

City Colleges of Chicago Wellness Centers: Locations and Supervisors

We respect that location is a part of your decision making. We encourage you to broaden your consideration of locations while still being realistic about travel times and frank about what site(s) absolutely will and will not work for you.

- ALL 7 colleges have CTA transportation right to their doorstep.
- Cars not required.
- 6 colleges have ample and free parking (HW in the loop has no free parking).
- Trainees have been known to share rides.
- Supervisors work with trainees to balance class, work, and practicum schedules.
