

The Annual Campus Security Reports for all of the City Colleges are available and distributed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act), the State of Illinois Campus Security Enhancement Act and Violence Against Women Act (VAWA).

The Jeanne Clery Act is a consumer protection law passed in 1990, requiring all colleges and universities who receive federal funding to share information about crime on campus and their efforts to improve campus safety. The Annual Campus Safety Reports for each City College inform the public of three years of crime on campus property, on public property surrounding the campus and at non-campus property.

Under the Act, higher education institutions must provide survivors of sexual assault, domestic violence, dating violence, and stalking with options such as changes to academic, transportation, living or working situations, and assistance in notifying local law enforcement if the student or employee chooses to do so. It also provides both parties in a campus disciplinary process certain rights.

Colleges and universities must outline specific policies and procedures within their annual security reports, including those related to disseminating timely warnings and emergency notifications, options for survivors of sexual assault, domestic violence, dating violence, and stalking, and campus crime reporting processes.

This information is made publicly accessible through the annual campus security reports available on-line at the below listed web site.
