

B. Midyear Update – due first week Spring semester

Completely describe all actions that have occurred since this past August with respect to your department's Assessment Plan.

A. I have carried out the Student/Professor Project in the Bio 226 & 227 sections. Following are the percentages of student Interaction outside of class: Bio 226 (30/34=88%); Bio 227 (30/33=91%)

B. I have administered the Classroom Technology-Personal Response System (PRS) Survey. Following are the results of the Increased Use of technology project: N=33 survey students-Bio 226

32/33=97% agreed upon the following survey questions:

The PRS activities assist you in understanding difficult concepts presented in lecture

The PRS activities foster critical thinking practices

The PRS activities help you achieve the course learning objectives

The PRS activities demonstrate practices for technology application

Overall you are satisfied with the quality of the PRS activities

31/33=94% of students agreed upon the following survey questions:

The PRS activities encourage group discussion

The PRS activities have increased your interest in the course

Attach any relative documents (rubrics, surveys, other assessment tools).

Attached are the survey results and copy of the administered survey

Are there any obstacles to the implementation of the plan that the Assessment Committee should know about or can assist with?
