healthcare providers, counseling services, housing assistance, etc.). The Veterans Services Specialist can also assist a veteran or service member in obtaining an official copy of his/her military transcript for evaluation and military credit (<http://www.ccc.edu/services/Pages/Request-Military-Transcript.aspx>).

The City Colleges of Chicago does not, and has never, conducted fraudulent or aggressive recruiting on or off military installations or in any other venue, nor do we misrepresent ourselves, our programs, or our mission. We do not pay incentive compensation to anyone for recruiting actions. We meet all State authorization requirements consistent with those issued by the Department of Education.

c. Registration Process

Veterans, service members, and their dependents who plan to use their federal and/or state veterans educational benefits must meet with the Veterans Services Specialist prior to registering for courses for the first time. Military affiliated students who are registering for the first time should follow the process outlined below:

1. Meet with the Veterans Services Specialist to discuss education goals, veterans educational benefits, and the Military Credit Policy. The Veterans Services Specialist will assist the student in applying for their benefits or in completing the Request for Change of Program or Place of Training, review the documentation the School Certifying Official (SCO) needs to process the student's request for veterans education benefits, and ensure all documentation for Military Credit is requested and submitted timely.
2. Meet with a College Advisor (<http://www.ccc.edu/departments/Pages/Advising.aspx>) to obtain an Education Plan and register for courses that are required per the Education Plan.
3. Visit the SCO to submit a copy of his/her DD214 (or other applicable separation document), documentation that supports his/her eligibility for the veterans educational benefit he/she plans to use, class schedule (after registering), and Veterans Education Benefits Declaration Form.
4. For each subsequent term of course registration, the student must bring his/her class schedule to the SCO (after registering) and Veterans Education Benefits Declaration Form.

The SCO certifies the military-affiliated student's enrollment via VA-ONCE.

d. Enrollment Certification Process

The SCO certifies the data required for each program which may include in-state flat rate tuition charges, term dates, eligible credit hours, the training type, and the name of the academic program.

The SCO monitors military-affiliated students' enrollment throughout the term and reports any changes in enrollment or tuition.

e. Attendance and Active Duty Service

Students who are Active-Duty Service members and their eligible dependents may apply for the Tuition Assistance program through the US Department of Defense. The student obtains an authorization form from their military branch and submits it to the Business Office at their campus for third-party billing for the amount of tuition.

A student's failure to attend classes may result in the loss of Tuition Assistance (TA).

- 100 percent of TA funds will be returned to the appropriate Military Service branch when the Service member does not begin attendance in one or more of their enrolled courses.
- If TA funds have paid for a course that is cancelled by CCC, the funds are returned to the appropriate Military Service Branch.
- If a student discontinues attendance in one or more courses, then TA funds are returned on a proportional basis through the 60 percent portion of the period for which the funds were provided.

In instances when a Service member stops attending due to a military service obligation, CCC will work with the affected Service member to identify solutions that will not result in a student debt for the returned portion.

Academic Standards and Veterans – Procedures

Policy: Academic Standards and Veterans (p. 28).

If a student who is receiving federal veterans educational benefits changes his/her enrollment (ADH, ADR, ADW, NSW, VMW, WTH), the change will be reported to Veterans Affairs within thirty (30) days (see ADH – Academic Dishonesty Withdrawal (p. 11), ADR – Administrative Removal from College (p. 11), ADW – Administrative Withdrawal (p. 11), NSW – No-Show Withdrawal (p. 11), VMW – Voluntary Medical Withdrawal (p. 11), and WTH – Class Drop or Withdrawal (p. 11)).

If the student believes they have a mitigating circumstance leaving them no other choice but to withdrawal from their class, the student should meet with the Veterans Services Specialist in the Veterans Resource Center (<http://www.ccc.edu/departments/Pages/Veterans-Services.aspx>) immediately after the withdrawal to discuss the circumstances and bring in documentation to support the situation. The Veterans Services Specialist will complete a Mitigating Circumstance Form and forward it onto the School Certifying Official located in the Financial Aid Office (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>) for processing within the VA system.

The student is responsible for any overpayments due to enrollment changes and may owe a debt to CCC and/or Veterans Affairs as a consequence of the enrollment change.

The U.S. Department of Veterans Affairs (VA) requires all students receiving VA benefits to make Satisfactory Academic Progress (SAP) toward completing their program. The Satisfactory Academic Progress for VA benefit purposes is different than SAP for Federal Financial Aid.

Requirements

All students receiving military or veteran affiliated educational benefits must maintain a Cumulative Grade Point Average (CUM-GPA) of 2.0 or higher of all classes attempted when utilizing federal benefits.

Students who do not maintain the standard will be classified as one of the following:

- **VA Warning:** After the first semester of not meeting the above standards, students will be placed on Warning. Students on warning are still eligible for VA benefits and may still enroll in classes. Students on warning are required to meet with the Veteran Service Specialist in the Veteran Resource Center to find the best City Colleges of Chicago resources to regain satisfactory progress. CCC will report the warning status to the VA.
 - **Continuation of Warning:** For students that improve their GPA but still fall below the 2.0 GPA standard, will be eligible for benefit enrollment the following academic semester. Students will remain on a warning status until they achieve a cumulative GPA of 2.0 and above.
 - **Removal of Warning:** The Warning status will be removed once the student raises their cumulative GPA above a 2.0.
- **VA Suspension:** CCC will place students who do not meet the standard after the warning semester on suspension. CCC will report the suspension status to the VA. Students may appeal the suspension (instructions and more information are included below). Students who do not appeal or whose appeal is denied will not be allowed to utilize

veteran benefits the next consecutive semester. After the period of non-certification, the student will need to follow the appeal process.

- **VA Termination:** If a student reaches suspension of VA benefits for a second time, the student's benefits will be terminated by the institution and they will be unable to be certified at City Colleges of Chicago.

Notification: Students who are placed on warning or suspension will be notified via email and postal mail at the end of the semester when final grades are posted.

Credits: Include graded classes (A – F). Note: satisfactory (S), unsatisfactory (U), classes dropped on or after the first day, withdrawals (WTH), incompletes (I), repeats, transfer credits (T), Administrative withdrawn (ADW), voluntary medical withdrawn (VMW) and audited course (AUD) do not count. See student handbook for information on Student Policy for grading policies.

Withdrawals: CCC will report dropped classes to the VA which may result in a VA debt to the student.

Required classes: CCC will only certify degree program courses for the purposes of federal educational benefits.

Repeated Classes: Successfully completed courses may not be certified again for educational benefit purposes. If a student fails a class, or if a program requires a higher grade than the one achieved in a particular class for successful completion, that class may be repeated and certified to the VA again.

Transfer Credit: Credits earned at other colleges must be evaluated through Registrar's Office for transfer credits.

*This policy pertains to veteran benefits **only** and differs from City Colleges of Chicago financial aid SAP policy.

Appeal Process: Students on suspension who believe their circumstances merit reconsideration, may appeal their suspension by submitting a Petition for Reinstatement. This form can be found in the Veteran Resource Center or the Financial Aid Office. The appeal requires a student to explain why they failed to meet the standard and what has changed that will allow them to meet the standard during the next semester. Reasons a student may appeal include: death of a relative, injury or illness, or other circumstances that result in a hardship to the student.

