Assessment Town Hall

-Coming up in two weeks (February 23rd), Memo sent out to all faculty.

What's new?

-Volunteer Form sent out, 2 responses (1 from CIS, 1 from HVAC) potential volunteer from each.

Thoughts about getting volunteers?

- Email dept chairs with the link and remind them that we need 1 from each dept, also will include link in ATH.
- Reach out to volunteers and former liaisons from last semester.
- Get a ballpark time commitment.

Communications update

- 11 people have submitted, have sent out email and poll again, want to start scoring in a month.
- Planning to reach out to Cromley to see if he can promote participation from that group for scoring comm rubrics.
- Have scoring occur mar 15 to end of spring break.
- One more meeting after scoring to discuss results.
- No progress on getting comms co-chair.

Quantitative Literacy

- Working within our depts for now, but plan on working with other depts soon.
- Will tweak goal sheet this week, email notifying instructors they will receive five questions this semester for assessment

Archives

- Links updated and correct
- SLO changed over to ILO
- Meeting notes organized and available for viewing