Documentation may be required as evidence to support claim. Students who appeal will be notified of the decision via student e-mail within 10 business days. If a student has a grade change or believes that the SAP determination is incorrect, it is the student's responsibility to contact the financial aid office. Only one approved appeal per student is permitted, unless other extenuating circumstances occur.

Results of Appeal

- **Approved with certification of benefits:** Students can enroll in classes. Enrollment will be certified and, if eligible, the student will receive payment of benefits.
- **Approved without certification of benefits:** Students can enroll in classes; however, enrollment will not be certified. In order to demonstrate commitment and the ability to be successful, students will need to pay for their classes out of pocket. If the student demonstrates academic success, (enroll in at least 6 credits and completes 100% of classes attempted with a GPA above 2.0) future enrollment will be certified, and the student will receive payment of benefits if eligible.

- If approved, students will be required to meet with an academic advisor. CCC may require the student to fulfill specific terms and conditions such as taking a reduced credit load or enrolling in specific courses. Students who will be able to meet the SAP requirements at the end of the semester will be placed on VA Probation. Students who will not be able to complete the SAP requirements at the end of the semester will be required to make an Academic Improvement Plan (AIP) with an Academic Advisor. The AIP will include the classes and GPA required for each semester until the student meets the SAP standard.
- **VA Probation** status or the requirement to follow an academic plan will be removed when the student has met the SAP requirements. At the end of each semester, students on probation who do not meet the SAP requirements or students with an AIP that do not meet the requirements of the AIP, will be placed on suspension.

Denied: Students who choose not to petition or whose petition is denied will **not** be allowed to enroll for one semester and classes will be dropped at that point. Students must wait at least one semester before another petition is considered, if the petition is considered.

Students Called to Active Military Service – Procedures

Policy: Students Called to Active Military Service (p. 28).

If a student receives military orders, the service member must submit a copy of his/her documentation to the Veterans Services Specialist as soon as possible prior to their departure.

- **If the call to active duty is on or before the midterm date:** the college will withdraw the student from all classes and refund all tuition and charges paid.
- **If the call to active duty is after the midterm date:** the student may, at his/her option:
 - Request of instructors an early final examination or the assignment of an Incomplete "I" grade, provided the student is in good academic standing in the affected course(s). If the instructor grants an "I" grade, the student will be subject to the normal rules regarding Incomplete Grades (see I – Incomplete (p. 12)); or
 - Choose to withdraw from courses and receive a full refund of all tuition and charges paid.

The Veterans Services Specialist completes the Military Leave/Deployment Form and works with the Office of the Registrar (<http://www.ccc.edu/departments/Pages/Registrar.aspx>) to ensure all student records accurately reflect the student's choice. If the student is using Veterans Education Benefits, the Veterans Services Specialist also works with the School Certifying Official to ensure Veterans Affairs is notified of the student's mitigating circumstances due to military orders. The Veterans Services Specialist retains the Military Leave/Deployment Form with accompanying orders.

Email Account & Portal – Procedures

Policy: Email Account & Portal (p. 29).

a. Email Account

Students may setup their accounts by visiting my.ccc.edu (<http://my.ccc.edu>), and then clicking on username (<https://apps.ccc.edu/AccountManagement/>). Email may be accessed both on campus and off

campus. Students may manage preferences, including forwarding CCC email to a personal email account if preferred. More information is available by visiting my.ccc.edu (<http://my.ccc.edu>).

Email correspondence between students, faculty, and staff and auto-generated email messages sent as a part of certain districtwide processes occur via the CCC email account.

b. Self-Service

Students, faculty and staff may access CCC information systems through the portal by logging into my.ccc.edu (<http://my.ccc.edu>). By accessing the portal:

- Students may view their degree audit, create an education plan, register for or drop classes (exceptions apply), view their class schedule, check grades and academic history, upload documents required by the Financial Aid Office (<http://www.ccc.edu/departments/Pages/Financial-Aid.aspx>), review their student account, and much more. In addition, via the portal, students have access to other systems and tools (<http://www.ccc.edu/Pages/StudentTools.aspx>), such as Blackboard and GradesFirst.
- Faculty and staff may access the student information system (Campus Solutions), Finance System, and HR System, learning management system (Blackboard), early alert system (GradesFirst), and more.

Students with Disabilities – Procedures

Policy: Students with Disabilities (p. 30).

Students with disabilities may request accommodations by doing the following:

a. Provide Documentation of Disability(ies)

Students with disabilities should arrange an appointment for an intake interview with DAC staff at least thirty (30) days prior to enrollment, bringing current documentation of disability(ies). Students may request an academic adjustment at any time, but are advised to do so as early as possible. Some academic adjustments may take more time to provide than others. Students should follow DAC procedures to ensure sufficient time to review requests and provide appropriate academic adjustments. Documentation should include an evaluation by an appropriate professional that makes evident the current impact of the disability as it relates to the accommodations requested. The documentation will be kept in a confidential student file in the DAC. Examples of documentation include:

- Diagnostic evaluation
- Medical records
- Audiogram evaluation
- Vision report
- Psychological evaluation

b. Request Accommodations Every Term

It is important to request accommodations at least thirty (30) days before the start of the term. Requests that are not made in a timely manner may result in delays in receiving accommodations. Students should pick-up Accommodation Letters from the DAC and give them to their instructors on or before the first day of class. Additionally, students should meet with their instructors during office hours to discuss their specific accommodation needs.

Note: students enrolled in online learning courses should follow the above instructions. The DAC will forward a copy of the Accommodation Letters for online learning students to the online learning Associate Dean of Student Services, who is available to assist if needed.

c. Inform the DAC of Schedule Changes

Students with disabilities should inform the DAC immediately of any changes in course schedules (e.g., if a class is moved to a different classroom or in case of withdrawal from a class).

Name Change – Procedures

Policy: Name Change (p. 30).

Preferred First Name

Students complete a Preferred First Name Request Form in the Dean of Student Services Office. Upon approval by the Dean of Student Services, the preferred first name is added to the student information system.

Educational Records – Challenge of the Contents – Procedures

Policy: Educational Records – Challenge of the Contents (p. 30).

Students must utilize the following procedure in order to properly raise their challenge or dispute (see Appeal Instructional Grading, Academic Dishonesty (p. 13) for information about appealing a final grade or finding of academic dishonesty, including time limits):

- The challenge or dispute must:
 - be made in writing,
 - include the title and date of the document being challenged or disputed, and
 - include the reason(s) for such challenge or dispute as well as any documented evidence that the student desires to submit.
- The written challenge or dispute must be submitted to the college administrator in charge of the department from which the record being challenged or disputed is located. The administrator will make a determination regarding the matter within a reasonable period of time and notify the student in writing of the decision.
- If the administrator's resolution to the challenge or dispute is not satisfactory, the student will have the right of appeal to the College President within ten (10) school days of receipt of the administrator's decision. The College President will investigate the matter and respond in writing with his/her decision within ten (10) school days.
- If the College President decides not to amend the record as requested, the College President shall inform the student of his or her right for a hearing to challenge or dispute the content of the student's education records on the grounds that the information contained in the education records is inaccurate, misleading or in violation of the privacy rights of the student.
 - If as a result of the hearing there is a determination that the information is inaccurate, misleading, or otherwise in violation of the privacy rights of the student, the college shall
 - amend the record accordingly, and
 - inform the student of the amendment in writing.
 - If as a result of the hearing there is a determination that the information in the education record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, the college shall inform the student of the right to place a statement in the record commenting on the contested information in the record and stating why he/she disagrees with the decision. The student will

have thirty (30) calendar days to submit a statement. If received, the college shall

- make the statement a part of the student's official record,
- maintain the statement with the contested part of the record for as long as the record is maintained, and
- disclose the statement whenever it discloses the portion of the record to which the statement refers.

Education Records – Disclosure – Procedures

Policy: Educational Records – Disclosure (p. 31).

Disclosure with Written Consent of the Student

Written consent must be made via an official FERPA (Family Educational Rights and Privacy Act of 1974) consent form or, if available, via student self-service in the student information system.

Supportive Intervention Team (SIT) – Procedures

Policy: Supportive Intervention Team (SIT) (p. 33).

a. Appealing an Administrative Removal

Appeals must be made in writing and submitted to the Provost & Chief Academic Officer within ten (10) academic days of the student's receipt of the College President's decision. The written appeal must specify the aspect(s) of the decision with which the student disagrees. The Provost & Chief Academic Officer, in consultation with District SIT, renders an appeal decision within ten (10) academic days after receipt of the student's appeal. The Provost & Chief Academic Officer may uphold the College President's decision, reverse the decision, permit the student to enroll in another City College or make such other disposition as the Provost & Chief Academic Officer deems just and proper under the circumstances. The Provost & Chief Academic Officer's decision on the appeal shall be final and shall be effective immediately upon issuance. See Glossary of Terms (p. 55) for the definition of "academic days."

b. Readmission after Administrative Removal

The applicable College SIT will provide an individualized assessment recommending the conditions for the readmission of any student serving an administrative removal to the College President. Conditions for readmission may include: a medical evaluation, treatment plan, personal statements, and evidence of the student's ability to meet CCC academic and code of conduct requirements.

Student Optional Disclosure of Private Mental Health Information – Procedures

Policy: Student Optional Disclosure of Private Mental Health Information (p. 36).

Students exercise their option to disclose a designated mental health emergency contact via their student profile on my.ccc.edu (<http://my.ccc.edu>). Students may add a designated contact, change their contact, or delete a previously designated contact.

Disciplinary Hearings – Procedures

Policy: Disciplinary Hearings (p. 36).

a. Due Process Hearing

Based upon the information gathered from the Administrative Review, the College President or designated student conduct administrator determines an appropriate disposition through one of the following actions:

- Dismissal of the complaint if it does not constitute a violation of student conduct policy.
- Non-judicial intervention if the matter is deemed to be of a minor nature.
- Sanction by disciplinary warning, disciplinary probation, restitution, community service, loss of some privilege(s) afforded other students, or a combination of the above.
- Mediation involving the affected parties.
- Consensual resolution when the College and the student agree in writing to a set of terms proposed by the College or negotiated between the parties in lieu of a Formal Disciplinary Hearing. The acceptance of a consensual resolution constitutes an agreement of responsibility for the conduct violation by the student and the terms are considered disciplinary sanctions. A consensual resolution agreement is final and may not be appealed.
- Referral to the Disciplinary Committee for a Formal Disciplinary Hearing with up to five (5) days suspension pending the hearing.

When the concerning behavior represents a potential threat to the safety and well-being of the College community, the case is immediately referred to the Supportive Intervention Team (SIT) for risk assessment and development of a support plan, when appropriate. In all but exceptional instances, cases involving obstruction/disruption of the learning or work environment, physical and verbal abuse, or possession of weapons should undergo SIT review.

b. Interim Suspension

A notice of interim suspension is communicated to the student via official CCC email and/or certified U.S. mail. The notice of interim suspension may be in tandem with notice of a scheduled Formal Disciplinary Hearing, when appropriate. An interim suspension is deducted from any suspension imposed as the result of the formal hearing.

c. Formal Disciplinary Hearing

- The hearing will be conducted by a hearing committee composed as follows: two (2) administrators appointed by the College President or designee, at least one (1) faculty member appointed by the college Faculty Council, and at least one (1) student representative appointed by the college Student Government Association. The committee shall number at least five (5) members.
- The College President, or designee, will designate a Chairperson from among the appointed committee members who will be charged with ensuring the orderly conduct of the hearing, plus the maintenance of the record, including all materials and evidence admitted in support or in opposition to the charges.
- The hearing will be scheduled to reasonably accommodate the student's schedule within the designated time frame for due process to occur.
- The accused student will be given an opportunity to testify and to present evidence, as well as witnesses, and will have an opportunity to hear and question adverse witnesses. In no case will the committee consider statements against the student unless he/she has been given an opportunity to rebut unfavorable inferences, which might otherwise be drawn.
- If an accused student fails to attend the Formal Disciplinary Hearing after notice of the hearing in accordance with this rule, the hearing committee

may convene the hearing, take evidence on the charges against the student, and render a recommendation to the College President without the student's participation.

- The hearing committee's written recommendation to the College President will be based solely upon evidence submitted at the hearing.
- After the hearing, the hearing committee will advise the College President of its recommendation in writing within five (5) academic days. The recommendation will include a summary of the evidence upon which that recommendation was made. See Glossary of Terms (p. 55) for the definition of "academic days."
- The College President may accept or reject the committee's recommendation or lessen sanctions or conditions. The College President may not increase the level of sanctions or conditions. The College President will advise the student, in writing, via CCC official email and/or certified U.S. mail, of his/her decision within five (5) academic days of the receipt of the written recommendation of the committee.
- Any written decision by a College President to suspend for more than five (days), dismiss, or expel the student shall be forwarded to the Provost & Chief Academic Officer for approval and shall contain a summary of the evidence on which the decision is based.
- The College notifies the student of the President's decision using official CCC email and/or certified U.S. mail.

d. Disciplinary Hearings Involving Allegations of Sexual Harassment

- In cases where a student is alleged to have engaged in sexual harassment, CCC's EEO Office will investigate the complaint pursuant to its Equal Opportunity Policy and Complaint Procedures ("Equal Opportunity Policy"). The EEO Office may modify academic or working situations while an investigation is pending if the EEO Office believes there is a threat of imminent harm. Both the accused student and the complaining party will have an opportunity to present evidence and witnesses to the EEO Office during its investigation in accordance with the Equal Opportunity Policy. The Equal Opportunity Policy and more information about the EEO Office can be found at [www.ccc.edu/departments/Pages/Equal-Opportunity-Office-\(EEO\).aspx](http://www.ccc.edu/departments/Pages/Equal-Opportunity-Office-(EEO).aspx) ([http://www.ccc.edu/departments/Pages/Equal-Opportunity-Office-\(EEO\).aspx](http://www.ccc.edu/departments/Pages/Equal-Opportunity-Office-(EEO).aspx)) and at Equal Opportunity in Employment, Programs, Services and Activities (p. 38)
- The preponderance of the evidence standard will be used by the EEO Office in reviewing evidence to reach its finding. Preponderance of the evidence means that there is more credible information supporting the position of one party, in comparison to the other, so that the facts in question were more likely than not to have occurred. Both the accused student and the complaining party shall be notified in writing of the final outcome.
- If the EEO Office makes a finding that the EEO Policy has been violated, it will provide its findings and recommendation of discipline to the Dean of Student Services to provide to the President of the College.
- Upon request, CCC will disclose the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of the crime of violence or non-forcible sex offense to the alleged victim or the next of kin, if the victim is deceased.

Appeal of Discipline – Procedures

Policy: Appeal of Discipline (p. 37).

Students may appeal disciplinary sanctions.

- The student files an appeal by completing the Disciplinary Appeal Form found at <https://www.ccc.edu/departments/Pages/Judicial-Affairs.aspx>. The online form provides the opportunity to submit any supporting documentation. A copy of this form is also available in the Student Services office and can be submitted, along with any supporting documentation, to j (judicialaffairs@ccc.edu)judicialaffairs@ccc.edu (judicialaffairs@ccc.edu). Upon submission by either method, the student will receive an emailed confirmation of receipt.
- The student is notified of the Provost & Chief Academic Officer's decision via official CCC email and/or certified U.S. mail.

Student Grievances (Non-Academic) – Procedures

Policy: Student Grievances (Non-Academic) (p. 38).

If any student feels he/she had been mistreated by another student, or a member of the college staff, the following "non-academic grievance" procedures should be followed:

1. If the student believes he/she is in immediate danger, or is threatened in any way, security should be notified immediately and a report filed.
2. If the student feels aggrieved by a staff person, the student should submit a written complaint within five (5) academic days of the incident, describing the aggrieved incident to the staff person's supervisor. The supervisor will investigate the incident and report back to the student their finding within five (5) academic days. Based on the supervisor's findings the necessary action will be taken in accordance with the City Colleges of Chicago - Rules of the Board of Trustees, or the appropriate procedures outlined by the Collective Bargaining Unit. If the student's grievance is sexual harassment or discriminatory related, they should follow the procedures outlined by the Policy on Equal Opportunity in Employment, Programs, Services and Activities.
3. If the student feels aggrieved by a fellow student, the student should submit a written complaint within five (5) academic days of the incident to the Dean of Student Services or their designated representative detailing the aggrieved incident. The matter will be investigated and a response will be provided to the student within five (5) academic days. If it is determined that a hearing is warranted to resolve the matter, a Student Disciplinary Committee (comprised of students, faculty, and administrators) will be convened to hear the grievance and render a recommendation. The Dean will receive the Disciplinary Committee's recommendation and make a final decision on the matter within five (5) academic days from receiving the ruling from the Committee. The student filing the non-academic grievance should be notified in writing of the final ruling within five (5) academic days of the hearing. If the student's grievance is sexual harassment or discriminatory related, he/she should follow the procedures outlined in the Equal Opportunity in Employment, Programs, Services and Activities policy (p. 38).

Equal Opportunity in Employment, Programs, Services and Activities – Procedures

Policy: Equal Opportunity in Employment, Programs, Services and Activities (p. 38).

The Equal Opportunity ("EEO") Office is responsible for investigating all equal opportunity concerns of City Colleges of Chicago employees, applicants for employment, students, applicants for admission, or any other person including complaints of discrimination, harassment, hostile work or learning

environment, retaliation, intimidation, sexual misconduct, and failure to accommodate due to religion or disability. The EEO Office will investigate complaints involving conduct on City Colleges of Chicago's campuses when such conduct materially and substantially interferes with the operational and educational programs or the safety and welfare of the City Colleges of Chicago community. The head of the EEO Office is the Executive Director of Employee and Labor Relations. The Title IX Coordinator is located within the EEO Office. Any questions regarding Title IX may be referred to the EEO Office or to the

Office of Civil Rights
U.S. Department of Education
500 W. Madison Street, Suite 1475
Chicago, IL 60661-4544
Telephone: (312) 730-1560
Facsimile: 312-730-1576
Email: OCR.Chicago@ed.gov.

a. Who May File a Complaint

Complaints of discrimination, harassment, retaliation, or sexual misconduct may be made by or against employees, students, or other participants in Board programs, activities, or services.

b. Filing a Complaint of Discrimination or Harassment

Complaints must be in writing on the City Colleges of Chicago Discrimination and Harassment form. Complaints must be filed within one hundred eighty (180) days of the discriminatory or harassing act complained of on the form. All complaints must be directed to the EEO Office in the Office of Human Resources and Staff Development at the District Office. The EEO Office will also accept complaints at 180 N. Wabash Ave., Chicago, IL 60601 or at eeofficer@ccc.edu. For more information, the EEO Office can be reached at (312) 553-2865.

If an incident involves alleged misconduct by the Executive Director of Employee and Labor Relations or the Title IX Coordinator, reports should be made directly to the

Chief Talent Officer
3901 South State Street
Chicago, IL 60609
or at (312) 553-2987.

c. Duty To Report

CCC employees are required to report any incidents of discrimination, harassment, or hostile work or learning environment to the EEO Office regardless of whether the individual being harassed is an employee, student, participant in Board programs, activities, or services, or other person. Additionally, if CCC employees observe acts of harassment, it is recommended that they intervene to stop the harassment unless circumstances would make intervention dangerous. Only employees who are statutorily prohibited from reporting such information (i.e. licensed health care professionals) are exempt from these reporting requirements.

Students are encouraged to immediately report any incidents of discrimination, harassment, or hostile work or learning environment to the EEO Office. Reports may be made by the person experiencing the alleged misconduct or by a third party, such as a witness or someone who is told of the alleged misconduct. Where a third party has reported alleged misconduct, the EEO Office will promptly notify the student that a report has been received. EEO Policy and Procedures will apply in the same manner as if the

student had made the initial report. Reports from anonymous sources will be treated in the same manner.

d. Reporting a Complaint of Harassment

1. Any individual who believes (s)he has been a victim of harassment should report the alleged harassment immediately to Campus Security or the EEO Office.
2. If any other employee receives a report or information of harassment, the employee must immediately report the alleged harassment to the EEO Office.
3. Where an individual chooses to report electronically and provide his or her identity and contact information, the EEO Office will respond to the individual within 12 hours.
4. Individuals are strongly encouraged to report incidents of, or share information about, harassment as soon as possible after the incident has occurred. CCC may ultimately be unable to adequately investigate if too much time has passed or if an accused individual has left CCC. Other factors that could negatively affect CCC's ability to investigate include the loss of physical evidence and the potential loss of memory or departure of witnesses.
5. Victims of harassment should make every effort to preserve evidence as may be necessary for the proof of sexual harassment or for obtaining an order of protection.
6. Complaints must be submitted in writing on the City Colleges Discrimination and Harassment Form. All complaints must be directed to the EEO Office in the Office of Human Resources & Staff Development at the District Office. The EEO Office will also accept complaints at eeofficer@ccc.edu. For more information, contact the EEO Office at (312) 553-2865.
7. Because sexual harassment is a serious offense that may threaten the community as a whole, in some instances City Colleges of Chicago may be obliged to pursue alleged sexual harassment charges without the cooperation of the victim. In such instances, the EEO Office will inform the victim of its obligation to address a community safety issue and only share information with individuals responsible for handling City Colleges of Chicago's response.
8. If applicable, individuals have the right to file a Complaint with the EEO Office and a criminal complaint simultaneously. City Colleges will not file a criminal complaint on your behalf.

e. Confidential Reporting

If a reporting party desires to keep the details of an incident confidential, the reporting party may speak with:

- Confidential Advisors who will provide emergency and ongoing support to survivors of sexual violence.
- Mental Health Counselors through the Wellness Centers are not required to report any information about an incident to the Title IX Coordinator without the victim's permission.

A victim who at first requests confidentiality may later decide to file a complaint with City Colleges of Chicago or report the incident to law enforcement, and thus will have the incident fully investigated. If City Colleges of Chicago determines that the alleged perpetrator(s) pose(s) a serious and immediate threat to the college community, the Office of Safety and Security may be called upon to issue a timely warning to the community.

Any such warning will not include any information that identifies the victim.

f. Anonymity

Students, or parents of minor students, reporting incidents of sexual violence sometimes ask that the students' names not be disclosed to the alleged perpetrators or that no investigation or disciplinary action be pursued to address the alleged sexual violence. City Colleges strongly supports a survivor's interest in confidentiality in cases involving sexual violence. There are situations in which a school must override a survivor's request, however, these instances will be limited and the information should only be shared with individuals who are responsible for handling City Colleges' response to incidents of sexual violence. Given the sensitive nature of reports of sexual violence, City Colleges ensures that the information is maintained in a secure manner.

If a survivor does not specifically ask for confidentiality, to the extent possible, City Colleges will only disclose information regarding alleged incidents of sexual violence to individuals who are responsible for handling the school's response.

g. Prevention and Education of Sexual Misconduct

The Wellness Center at each College is dedicated to the prevention and education of sexual harassment. The Wellness Center's goal is to educate and promote awareness of sexual assault and other sexual misconduct through a survivor centered response. In furtherance of this goal, workshops, presentations and programs are open to the College community to address issues of sexual harassment.

Wellness Center counselors are available to provide assistance to victims with counseling and resources. Information and lists of resources are also available in the Wellness Centers at each College.

h. Interim Measures

Survivors may, in consultation with the appropriate college authority or personnel, and the complainant, request interim measures, which include modifying academic or working situations of the complainant and/or respondent while an EEO investigation is pending.

i. Investigation Procedures

The Equal Opportunity ("EEO") Office is responsible for investigating complaints of discrimination, harassment, retaliation and sexual misconduct made by students, employees, program participants and visitors, including but not limited to those complaints brought by a student against an employee and/or fellow student, employee against employee or student and third party against employee or student.

1. The complainant and the respondent shall be notified in a timely manner that an investigation is being conducted.
2. An investigation will be conducted within forty-five (45) calendar days, after receiving the complaint, if feasible. Holidays, days when the City Colleges of Chicago has scheduled a recess, or emergency or other closings shall not be counted. Every effort will be made to promptly investigate the complaint.
3. Both the complainant and the respondent will have a full and fair opportunity to present evidence to the EEO Office during the investigatory process in support of or in mitigation of their respective positions. Each party may present evidence and/or witnesses on his/her behalf.
4. The EEO Office will direct all parties, witnesses and other interested individuals to preserve any relevant evidence.
5. The EEO Office may consider information concerning the romantic or sexual history of either party with other people. Either the complainant or respondent may provide information regarding their

shared romantic or sexual history. If either offers such information, the other will be notified and have the right to respond.

6. Each party has the right to request that evidence regarding his or her mental health diagnosis and/or treatment be excluded from consideration when responsibility is being determined.
7. Prior reports or determinations of respondent for misconduct may be considered in determining the responsibility of the respondent. Prior determinations of responsibility for allegations of the same type of misconduct may be admissible in the sanctioning stage of the process.
8. The preponderance of the evidence standard will be used in reviewing evidence and information obtained during the investigation to reach a determination. Preponderance of the evidence means that there is more credible information supporting the position of one party, in comparison to the other, so that the facts in question were more likely than not to have occurred.
9. The EEO Office shall file a written report of the findings with the Chief Talent Officer and/or the College President/Vice Chancellor, which may include disciplinary and/or corrective action to stop, remedy, and prevent recurrence of discrimination, harassment, or sexual misconduct.
10. Both the complainant and the respondent shall be notified in writing of the findings of the investigation.

j. Confidentiality of the Investigation

The investigation will be conducted in such a way so as to maintain confidentiality, to the greatest extent possible, consistent with Board policies, and federal and state law. This confidentiality is required in order to comply with laws and regulations protecting education records of students and employment records of employees, and to provide an orderly process for the determination and consideration of relevant evidence without undue intimidation or pressure. Investigation findings may not be disclosed except as required or authorized by law or as may be authorized by the Chancellor, College President, or Vice Chancellor.

The EEO Office has a compelling interest in protecting the integrity of its investigations. In every investigation, the EEO Office has a strong desire to protect witnesses from harassment, intimidation and retaliation, and to keep evidence from being destroyed. The EEO Office may decide in some circumstances that in order to achieve these objectives, parties and witnesses must maintain the investigation in strict confidence. If the EEO Office reasonably imposes such a requirement and the parties or witnesses do not maintain such confidentiality, they may be subject to disciplinary action.

k. Duty to Cooperate in EEO Investigations

Any employee or student called upon to participate in an EEO investigation should provide his or her full cooperation to the EEO Office during the complaint investigation process.

l. False Reporting

Any person who knowingly files a false complaint will be in violation of this Policy and will be subject to disciplinary action.

m. When a Complaint Is Not Sustained

Where a complaint is found to be without substantive merit, or where a complaint of discrimination or harassment is found to be untimely, a determination of no violation of the EEO Policy will be issued to the

complaining and responding individuals. That determination will advise the individuals that no further EEO action will be taken on the complaint. When applicable, the individuals will be referred to other processes which may address the issue which is the subject of the complaint.

n. When a Complaint Is Sustained

Where a violation of the EEO Policy is found to exist, a Survivor may request any interim measures needed to stop the alleged sexual discrimination, harassment or misconduct and to prevent it from reoccurring.

If the violation involves employees, the EEO Office will make a recommendation to the Chancellor, College President, or Vice Chancellor regarding a corrective action. Corrective action recommendations for employees may include discipline up to and including termination of employment, or any other remedy deemed appropriate to address the discriminatory or harassing conduct and to prevent its recurrence. Provisions of any applicable collective bargaining agreement will be followed when implementing any corrective action determination against union employees.

In the case of a student, where a violation of the EEO Policy is found to exist, the EEO Office will issue its findings and make a recommendation of an appropriate corrective action to the District Hearing Panel with a copy to the Dean of Student Services at the applicable College. Appropriate disciplinary action may range from written reprimands, suspensions, or other action up to and including college dismissal, or expulsion, or any other remedy deemed appropriate to address the discriminatory or harassing conduct.

CCC will offer Wellness Center counseling and/or referral services to any enrolled student or current employee (and referral services to any former student) found to have been subjected to or to have engaged in harassment, discrimination, and/or sexual harassment.

o. Adjudication Process for Students/Hearing Panel

Process where the respondent is a student:

1. Formal hearings are brought before the District Hearing Panel. The Panel will generally have three (3) members drawn from specially trained administrators in the District who will receive relevant training at least once a year. Whenever a member of the Panel has a conflict of interest, or the appearance of a conflict, that member shall not sit for the hearing creating the conflict.
2. No less than three (3) business days but not more than five (5) business days after delivery of notice of the initial composition of the District Hearing Panel to the parties, the District Hearing Panel will provide a separate notice to the complainant, respondent and any witnesses or other third parties whose testimony the panel deems relevant, requesting such individuals to appear before the panel.
3. The District Hearing Panel shall provide the names of the witnesses or other third parties that the panel plans to call in its notices to the complainant and the respondent.
4. Unless exigent circumstances are present, the hearing shall be conducted within seven (7) business days but no sooner than five (5) business days after the receipt of the matter by the panel.
5. If any party fails to appear before the District Hearing Panel if requested to do so, and such party was provided with proper notice of the hearing, then absent extenuating circumstances, the panel will proceed to determine the resolution of the Complaint.
6. Both the complainant and the respondent may be accompanied by one support person or advisor to assist them during the hearing

process. This support person can be anyone, including an attorney. The EEO Office must be notified three (3) business days in advance of the hearing if a party will be accompanied by a support person or advisor.

7. Both the complainant and the respondent have the right to request substitutions of District Hearing Panel members based upon conflict of interest. The Title IX Coordinator will review all requests on the basis of conflict of interest.
8. For sexual misconduct reports or reports of a sensitive nature, whether the complainant is serving as the reporting party or as a witness, alternative testimony options will be given such as placing a privacy screen in the hearing room or allowing the alleged victim to testify outside the physical presence of the responding party such as through Skype or by phone. While these options are intended to help make the reporting party more comfortable, they are not intended to work to the disadvantage of the responding party.
9. If any participant in the hearing requires special accommodations, the Title IX Coordinator should be notified within two (2) business days of the hearing.
10. The parties will have an equal opportunity to present evidence and witnesses on their behalf during the hearing. Formal rules of evidence will not be observed. There will be no direct cross-examination of either party or witnesses.
11. The District Hearing Panel will convene to deliberate and render a decision, by majority vote, regarding whether or not the respondent has violated the EEO Policy by a preponderance of the evidence. No member of the Hearing Panel may abstain. The District Hearing Panel will render a decision within five (5) business days.
12. Following the hearing, the complainant and respondent will be notified in writing of the findings and any applicable sanctions.

p. Prohibition Against Retaliation and Intimidation

Retaliation against and/or intimidation of employees, students, program participants, witnesses or any other persons who make complaints or who cooperate in EEO investigations is strictly prohibited.

Anyone who believes he or she is the victim of retaliation or intimidation for reporting discrimination or harassment or cooperating in an investigation should immediately contact the EEO Office.

Any person who retaliates against a person in response to a report or cooperation in an investigation will be in violation of this Policy and will be subject to disciplinary action.

q. The Appeals Process

The complainant and the respondent have the right to appeal the final determination of responsibility and/or the resulting sanction based on the limited grounds of:

1. procedural error that materially affected the outcome, or
2. material, new evidence not reasonably available at the time of the hearing, or
3. a sanction that is excessive, inconsistent or insufficient with the nature of the offense.

Written requests for appeal must be submitted within five (5) business days following the delivery of the notice of the outcome to the Associate Vice Chancellor of Student Services. The appealing party must explain why he or she believes the factual information was incomplete, the analysis of the facts

was incorrect, and/or the appropriate legal standard was not applied, and how this would change the determination in the case.

- Each party may respond in writing to any appeal submitted by the other party. Written responses must be submitted within five (5) business days following deliver of the notice of the written appeal. Written requests for appeal submitted by one party will be shared with the other party.
- If the appeal is granted:
 - Due to substantial procedural error, the matter will be heard by the new hearing panel.
 - Due to the discovery of new evidence not reasonably available at the time of the initial hearing or the nature of the sanction, the matter will be returned to the same hearing panel which originally heard the matter for reconsideration in light of the new evidence.

In the event of reconsideration, the appeal panel will give the hearing panel instructions regarding the nature and extent of its reconsideration. The hearing panel will act promptly to reconsider the matter consistent with those instructions. Following reconsideration, the finding of the hearing panel or the sanction imposed by the decision-maker will be final and not subject to further appeal.

Sexual assault is defined as any type of sexual contact or behavior, including sexual penetration (oral, anal, or vaginal) by force or threat of force or an act of sexual contact or behavior, including sexual penetration when the victim was unable to understand the nature of the act or was unable to give knowing consent. Sexual assault can occur between members of the same or opposite sex.

Sexual discrimination is discrimination on the basis of sex, sexual orientation or gender-related identity. Sex discrimination includes sexual harassment, sexual misconduct and sexual violence.

Program Review – Procedures

Policy: Program Review (p. 43).

The Office of Academic & Student Affairs will coordinate the Program Review process and will train college personnel.

Upon receipt of the fiscal year guidelines from ICCB, the information will be forwarded to the Presidents, Vice Presidents, Deans, and Institutional Researchers who will coordinate a collaborative review with the college faculty.

The colleges will conduct their own internal program reviews and will prepare their own reports. Evaluative claims and analyses of the effectiveness of a college's programs and services will be supported by data. Data elements include enrollment, retention, graduation, placement, academic standing, articulation agreements, and other information that documents the relevance and effectiveness of each program and service. Each college will determine which programs will be modified, inactivated, and/or withdrawn, prior to their submission to Office of Academic & Student Affairs.

Colleges will submit draft program reports to Office of Academic & Student Affairs to allow time for internal review prior to submitting to ICCB.

Program Inactivation – Procedures

Policy: Program Inactivation (p. 42).

CCC works to ensure a fair and consistent process for inactivating or withdrawing programs across the District and a smooth transition for

students enrolled in a program that is identified for discontinuation by a CCC college(s) or its funding agency, the Illinois Community College Board (ICCB).

Such programs slated for discontinuation must adhere to the following procedures to ensure proper completion of the program for currently enrolled students.

1. When a college discontinues offering an approved program to new students, it will be reported to ICCB and removed from the college catalog and other documents advertising the program offerings to the public. (REF: Administrative Rules of the ICCB, Section 1501.302, f, p. 27.)
2. The college(s) will announce the pending closure of the program and the last date by which a continuing student can complete the program at one or more colleges (reported to ICCB as either inactive or withdrawn*) through all means available, such as campus postings, notification in class schedules, and the college's website. The college(s) will also identify and announce the last term that students will be admitted into the program. The last admit term will be posted in the catalog until the inactivation or withdrawal date.
3. The college(s) will obtain a listing of all students in the identified program code who have declared it as their major program of study and will:
 - a. Notify the students of the actions in items 1 & 2 above by CCC email, certified mail, or if necessary, by phone;
 - b. Will require the student¹ to consult with an Academic Advisor to design an educational plan in order to complete coursework prior to the program's discontinuation.
4. College Advisors will:
 - a. Design an educational program of study that facilitates the student's successful completion of all required courses and completion of all program requirements prior to the inactivation or withdrawal date;
 - b. Identify specific courses that will meet the student's graduation requirements;
 - c. Identify reasonable alternative substitutions for required courses in extreme circumstances and only upon the approval of the Vice President.
5. A document, Memorandum of Understanding (MOU), signed by both the student and the Academic Advisor will be completed that explicitly states the specific courses the student must complete and the timeline and sequence that these courses must be completed in order for the student to finalize the program of study within the prescribed time limit, prior to the inactivation or withdrawal date. A copy of the MOU should be provided to the student and the Office of the Registrar, and retained by the Academic Advisor. The MOU will be available for inspection by ICCB and/or the Higher Learning Commission of the North Central Association (HLC/NCA).
6. Students who are unable to complete the agreed upon program of study prior to the inactivation or withdrawal date should be advised to pursue:
 - a. Enrollment in another program based on the coursework for which they have completed and credit earned;
 - b. Transfer to another City College where a suitable program is offered; the sending and receiving colleges will facilitate the student's smooth transition;
 - c. Transfer to a local Illinois community college through the Chargeback process if the desired program is not offered at any other CCC campus.
7. Students will not be allowed to continue or complete the discontinued academic program after the inactivation or withdrawal date.

1

Other than attempting notification by CCC email or mail or phone, college(s) has (have) no further obligation to inactive students or students who fail to respond to the notification and a direction to meet with an Academic Advisor.

Overtime/Extra Work – Procedures

Policy: Overtime/Extra Work (p. 45).

1. Notification of departmental courses available for overtime/extra work shall be posted in a conspicuous place in each department.
2. Faculty members of the department offering these courses, who meet appropriate qualifications to teach a given course(s), shall have first opportunity to be awarded such overtime/extra work according to the collective bargaining agreement, Article VIII.F.3 and 4 (Local 1600).
3. After faculty members have selected classes at each individual college, a list of remaining TBA classes will be sent by each home college Academic Vice President to all other Academic Vice Presidents and the Provost & Chief Academic Officer.
4. Academic Vice Presidents receiving lists from other CCC colleges shall transmit these to the appropriate Department Chairs so the information can be disseminated to faculty members.
5. The responsibility for asking for courses at this point rests with each individual faculty member.
6. Faculty members desiring courses at other colleges should indicate their interest by contacting the Academic Vice President at their home college through their Department Chair.
7. Each Academic Vice President should then contact her/his counterpart(s) at the campus(es) where the course(s) is (are) being offered and make appropriate arrangements.

The President shall forward all applications to the Rank Committee of the applicant's department, discipline, or program, and the Chair of the local College Rank Promotion Committee. The Rank Committee and the head of the department shall evaluate each candidate according to the Criteria for Promotion in Rank, and then forward their documented recommendations (the same as those specified below in No. 2., and all materials on each candidate to the President of the College and to the College Rank Promotion Committee. c. Professional Growth (Education Requirements)

The following educational preparation requirements for each rank are minimums for qualification to be considered for promotion. Less than the stipulated requirements in this area shall be acceptable if there is evidence of substantial or distinguished performance in any one or more of the other areas of this category.

Assistant Professor	Associate Professor	Professor
15 semester hours of graduate credit more than the minimum requirements for certification for employment in CCC.	30 semester hours ¹ of graduate credit more than the minimum requirements for certification for employment in CCC.	60 semester hours ¹ of graduate credit more than the minimum requirements for certification for employment in CCC or an earned Doctorate degree.

Graduate credit must be extended by a regionally accredited institution of Higher Education and appear on an official college transcript.

¹

The Rank Promotions Committee may also take into consideration under this category advanced study with recognized teachers (as in the Fine Arts), participation in workshops, institutes and seminars, practical experience in related non-academic fields (including travel), and applied experience in the field of specialization.

Credit hour totals indicated above shall be cumulative for each rank. The candidate for Professor needs only the total of 60 semester hours of graduate credit more than the minimum requirements for certification for employment in the City Colleges of Chicago.

Credits outside the field of specialization or certification shall be taken into consideration under this category if evidence is presented of their relevance or value to the performance and/or professional growth of the candidate as

a faculty member. Courses and credits shall be considered graduate if the university so transcripts the course.

d. College Service

The Rank Promotions Committee and the President shall evaluate the candidate's participation in the educationally important activities of the candidate's department/discipline of the College and of the City Colleges of Chicago. The candidate's qualities of leadership and cooperation, as well as personal and professional integrity and responsibility, shall be factors in the evaluation in this category.

The candidate shall be evaluated in the following areas:

- **Work on faculty and other college committees:** This shall include the candidate's participation on any committee of the College, the local Faculty Council, or the FCCCC on which the candidate has served as an elected, volunteer or appointed member. Service as Chair or Secretary shall carry greater weight than membership only, unless evidence is presented of outstanding contribution as a member.
- **Participation as a department/discipline member:** This shall include the candidate's participation on any department or discipline committee, contribution to curriculum development, providing of teaching materials for other members, assistance to new and adjunct faculty members, and the promotion of the department within the College and the community.
- **Interest in students:** This shall concern the candidate's participation in extracurricular activities with students and student groups, in personal conferences and advising, informal discussions and hospitality to students, sponsorship of student organizations, and acceptance of responsibility for advising students within the faculty area of competence.

To qualify for promotion, the candidate shall provide evidence of performance in each of these areas since the last promotion. Substantial achievement in any one area in this category may compensate for lesser (but not the absence of) achievement in one or both of the others.

e. Creative Productivity

Performance in this area shall include publication of books; articles; films; television performances and programming; musical or dramatic composition and performance; participation in shows in art; traveling fellowships; special foundation grants; independent study and/or research; development of educational software; and work in the applied aspects of the faculty member's specialty. Performance in this area need not be exclusively within the candidate's field, certification or specialization. Performance in this area can include development of new courses, assessment of student outcomes, and/or service as an accreditation self-study coordinator.

f. Community Service

Performance in this area may be indicated by the candidate's participation in community activities external to the City Colleges. These activities shall be voluntary and non-reimbursed services.

g. Professional Associations

Performance in this area shall be indicated by the candidate's participation in workshops, institutes, seminars, and conferences within the field of specialization; by membership and holding office in professional associations or organizations, and by professional honors and awards. Service as an officer, committee chair, or other substantial contribution shall carry greater weight than membership alone.

A candidate may also request that any other documents or information relating to his/her performance as a teacher be added for evaluation.

- The President of the College and the College Rank Promotion Committee shall review the materials and independently rate each candidate according to the following scale:
 - Recommended
 - Not Recommended
- The local College Rank Promotion Committee or its designees and the President or his/her designees shall meet jointly to discuss the Committee's recommendations for the candidates. The Committee and President shall have the option of changing the ratings at this time.
- Candidates who have been rated "Not Recommended" by both the College Rank Promotion Committee and the College President shall be rejected at this step, and shall be immediately informed in writing by the College President with a statement of the reason(s) for rejection.
- All applications which have been rated "Recommended" by the President and the Rank Promotion Committee shall then be submitted to the Provost & Chief Academic Officer. In cases where consensus is not reached, the President shall make the final decision.
- Each President's recommendations shall be evaluated by the Office of Academic & Student Affairs
- The Chancellor shall have the right to determine those candidates for each rank to be recommended by the Chancellor to the Board of Trustees. Candidates not recommended by the Chancellor shall be immediately notified by the Chancellor with a written statement of the reason(s) for non-recommendation.
- A candidate who has been denied at any step in this procedure and who believes this non-recommendation was due to an error of fact may appeal, in writing within ten days after notification of non-promotion, to an Appeals Committee composed of three faculty members designated by the FCCCC and three administrators designated by the Vice Presidents. The Provost & Chief Academic Officer or his/her designee shall be the presiding person, with no vote unless a deciding vote is required in the case of a tie vote, of the Appeals Committee.
- The candidates approved for recommendation for promotion by a majority vote of the Appeals Committee shall be presented to the Chancellor by the Committee with a written statement and the corroborating documentation. Candidates not recommended shall be informed immediately with a written statement of the reason(s) for non-recommendation. Candidates not recommended by the process shall in good faith accept this decision as final.

The Chancellor shall have the final decision of the candidates recommended for promotion as presented to him/her through this process. Candidates not recommended by the Chancellor shall be notified immediately by him/her with a written statement of the reason(s) for non-recommendation.

The final list of approved candidates for Promotion in Rank will be presented to the Board of Trustees prior to the start of the upcoming academic year. The above procedures shall be in effect until further recommendations for revisions are approved by the Chancellor.

Faculty (Credit, Early College & Foundational Studies) and Adult Educator Credential Review – Procedures

Policy: Faculty (Credit, Early College & Foundational Studies) and Adult Educator Credential Review (p. 51).

In instances where an instructor's academic preparation varies from the traditional credentials criteria but the instructor possesses relevant qualifications or experience to the teaching assignment, the instructor should completed and submit a Tested Experience (<http://www.ccc.edu/departments/Pages/Faculty-Forms.aspx>) form and submit it to relevant Department Head. With the concurrence of the appropriate Dean, the Vice President will approve the instructor's credentials to teach.

Faculty Absences from Professional Duties: Procedures for Reporting Attendance – Procedures

Policy: Faculty Absences from Professional Duties: Procedures for Reporting Attendance (p. 51).

Call-in Procedures

Types of Calls for Substitution

- **Timely** – advance notification of at least 24 hours that a substitute is needed.
- **Emergency** – less than 24 hours of advance notification that a substitute is needed.

Timely Call for Substitution

In the event of a Timely Call For Substitution, faculty must send an email to or call **both** the department secretary and the department chairperson. The email must identify the class and section which needs a substitute instructor, and must contain the lesson plan for the scheduled class along with any special instructions for the substitute.

Upon receipt of the notification email, the following will occur:

1. A call for qualified/vetted instructors will be made in the area needing the substitute by the department chairperson or his or her designee.
2. If a qualified/vetted instructor is not found to be available or to be interested, a general call for an instructor from all areas will occur, as academically appropriate and defined by the department chairperson.
3. If a full time or part time faculty member is not found to be available or to be interested in substituting, the class will be cancelled, a cancellation notice displayed, and an attendance sign-in sheet posted by the department secretary or department chairperson. If at all possible, the absent faculty member will email the students informing them of the cancellation.

Emergency Call for Substitution

In the event of an Emergency Call For Substitution, faculty must contact, via email or telephone, both the department secretary and the department chairperson. If neither is available, faculty must contact security to inform students. The faculty member must identify the class and section which needs a substitute instructor, and must clearly communicate (in writing or verbally if by phone) the lesson plan for the scheduled class along with any special instructions for the substitute.

The process of responding to an Emergency Call for Substitution will be structured identically to a Timely Call for Substitution described above. However, the process must be expedited depending on the window of time after the identification of the need for a substitute and the beginning time of the scheduled class needing substitution.

Faculty Cancelling Class

Faculty **cannot self-initiate a class cancellation**. Faculty must follow the above Substitution Policy and Call-in Procedures in order to find a faculty

member to facilitate active student learning. If neither the department chair nor secretary are available and security is contacted to cancel the class, faculty are required to follow up with the chair and department secretary.

Substituting Class Time Prohibited

Alternative class meeting times cannot be substituted for a scheduled meeting time. When students enroll for a course they are registering for specific days and times on a scheduled grid.

Use of Self-Authored Texts in the Classroom – Procedures

Policy: Use of Self-Authored Texts in the Classroom (p. 54).

Prior to requiring the use of a self-authored text in the classroom, faculty members must seek approval through the Office of the Vice President by completing the Faculty Request for Approval of Self-Authored Texts form housed on the Faculty Forms webpage and in the Office of the Vice President. The form requires the VP to review the documentation provided and ensure that the faculty member has gone through the proper channels to have any royalties from the use of the text routed to an appropriate fund. If approved at the College level, the Vice President will forward the documentation to the Office Educational Quality at the District Office for final review and archive purposes.

No-Show Withdrawals (NSW) & Refunds – Procedures

Policy: No-Show Withdrawals (NSW) & Refunds (p. 25).

Effective Summer 2018, students will be charged a \$200 penalty if they are issued a No Show Withdrawal (NSW) for one or more credit classes in an academic term. All Financial balances or charges resulting from NSWs prior to Summer 2018 remain in effect. This penalty is in addition to any tuition that is charged for other coursework in the academic term. If the \$200 penalty is more than the total tuition previously charged for all NSW classes in the term, the NSW penalty will be reduced to the lower tuition amount. This NSW penalty is non-refundable. Per the Department of Education, this \$200 penalty cannot be covered by financial aid as it is not an eligible charge. Any waiver or reduction in penalty fees will follow the Debt Forgiveness Petition process (see Debt Forgiveness (p. 91)).

Class Withdrawals & Refunds

Policy: Class Withdrawals & Refunds (p. 24)

No Cost Retakes

Students who withdrew (WTH) or received an ADW after March 16, 2020, receive a NC, or any grade in a class during Spring 2020, except for 1R8 classes, can retake the course at no cost if taken prior to the end of the Spring 2023 term. The no cost retake will not apply towards the student's tuition charges. No additional action is required.

Students receive a one time, no cost retake for Spring 2020 classes in the above categories. Any additional attempts will be charged the current tuition rate.

If a student is retaking a class at no cost, and receives an NSW, the NSW fee is the student's responsibility and is ineligible for an additional no cost retake of the same class.

In addition, if a student receives an ADW or withdraws after the start of the session, the one-time retake has been applied and is ineligible for an additional no cost retake of the same class.

Infectious Diseases

Policy: Infectious Diseases (p. 39)

Starting in Summer 2020, some classes may begin to transition back to the face-to-face environment. Prior to entering a CCC facility, individuals will be asked to complete the following self-screening questionnaire.

- Have you had a body temperature over 100 degrees Fahrenheit or have you used a fever reducer in the previous 24 hours to treat a body temperature over 100 degrees Fahrenheit?*
- Do you have a new cough that you cannot attribute to another health condition?*
- Do you have a new or worsening sore throat that you cannot attribute to another health condition?*
- Do you have new shortness of breath that you cannot attribute to another health condition?*
- Have you recently developed a complete loss of smell or taste?*
- Have you, or anyone you have been in close contact with (within 6 feet for more than 10 minutes), been diagnosed with COVID-19, or been placed on quarantine for possible contact with COVID-19 in the last 14 days?*
- Have you been asked to self-isolate or quarantine by a medical professional or a local public health official in the last 14 days?*

If the answer to any of these questions is yes, you may not come in to school or work. It is recommended by the Chicago Department of Public Health that anyone with close contact and/or symptoms be tested. Individuals in this situation should contact their medical provider or the Chicago Coach app (<https://covidcoach.chicago.gov/>) for additional instructions.

Students are required to maintain contact with their instructors to ensure they are keeping up with their coursework and understand what is required of them to complete the course upon their return.
